ST. JOSEPH THE WORKER
CHURCH AND SCHOOL**

DEDICATION

We dedicate this church and book of remembrances to Almighty God, the source of all blessings; to St. Joseph the Worker, to whom this parish is entrusted; to the loyal parishioners and friends, whose sacrifices make this undertaking possible; to the priests of the Society of the Divine Word, who have helped us from the beginning; to the devoted Sisters of Mercy, who have come to teach and inspire our children with the knowledge of Jesus, His Blessed Mother and His working foster-father.

BIOGRAPHIES

The Rev. George Mulcahey was born and grew up on Chicago's South Side. He attended St. Bernard's grade school, Quigly Preparatory Seminary, and St. Mary of the Lake Seminary, where he was ordained to the priesthood by the late George Cardinal Mundelein on April 22nd, 1933. Fr. Mulcahey's first assignment after Ordination was to Visitation Parish where he served for seven years. For eight years after that he was assigned to St. Symphorosa Parish. In 1948 he was appointed to St. Dorothy Parish where he spent nine years doing the priestly work for which he is so well equipped.

In June of 1957 the late Samuel Cardinal Stritch assigned to Fr. Mulcahey the task of establishing a new parish in the town of Wheeling. With his characteristic zeal and energy he quickly began his new labors for Christ and His Church.

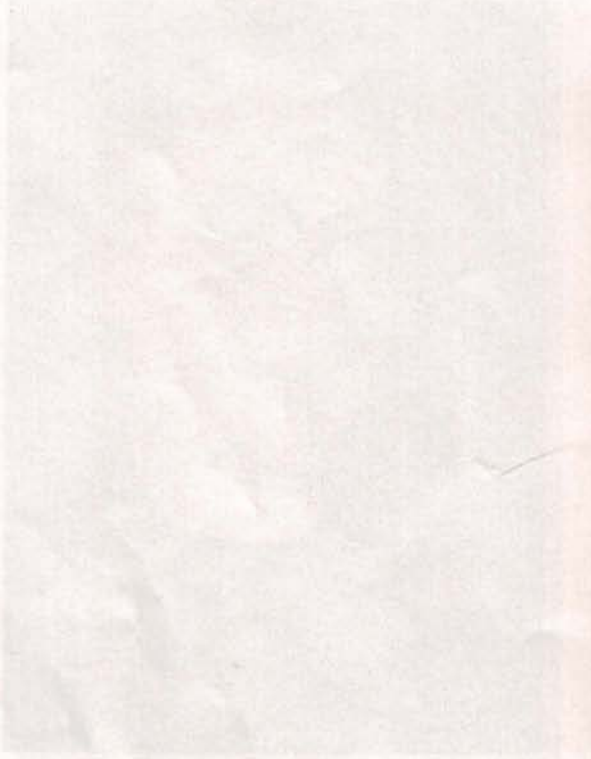

Rev. Raymond P. Nugent

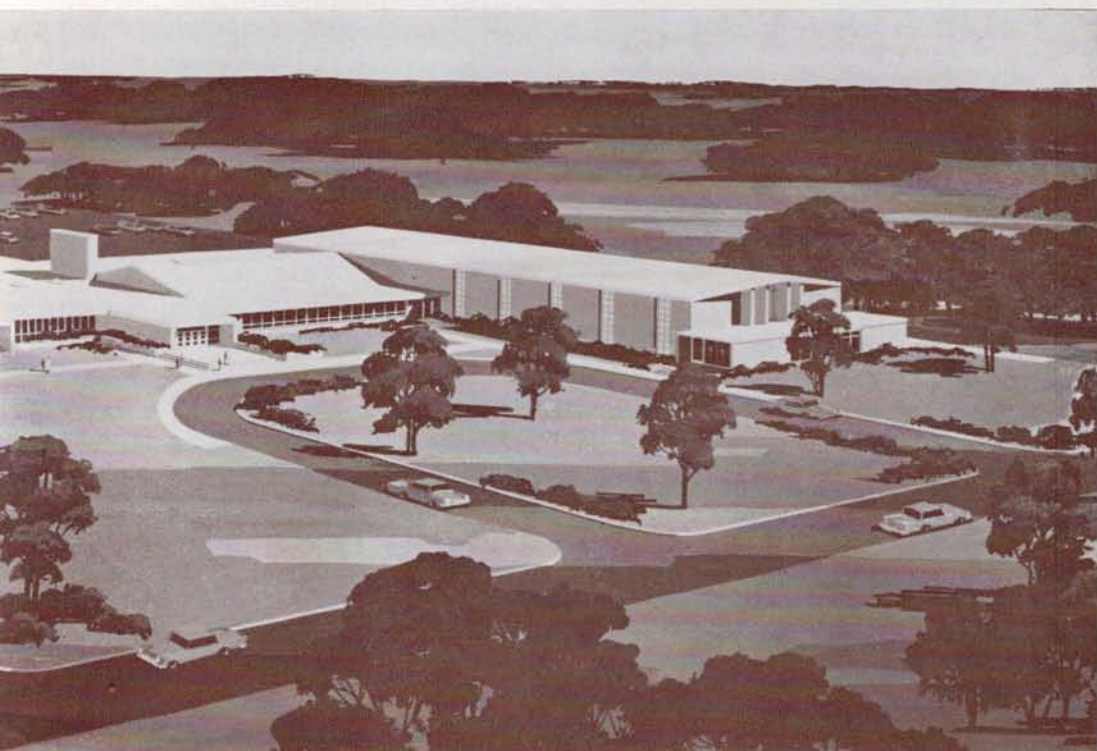

Today we see the material results of those labors in the Church and school which he, with the whole-hearted cooperation of his parishioners, has erected. Only God Himself knows the great spiritual effects in the souls of those to whom Fr. Mulcahey has ministered during these past two years. His parishioners see in him the truly Christ-like spirit which must characterize every good priest.

May Christ, the eternal High Priest, reward with great abundance the endless efforts of Fr. Mulcahey in establishing His kingdom on earth. May Almighty God spare him many years to continue to form in the image of Christ, the souls of the people of St. Joseph the Worker Parish.

The Rev. Raymond P. Nugent attended Our Lady of Good Counsel grammar school, Ouigley Preparatory Seminary, and St. Mary of

the Lake Seminary, Mundelein, Ill. He was a member of the first class of priests ordained by Cardinal Stritch for the archdiocese of Chicago on May 18, 1940. After his ordination he was assigned to St. Mary's Training School (Maryville), Des Plaines. In October of 1943 he was appointed to Visitation Parish and in 1956 was assigned to St. Sebastian's Parish. In July of 1958 he was appointed to assist Fr. Mulcahey in St. Joseph the Worker Parish.

OUR PARISH HISTORY

On June 25, 1957, the late Cardinal Stritch appointed the Reverend George Mulachey to form a new parish at Wheeling, Illinois. A month and a half later, on August 4, 1957, the first mass of St. Joseph the Worker parish was held at the Chevy Chase Country Club, which was our place of worship until our church was erected. We again want to thank Messrs. William and Joseph Johnson and their staff at Chevy Chase for all they have done for our parish.

Chevy Chase Country Club. The first Mass of our newly formed parish was celebrated here August 4, 1957 and masses continued here until Christmas mass December 25, 1958.

Interior of Church

Early in October, 1957, a 24 acre farm and a home were purchased to become the site for our Church and school. The ground breaking ceremony was held April 27, 1958. Rev. George Ballweber, of St. Mary's Church, was selected to wield the first shovel full since it was primarily from his parish that our parish was formed.

Shortly after the ground-breaking, construction of our Church, designed by Joe L. Bennett, architect, was begun, with O. W. Potter the general contractor supervising.

The Rev. Raymond Nugent was welcomed to our parish July 20, 1958. We have, from the beginning, been fortunate in having priests from the Society of the Divine Word saying our 11:00 and 12:15 Masses on Sundays. Most of this time, Rev. William Hunter and Rev. John Musynski have celebrated these two Masses each week.

Midnight Mass on Christmas, 1958, was the first mass celebrated in our new Church. Our choir, directed by Miss Alice Stiller, was organized to sing at this Mass.

Also on May 3, 1959, the blessing of the corner stone and the dedication of the statue of St. Joseph the Worker took place with the Rt. Rev. Msgr. Edward M. Burke presiding.

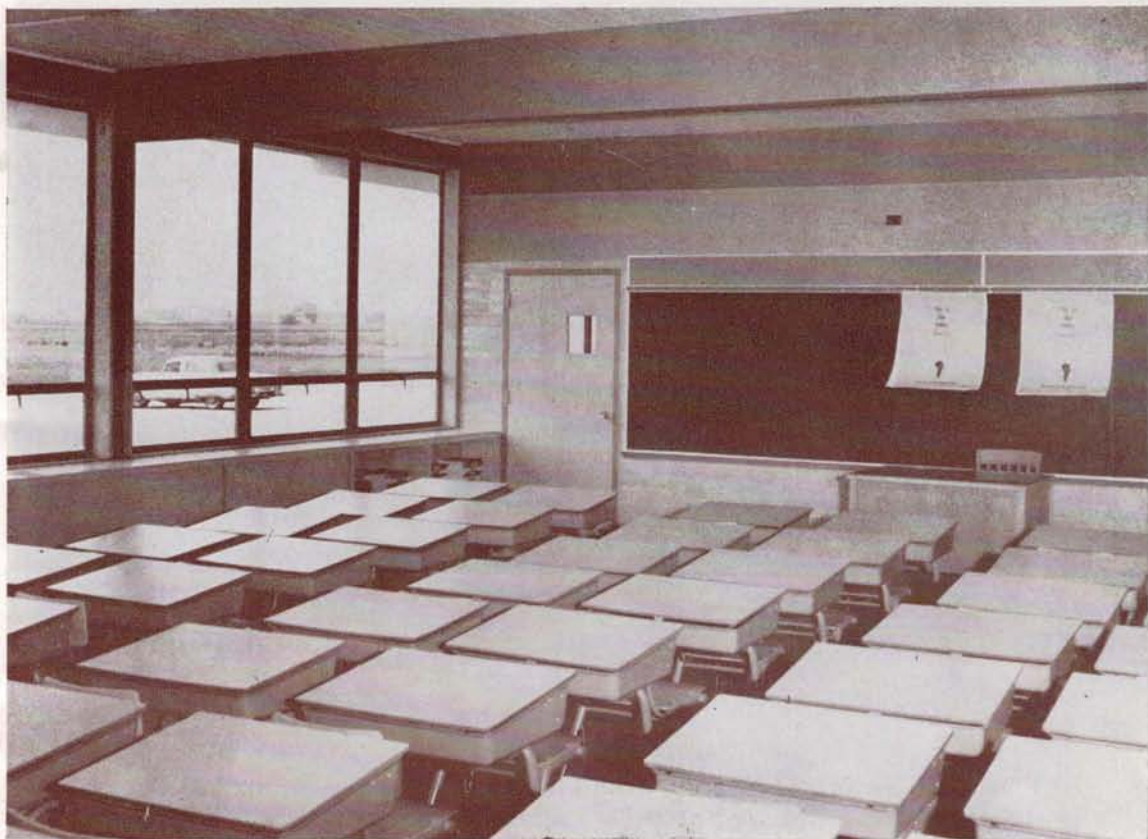

OUR PATRON ST. JOSEPH THE WORKER

On May Day, 1955, while giving a discourse to a group of workers, Pope Pius XII, of happy memory, as if inspired, instituted the feast of St. Joseph the Worker.

From the beginning of Christianity, St. Joseph was known and loved as the Carpenter. With the laboring man gradually being recognized for his true worth, it was only fitting that he should have a patron Saint. No greater representative could be chosen than Joseph, the foster-father of Jesus. So May 1st, labor day in Europe, was chosen as the feast day of the Saint of labor, St. Joseph the Worker.

OUR SCHOOL

Typical classroom

Our school opened September 9, 1959, with an enrollment of 430 children in the eight grades. The staff consists of four Sisters of Mercy and four lay teachers. The school is furnished with all modern educational equipment.

*Left to right: Sister Mary Lourdette, Sister Mary Dionetta,
Sister Mary Pearce and Sister Mary Claude.*

The four Sisters of Mercy who are teaching in our school at present are Sister Mary Claude, the Superior, Sister Mary Dionetta, Sister Mary Lourdette and Sister Mary Pearce.

The Sisters of Mercy were the first religious order to come to Chicago. They came on September 23, 1846, at the request of our first Bishop, Bishop Quarter. In Chicago the first fine parochial schools, the first academy, the first working girls' home, the first orphanage, the first Catholic hospital, the first night

school for adults, the first Catholic school for nurses, and the first Catholic college for women (St. Xavier's) were opened by the Sisters of Mercy.

Always expanding in response to Christ's command of "Teach you all nations," the Sisters of Mercy have now come to open the first Catholic school in Wheeling. We at St. Joseph the Worker welcome them. Only God knows the innumerable blessings they will bring to us, but we do know that by their self-sacrificing lives and work they will be the means of bringing many

of us and future generations in Wheling to the Kingdom of Heaven. We know that he will, but we ask God's blessing on them for their work in our midst.

On May 3, 1959, 80 children received their first Holy Communion. The Rt. Rev. Msgr. Edward M. Burke celebrated the mass. All of the public school children in this group received their preparatory instructions for their first Communion

from Mrs. Mary Burns, Mrs. Dolores Grass and Mrs. Carolyn LeMay. The Sisters of St. Mary's School in Buffalo Grove instructed the other children in this class.

The first children registered in our school were Linda and Patrick Goin.

ST. JOSEPH

BY MAUD WULLSTEIN

His hand was calloused from the plane and hammer
 I wonder, did the Young Child notice much,
 Notice and marvel that the strong, hard fingers
 had such a gentle touch?
 How many nights he must have watched and guarded
 while his two Treasures slept.
 I like to think he held the baby Jesus
 and charmed Him when He wept,
 I like to think he gave Him curly shavings
 and fresh hewn blocks for building in the sand,
 Or let Him hold the rule. I know that Joseph
 would never have put nails into His tiny hands.

JOE L. BENNETT, A.I.A.

ARCHITECT - ENGINEER

Des Plaines, Illinois

This is the end of the book, but only the beginning of a lifetime of worship in this, St. Joseph the Worker Church, for this generation of parishioners and the generations to come.

PRAYER OF THANKSGIVING

We thank Almighty God for His new parish; His Blessed Mother and St. Joseph the Worker for their constant help. We are grateful to Cardinal Stritch for founding the parish and to Archbishop Meyer for sustaining it. We extend our appreciation to all parishioners and friends who built and maintain St. Joseph the Worker Parish.
