### Garry Keith Falcone of Wheeling

Services for Dr. Garry K. Falcone, 54, will be held at 11 a.m. Friday, at St. Paul Lutheran Church, 5660 N. Canfield, Chicago, where he will lie in state from 10 a.m. until the time of services. Interment will be in Memory Gardens Cemetery.

Visitation will be from 3 to 9 p.m. today, at Friedrichs Funeral Home, 320 W. Central Road (at Northwest Highway), Mount Prospect.

Born Sept. 14, 1953, in Chicago, he passed away Sunday, June 8, 2008, at the home of his sister, Mari, after a four-year battle with colon cancer.

When diagnosed at stage four he was given three to six months to live, but Garry had other plans! He continued to voluntarily serve children in education, music and of course, athletics. Those kids will continue to benefit from his service long after his passing.

Garry was born to Vincent X. Falcone (Aug. 3, 1923 to Feb. 23, 2005) and Frances Queen (Doyle) Falcone (June 24, 1930 to Sept. 27, 1983) near their first home on Cornellia Avenue in Chicago. After the birth of his sister Mary Alyce (Mari Falcone Cantos and husband Bill) they loaded up the Buick and moved to Lincoln Avenue in Mount Prospect, Ill. Later a sister Dawn Frances was born (April 25, 1958) who was taken to the Lord's home June 18, 1978.

Garry entered the secondary school at Concordia of Milwaukee and later entered seminary at the same. His calling was education and continued down that path his entire career from his early teaching at St. Paul Skokie, Marillac Northfield, St. Johns Lombard, Christ Lutheran, Buckley and then Gueren Prep and St Paul's Canfield, and Walther High School.

His passions include (but are not limited to) his Lord and savior, the Lutheran Church Missouri Synod, Christian education, history and social studies, music, especially all of his horns, golf, hot food, TAB cola, his tens of thousands of mens neck wear (ties), and his Harley Davidson motorcycle. He was also a loving uncle to his nieces and nephews. Amanda, V.J., Jojo, Nicolina, Sophi, Savannah and Sierra.

Garry is survived by his loving sister, Mari and her husband Bill, loving brother, Vincent (Vinny) and his wife Vicki (V.J.) Sophi, Savannah, Sierra) and his loving brother and godson Joseph (Joe) Falcone (Amanda, Joseph, Nicolina).

He will be with his parents and sister at Memory Gardens Cemetery on Euclid Avenue in Arlington Heights.

1ST TRUSTEE OF WHEELING

#### W. M. FASSBENDER

Wm. Fassbender was born Dec. 7, 1862, at Wheeling, Illinois, and in the fall of 1925, when he moved to Chicago, he spent all his life here. When only 15 years old circumstances forced him to conduct the business started by his father.

On Dec. 7, 1893 he married Elizabeth Arnold, and about this time admitted her brother, Jacob Arnold, as a partner in the business.

During their years together they built up a very flourishing hardware and implement business and established a priceless reputation for square dealing and service which has lived on through the years.

Mr. Fassbender's interests were not entirely absorbed by his family and business but he also found time to make a constructive contribution to his community. He was one of the first trustees of the village, on its incorporation as a village, and served in that capacity a good many years. He also took an active part in the work of the local church.

In 1917 Mr. Arnold retired from the business and Mr. Fassbender and his son conducted it until 1925 when he retired from all active interest. During this period he was beset with several very complicated ailments which he finally succeeded in checking.

From then until his death he lived very quietly in Chicago. He died on Aug. 3, at 7:20 a. m. from cerebral hemorrhage at the age of 71 years, 7 months, 27 days.

He leaves to mourn his wife, Elizabeth, son Arthur, daughter, Ethel, four grandchildren, Arthur, Jr., Doris, Shirley and Buddie and two sisters, Mrs. Koch and Mrs. Bach.

Funeral services were held on Monday afternoon at the Wheeling Presbyterian church, where many friends were present to pay their last tribute to their former business associate and friend. Interment was made in Ridgewood cemetery.

Joseph Filkins Born in Berne, Albany County, N.Y. 4/7/06.

Son of Richard Filkins.

Grandson of Isaac, one of the earliest English colonists of Long Island who came from Cornwall, England in 1665, a farmer and stockman. Mother, Clarissa Crabbe Filkins born in Nov. 1806 in Hoosic Falls, N.Y.

In 1829, Joseph went to Utica, N.Y. and opened a hotel and Post Office named "line." He married Clarissa Johnson 15/9/30.

In 1835 he came west by way of the Great Lakes and on landing from a sailing vessel at Ft. Dearborn, proceeded to Wheeling and "preempted a large tract of land and engaged in agriculture for fifteen years."

In 1836, Clarissa Filkins made the journey from New York to Cook County in a wagon, with friends. She brought their infant daughter, Elizabeth, and joined her husband in Wheeling where he had erected a log house.

In 1837, Joseph built the first frame building on a stage line between Chicago and Milwaukee. This was the first commercial building in Wheeling, a tavern/hotel at the north west corner of Milwaukee and Dundee Roads.

In late 1837 the first Post Office was opened in Filkins' Tavern and Joseph Filkins was Postmaster by Federal appointment.

In 1838 Joseph Filkins became the Supervisor of Wheeling Township and served five years. For fourteen years, he was Justice of the Peace and Postmaster. In 1842 he was elected Collector of Cook County and served two terms.

Joseph Filkins established the stage route between Chicago and Milwaukee and laid out a road from McHenry to Lake Michigan known as the "East Road."

Son Edward A. Filkins was born in Wheeling 29/5/42. He was the second child of the marriage.

In 1850 the Filkins family moved to Chicago where Joseph Filkins and his son-in-law, husband of Elizabeth, went into the wholesale hardware business, Filkins and Runyon, at Lake and Wells Streets. The family resided in Ravenswood.

Son Edward went to school in Chicago and prep school in New Haven, Conn. In 1857 he worked in the dry goods house of Harmon, Aiken and Gale and stayed there until 1861 when he enlisted. After the Civil War, he was made a clerk in the counting room of the Chicago Tribune. In 1864 he was appointed private secretary to Col. J. A. Potter. He was later in the Internal Revenue Service. He married Sadie Copelin of Good Hope, Africa 10/10/65 (or, Andreas, March 1867). They had three children: Edward B., Clara M. and Arthur J. Edward was an Episcopalian, a "steadfast Republican" and lived in Winnetka.

Joseph Filkins died Nov. 12, 1857 at the age of 52, a "staunch Democrat."

The Filkins Tavern was torn down in 1918.

## Who's Who in Wheeling

Conrad "Connie" Fisher came to the United States in 1924 from Bremen, Germany where he was born in 1901.

He then worked and toured the country until 1928 when he came to Chicago. There he worked at the Commerce hotel for nine years and for three years at the Palmer House.

Connie moved to Morton Grove where he was living when he married Miss Violet Leuth of Glenview in 1946.

The Fishers then moved to a home on Sanders Road, Northbrook, until they came to Wheeling. They have been managing Connie and Tudy's tavern on Milwaukee ave. since 1948.

Connie is on the entertainment committee of the Happy Boombas Boys, a social group comprised mostly of businessmen from Morton Grove, Skokie, Niles, and a few from Wheeling. Connie appears above in the hat worn by members of the club. They give several parties and dances each year, the proceeds of which are used for purely social purposes.

# Wheeling man identified as pedestrian killed in Crystal Lake

Lauren Rohr

Authorities have identified Wheeling resident Seymour Fishman, 80, as the man who was killed Tuesday after being struck while crossing Route 31 in Crystal Lake.

An autopsy performed Wednesday determined that Fishman died from injuries to the head and chest, according to a news release from the McHenry County Coroner Anne Majewski.

Fishman was hit at 10:27 a.m. Tuesday while crossing Route 31 just north of Route 176, Crystal Lake police said. He was taken to Centegra Medical Center in McHenry and pronounced dead at 11:11 a.m.

Crystal Lake police said no citations have been given out as of Wednesday morning, but officials are continuing to investigate.

WORK ACHIEVEMENTS:

A TRIBUTE TO MY MOTHER WHO WILL ALWAYS BE IN OUR  
HEARTS AND MINDS:

Dorothy Anna Flentge (Balling) was born on the 28<sup>th</sup> day of April 1914. She was the youngest of three children born to Charlie and Minnie Balling. The date will live on in the Flentge family. My oldest grandson, Robert was born on April 28<sup>th</sup> 1991, and we were privileged to celebrate their 8<sup>th</sup> and 85<sup>th</sup> birthdays respectively in Tennessee last year. Needless to say, My granddaughters Rebecca and Danielle contributed mightily when the singing waiters made their debut at the Olive Garden restaurant. Mom flashed her little smirk so I know she enjoyed it also.

Charlie and Minnie (I always wanted to call Grandpa & Grandma Balling by their first names but in real life it was forbidden) raised Mom a.k.a. grandma, great grandma, muvy to be an independent person who lived life to the fullest.

Mom and Dad eloped and were married on March 15, 1935 in Crown Point, Indiana. I was born on December 14, 1935. Yes, for those of you counting it was close, but my wife assures me I'm legal. But I've been doubly blessed again because my youngest grandson Austin was born on my birthday in 1996.

Mom made sure I had the opportunity to spend time with my Grandfather. An added plus was I also had Uncle Charles and Uncle Marshall to help with the education. Grandpa showed me how to use my finger to squish out just enough cider to make the cork fit tightly in the cider jug, or how to weigh my finger with the freshly dressed chicken on the Wheeling Farms scale. He taught me how to candle eggs, siphon vinegar from the vinegar barrel and to swear a little in German.

My Uncles were a little more down to earth, flying and airplanes were Uncle Charles' forte', trains, sketching and the miracles of the forest preserve were Marshall's interests.

And, from my grandmother I learned the lust for travel, new things and an insatiable desire to do something different even when her peers didn't necessarily understand or agree. I fondly remember our trips to the Museum of Science and Industry and the Field Museum. We'd ride the Skokie Valley limited and the ell on our day in the city. Sometimes we'd stop at Grandma's cousins the Burkes and experience the grand ambiance of the day. I know now it was Mom at work giving me the chance to learn and grow at the hand of my grandparents.

Mom was always there when I fell out of a tree and broke my collarbone, or when I broke my arm in a game of coal ice hockey at the ball field on Thacker Street.

I always thought that my dad was the rebel without a cause in the Flentge family, but as time has passed I have come to realize that Mom was no slouch in that department either. For example:

How many moms in their 60's white water raft the Colorado River or take the time to instill in kids and grandkids alike the love of bird watching? She frequently wintered in California with Steven and Douglas and often after her visit was over, they would be forced to clean out the refrigerator. When Doug found the green and furry leftover he was never sure if he should throw it out or teach it tricks!!

Mom never met a stranger and in her finer years was never fearful of striking out in her VW or Nissan for a cross-country trek with her old crony and cousin Helen Hitchings, or Mill Hollister. She and Helen traveled to Hawaii and stayed with our friends there. She even took a cruise to Alaska. She also over wintered in Florida with friends from Arkansas. Our son Gary drove her on a few occasions just so his grandma wouldn't be awarded a speeding ticket. She had a heavy foot, drove by the sound not the speedometer!

She lived life to the fullest. In her seventies she pulled up roots in Illinois and moved to Arizona to enjoy the "good" times of retirement!

She frequently espoused the line "It's hell to get old, enjoy life while you are young" and she epitomized that philosophy to the end.

When she and Paul came to Europe in 1964 we traveled and camped European style, in a tent. We always treated the water and fresh produce with Chlorine. After about two weeks of this mom was heard to comment, "can't we just drink a few slugs of chlorine and eat anything we want"?

Or in later years when my wife Dorothy and I made one of our many trips to Arizona to assist in an event in Mom's life she wasn't shy in telling me, "Fish and family get old after about four days, don't you know"?

We have been truly blessed by having had her to form our lives. We'll miss her terribly, charisma and all, but it is comforting to know that she has finally found peace and rest in a better place.

May God in his goodness be with you always Mom.

Your loving son Robert.

## Life story: The Rev. Paul Flesner ~ 1941-2016

COURTESY OF LUTHERAN CHURCH OF THE GOOD SHEPHERD

The Rev. Paul Flesner, second from left, is with fellow clergy members from Prospect Heights, including the Rev. Connie Stewart, the Rev. Terri Pilarski, the Rev. Maureen van Heerden and the Rev. Bob Heinz, former pastor of St. Alphonsus Liguori Church, during a Unity Service in 2003.

The Rev. Paul Flesner led the faith community at the Lutheran Church of the Good Shepherd in Prospect Heights for two decades and was instrumental in bringing leaders of different faiths together.

Flesner, who served the congregation from 1985 to 2005 and was its sixth and longest tenured pastor, died Jan. 1 at the age of 74.

"After he arrived, he brought our church into the 20th century," said Nancy Krieg, office administrator.

Flesner's updates included everything from computerizing the office to adding Westminster chimes and digital clock to the church's carillon, making it a distinctive timepiece for the community.

He also established a Stephen Ministry at the church, a contemporary worship service and an Arts Council. Outdoors, Flesner added changes as well,

installing a life-size bronze sculpture of the church's namesake, Jesus Christ as the Good Shepherd, as well as a garden of resurrection.

"Good Shepherd had one of the first in the area," Krieg said. "It is a separate area of the church grounds, where scattering of ashes is performed."

Near the end of his time at the church, Flesner helped establish the Prospect Heights Clergy Association, which included pastoral leaders from 10 different faith communities in the city.

"Paul was very instrumental keeping the interfaith association together," said the Rev. Bob Heinz, former pastor of St. Alphonsus Liguori Parish, now leading St. Norbert Church in Northbrook. "He recognized the importance of bringing leaders of different faith communities together, recognizing our sameness and working toward our goal of bringing people to Christ."

Flesner's commitment

toward fostering understanding continues with the current pastor, the Rev. Eric Schlicking, who was installed in 2011. He is president of the Northwest Suburban Interfaith Council, which includes more than a dozen churches and temples from Arlington Heights, Buffalo Grove, Long Grove, Prospect Heights and Wheeling.

Flesner stayed in touch with his former congregation after his retirement, most recently writing a personal message in the Dec. 27 bulletin reflecting on the importance of evangelization.

"I would repeat my challenge to you," Flesner wrote. "It is through the personal witness of individuals that the church grows and fulfills its mission."

A memorial service will take place at 11 a.m. Saturday at Lutheran Church of the Good Shepherd, 111 N. Elmhurst Road in Prospect Heights.

++++++

Paul Ellsworth Flesner was born on September 21, 1941, in Clayton Center, Iowa. He was baptized into the Body of Christ shortly thereafter. He entered the Church Triumphant on January 1, 2016 at the age of 74.

At the time of his death, Paul was a resident of Wheeling, Illinois and a member of Lutheran Church of the Good Shepherd since December 1, 1985.

Paul was married to (the late) Myrtis Niederbaumer on April 16, 1966. They are the parents of two daughters, Julie and Joy.

Paul is survived by his daughters, Julie (Dean) Bacon, Rock Island, Illinois and Joy Sourou, Cary, Illinois; and granddaughters Jessica, Claire, and Anna Bacon, and Giselle and Alexie Sourou. He is also survived by his brother David Flesner, Gettysburg, Pennsylvania and his sister, Lois (Art) Goetz, Sun City, Arizona; nieces Carolyn and Diana Flesner. He was preceded in death by his parents, Dorris and Ruth, and his wife Myrtis in 2003.

The members of Good Shepherd extend their heartfelt sympathy to Paul's family and offer their prayers for God's presence with them during this time of their grief. At the same time, we rejoice in the gift of eternal life won for Paul through the death and resurrection of Jesus Christ!

# Funeral set for Wheeling worker burned in explosion

*Daily Herald 1/28/00*  
By CHRIS CLAIR  
Daily Herald Staff Writer

Rafael Flores, one of four workers who suffered critical injuries in a Niles industrial-explosion Jan. 12, died Wednesday at Loyola University Medical Center in Maywood.

Flores, 40, of Wheeling suffered burns over 90 percent of his body. The cause of death was listed as

multiple organ system failure due to thermal burns, said a spokesman at the Cook County Medical Examiner's Office.

A visitation for Flores will be held today from 2 to 8 p.m. at Frank Main and Sons Funeral Home, 2534 S. Pulaski Road, Chicago.

After the visitation, Flores' body will be shipped to Mexico for burial, a funeral home spokesman said.

Gerald Briscoe, 42, of Niles remains in critical condition at Loyola University Medical Center with burns over 42 percent of his body, a hospital spokesman said.

Enrique Anzo, 23, still is in critical condition at the University of Chicago Hospitals burn unit with burns over 80 percent of his body.

Thomas Gilbert, 40, was upgraded Thursday to fair from serious condition with burns over 25 per-

cent of his body, a University of Chicago Hospitals spokesman said.

The Jan. 12 explosion at Electronic Recovery Specialist Inc., 7800 N. Merrimac in Niles, tore a 75-foot-by-100-foot hole in the building.

Investigators think the explosion may have occurred in an area where workers were removing precious metals from ammunition.

The one who lies before us,  
Was blest with years of age;  
His book of life will not be closed,  
Only turned to a brighter page.  
His many years upon this earth,  
Were given by God Above;  
And those who came to know him,  
Were showered with his love.  
His life was filled with happiness,  
And his rewards are won;  
He rests with God in heaven above,  
With Christ, the Master's Son.

*In Loving Memory of*

**DOROTHY A. FORKE**

The Lord is my shepherd; I shall not want.  
He maketh me to lie down in green pastures;  
he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the  
path of righteousness for his name's sake.  
Yea, though I walk through the valley of  
the shadow of death I will fear no evil for  
thou art with me; thy rod and thy staff  
they comfort me.

Thou preparest a table before me in the  
presence of mine enemies; thou annointest  
my head with oil. My cup runneth over.  
Surely goodness and mercy shall follow me  
all the days of my life; and I will dwell in  
the house of the Lord forever.

# Memory of Frank Forke Honored By Large Crowd at Funeral Services

Frank Forke was born January 15, 1868, on the old Schneble farm, at North Northfield, Ill. His parents were God fearing people and when Frank was five years of age the family moved to the John Forke farm in the village of Wheeling.

As a boy he helped on the farm and also attended the district school when time permitted. He became a member of the United Evangelical church at North Northfield in the winter of 1885 at the age of 17, under Rev. Carl Roloff, who was presiding pastor at the time, and was a member of this church at his death, and for a number of years was one of the board of trustees.

In the year 1902 he graduated from the Henessy U. S. School of Embalming and Sanitary Science and was a funeral director in the Village of Wheeling from that time.

March 15, 1905 he was united in marriage to Tillie Stueve of Bensenville, Ill., to which union were born four children of whom one died in infancy. His wife preceded him in death in 1928 which separation he grieved even to the end.

He continued on his father's farm, also operating a livery stable on same place until 1916 when he bought the home in Wheeling which was his residence. He had a garage and service station adjoining.

Along with his other duties he was much interested as a citizen in the public affairs of the Village of Wheeling, serving 12 terms on the village board, making a total of 24 years in office. He was a member of the school board for 15 years, during which time he was president of the board for 6 years. While he was president, the present school building was erected in 1925, and in which he took a great interest. In younger years he was a member of Wheeling Fire Brigade.

He was a man of firm but quiet religious conviction and was always considerate of those in need.

As a young man he took a keen interest in young people's organi-

zations in the church and saw to it that his children were early connected with Sunday school and church. He was also interested in other religious organizations.

After an illness of two months complications set in which required an operation. This was done and after getting along nicely on the morning of September 11th, after eating his breakfast and feeling much better a heart attack came on suddenly and in a few minutes he breathed his last.

There remain to mourn his loss, one daughter, Dorothy and two sons, Harold and John, three sisters; Mrs. Carrie Arnold, Miss Louise Forke and Mrs. Laura Helm of Arcadia, California, one brother, Edward H. Forke, of Oak Park, other relatives and a great host of friends.

Funeral services were conducted from the North Northfield Evangelical church Friday, Sept. 14. Rev. A. L. Shaw who was a frequent visitor while Mr. Forke was on his sick bed, officiated at the services. He was assisted by C. F. Schriver of El Paso, Ill., Rev. T. L. Suhr, and Rev. Carl Roloff, of Barrington.

Wheeling Lodge No. 81, A. F. & A. M. conducted final burial services with Lynn Jordan acting as master. There was a very large crowd present to pay their last respects to this honored citizen.

## CARD OF THANKS

To all relatives and friends. We will always remember with deep gratitude your kind expression of sympathy in our recent sorrow.

Children, sisters and brother of Frank Forke.

Loving and kind in all his ways,  
Upright and just to the end of his days;  
Sincere and true in his heart and mind,  
A beautiful memory he left behind.

He had a nature you could not help loving,  
A heart that was purer than gold;  
And to those who knew him and loved him  
His memory will never grow old.

JOHN H. FORKE 1914 - 1984

Wheeling lost a valued member of one of the pioneer families when John Henry Forke passed away July 13th. He was a former trustee of the Village of Wheeling and former chairman of the police and fire departments, as well as a volunteer fireman. He was a member of the Wheeling Historical Society, the Chamber of Commerce and a charter member of the Wheeling Amvets. He is survived by his wife, the former Margaret Seller daughter Barbara and brother Harold. His was the third generation of a family who were involved in the establishment and growth of Wheeling.

John's father, Frank, was born one and a half miles east of Wheeling where Sportsmans Country Club is now. Frank bought his father's 100 acre farm, located on both sides of M. Ave. in 1896. He raised crops of corn, wheat and oats as cows and chickens. The area is now bounded by Jefferson and Manchester Drive and the river. Frank Forke was on the Village Board from 1900-1911 and on the school board 21 years, six years as president. As was John, Frank Forke was also a member of the volunteer fire department. In 1905, he had a horse drawn cemetery service in Wheeling and school. He also built the first public building in Wheeling. He married Tillie Struve of Bensenville the same year. John Forke's grandfather, also named John, married Kate Grinnell of Niles in 1859 and in 1873 they moved to Wheeling with their first four children. He was instrumental in incorporating

Wheeling in 1894 and was one of the first trustees. He lost  
the election for president of the Board by only a few votes.

The tavern owners opposed him because he was "dry."

John Henry Forke took a great interest in the Wheeling Historical  
Museum which is housed in the original village hall where he,  
his father and grandfather all served as governing officials  
of Wheeling. The entire village has reason to mourn the  
passing of a great citizen, but the Wheeling Historical Society  
and Museum have special reason to miss his knowledge and guidance.

REMEMBER WHEN?

Wheeling --- Happiness

REMEMBER WHEN?

Wheeling ----- Happiness was strolling over to the nearest little delicatessen located next to the tracks on Dundee Rd. for a refreshing Pepsi on a sunny afternoon. For our first five yr. olds, finding a Kindergarten located in the quaint old church, then situated on Dundee Rd., and now located next to the Historical Museum on Wolf Rd.

We remember when we could go into the Welflin store on Milwaukee Ave. and make a stab at trying for an ice skate exchange for the little ones. Remember when a few husbands were trying valiantly to flood the old Chamber of Commerce field for winter skating?

Sheila Schultz was about to begin her column "Musing in Meadowbrook" and Marianne Fox was struggling with her column "Dunhurst Doings." A few of the families were forming car pools for commuting to Chicago while the mothers endeavors included forming babysitting groups to help save the dollars.

The Jr. Womens Club, who were instrumental in forming the Historical Museum, Park District, etc., were setting up the first library behind the old Union Hotel and paying rent to George Palm and Frank Marimonte, owners of the hotel. With the help of people like Muriel Lichett, Mary Burlingham, Joan Woods and lots of brushes and paint, the library was a stepping stone to the fine library we have today.

About 27 years ago Carl Sandburg was visiting our own Carl Sandburg School. Oh yes, was always curious to see what the inside of "Harrys Quickie Bar" was like, located on the corner of Milwaukee Ave. and Dundee Rd.

What do you remember? We'd love to know.
