

NEWSLETTER JULY 2005

NEWSLETTER OF WHEELING HISTORICAL SOCIETY

Dear Members and Friends:

We survived Freedom Fest. Yes, we did sell water-melon, get caught up in a storm but in all it was a fun experience. On Sunday, we received our watermelons and we were all set up to go. It was pretty uneventful and we were able to sell 17 watermelons. On Monday, the 4th we came to set up and everything was going well until the Fire Chief came around and told us a storm may hit around 1:40 p.m. and we were to be prepared t leave the area.

Thanks to Keith Pecka, he told me it looks like the storm was coming and we were able to pack up before the rain hit. It was a chore getting from the booth to the Public Works building. Thanks to the Village staff, they were able to get everybody in the building safely. After the storm we went back to the booth and cleaned up the mess and wiped away the water. At this time, we started cutting up the melon and putting it in bowls and cups. The melon did sell better in the containers. As usual the fireworks were great.

I want to say a special thank you for all who helped with the festival and I am sorry that we sent some home but we discovered all the help was not needed and we did appreciate you coming out. A special thanks to Bill Hein for being a sponsor of the fest and donating \$300.00 towards the melons.

Looking forward to seeing you at our annual picnic which will also mark our 40th year as a society.

Elaine Simpson. President

Dear Friends and members near and far:

The Wheeling Historical Society was founded in August of 1965 as the result of hard work and encouragement of the Wheeling Women's Club As you know, the Society members are all volunteers giving much of their time and energy to assure future generations a recorded history of their community.

Since the museum is the main function of the society, every one was encouraged at that time to locate and offer any and all memorabilia dealing with Wheeling's past. Antiques, utensils, furniture, photographs, books, magazines, newspapers, club records, advertising material, and military clothing, in fact anything whatso ever that could be identified with early Wheeling was needed. That was 1965.

Today, we are again asking help for memorabilia from old members and friends especially, pictures, family history and if one was in the service, we would like a picture with name rank and where they served so they could be placed in our military exhibit.

There is very little from the 1950's to date so we hope you will check your homes and may have something to offer your museum and future generations. Just send them to the Wheeling Historical Society, P.O. Box 3 Wheeling, Illinois 60090 and we will happily acknowledge your donations.

"Listen", that's a lovely word-it makes us quiet and still-there's so much in the world to hear-the birds that chirp and trill-the wild wind fluting in the trees the drumming of the rain-the muffled fluttering of moths against a windowpane: Chopin, Beethoven, Liszt and Grieg-giants of music's art-created golden meledies to stir the human heart—the world is full of lovely sounds-they fall about our earsremembered in serenity-they echo down the years—a voice we loved, a waterfall, a violin, a thrush-all steal into the quiet heart in memory's solemn hush . . . So close your eyes and listen-you will hear all kinds

To all our friends and members PLEASE who have been under the weather or in the hospital; we want to you to know, we are always thinking of you.
