

*February
March 97*

PRESIDENT'S COMMENTS

I would like to thank all those who were able to attend our dinner and auction. After experiencing problems with the catering company, we were able to order food from a local establishment and within an hour the food was there and everyone was able to eat. The catering firm had put down the date of our dinner as March not February. Thanks to a quick phone call and a short business meeting, we were able to eat and conduct another successful auction thanks to Bob Buerger our professional auctioneer. He's so good that he could auction off the small bridge at Heritage Park as the Golden Gate Bridge and get a good price for it. It seems that everyone had a good time.

Remember, MARCH 26, 1997 is our next meeting and at that time the Nominating Committee will submit the names of those running for election. Nominations will also be accepted from the floor. The election will be held at the April meeting. Please take the time out to attend these two important meetings. The meetings start at 7:30 PM.

Remember to vote in favor of the referendum to save Chevy Chase in April. Your vote counts. At our meeting our members were all in favor of saving Chevy Chase and not to have the club house torn down. Now we have to go out and vote and to talk to our friends and neighbors to get them to vote "YES". Every vote is important. If you fail to take the time out to go cast your YES vote we could lose the old club house. It's your choice. We as a Society told the Park District how we felt and now we have to back it up with our votes.

I plan to get this newsletter out early so that you all will have plenty of time to arrange to have the time to attend our March meeting. Hope to see you then.

Historically yours,

Frank Schnaitmann
President
