# Lorraine Schmidt and John Haben take vows

In Memory Of

At Rest  
October 26, 2010  
Mass of Christian Burial

Inurnment  
St. Mary Cemetery

I am the resurrection and the life; he who believes in me, even if he dies, shall live and whoever lives and believes in me shall never die.  
**John 11:25**

Miss Lorraine B. Schmidt, daughter of Mr. and Mrs. Hans Schmidt, of Wheeling, became the bride of John V. Haben, son of Mr. and Mrs. Victor Haben, also of Wheeling, at a 10 o'clock nuptial mass, held in St. Mary's church, Buffalo Grove, Saturday, September 14. Father George Ballweber officiated in the ceremony.

The lovely bride was escorted to the altar by her father, who gave her in marriage. Her gown was made of Japanese silk and taffeta, fashioned with a sweetheart neckline, three-quarter length sleeves, a taffeta train, with net overtrain. Her finger-tip veil was held in place with a tiara of glass orange-blossoms. The bridal bouquet of gardenias and pink carnations was carried on her prayer book.

Her maid of honor was Miss Barbara Haben, sister of the groom. The bridesmaids were Miss Margaret Schmidt, sister of the bride, and Miss Grace Moller. Sam Clark, of Glen, Michigan, a friend of the groom, attended him as best man. The ushers were Robert Hartmann and Roger Rockenbach.

The maid of honor wore a medium pink formal of net, styled with a sweetheart neckline and puff sleeves, a pink net tiara and three-quarter length white gloves. She carried a colonial bouquet of blue carnations and white pompoms. The bridesmaids were gowned in the same fashion in blue, and their bouquets were pink carnations with the white pompoms.

The adorable little flowergirls, Katherine Clark and Peggy Lou Cargill wore white shantung and net dresses with ruffled sleeves, square neckline and shoulder length veils. They carried blue baskets with broad pink ribbon loops filled with petals. All five girls wore gold crosses, a gift from the bride.

The bride's mother was dressed in navy blue and wore a corsage of gardenias and pink carnations to match the bridal bouquet. The groom's mother wore pale blue and her corsage was pink carnations and white pompoms.

The wedding breakfast was served at the home of the bride's parents to thirty-five guests, including the bridal party and immediate relatives.

Out of state guests were Mrs. Lincoln Clark, Miss Elisabeth Clark, Sam and Hamilton Clark of Glen, Michigan, and Mr. and Mrs. Phillip Clark and small daughter, Katherine, of Ann Arbor, Michigan.

The wedding reception was held in the evening at 8:30 p.m.

at the Wheeling Community Hall

which was filled to overflowing with 650 guests. Music for dancing was furnished by Johnny Hoebner's orchestra. Other musical entertainment was furnished in the refreshment room by Ray Lesch's band. A midnight luncheon of baked ham, potato salad, cold slaw, cake and coffee, was served cafeteria style to all the guests.

The huge 70 pound wedding cake was beautifully decorated, but none too large to go around. The cake was made by a baker friend of the Schmidts. The newlyweds slipped away to spend the night at the Georgian Hotel at Evanston. Early Monday morning they left for Glen, Michigan, where they spent their honeymoon in the same cottage in which Jack's parents "honeymooned", before them.

The young couple are making their home with the Habens

# Ex-attorney for Wheeling, Brookfield

*Chi. Trib. April 18, 2006*

Lawyer was man of few words whose passion for the letter of law spoke volumes, son says

By Andrew L. Wang  
Tribune staff reporter

When Deerfield High School suspended Paul E. Hamer Sr.'s eldest son in 1967 for having sideburns and wearing his hair over his ears, the attorney did what came naturally: He sued.

Mr. Hamer argued that the school had violated the 15-year-old's constitutional rights, Paul Hamer Jr. said, adding that his father loathed his long hair.

"That didn't matter to him," his son said. "To him it was about rights and the law."

Mr. Hamer, 81, an attorney in Lake and Cook Counties for more than five decades, died of heart disease Saturday, April 15, at home in Deerfield.

Mr. Hamer was a hardworking man of few words who found his voice in the letter of the law,

his son said. Whether it involved his son's right to attend school or what he believed were unfair tax-assessment rules in Lake County, Mr. Hamer's approach was the same: He consulted statutes and precedents and doggedly pursued legal action if he felt the law had been broken.

"He wanted to see legislation written and the law followed," his son said. "He wasn't a push-around guy."

Above all Mr. Hamer believed principle mattered more than big settlements.

When his son's case was heard in a Lake County court in 1968, the judge ruled in favor of Mr. Hamer's argument. But instead of pursuing cash damages, he settled with the district for \$1 under the condition that it allow his son back in school for his fi-

nal exams, his son said.

Howard Lang, a former Lake County assistant state's attorney, recalled meeting Mr. Hamer in the early 1970s when they faced each other in court and Mr. Hamer argued that the county, represented by Lang, used assessment practices that favored businesses.

"I quickly gained respect for him because he was a crusader," Lang said.

Mr. Hamer later hired Lang to be his estate-planning attorney, and the two lawyers became friends.

Mr. Hamer was born in Oak Park in 1925. He was the only child of a postman and a homemaker.

After a year at the University of Illinois at Urbana-Champaign, Mr. Hamer enlisted in the Navy, serving in military hospitals around the country during World War II. He also served during the Korean War.

Between wars, his son said,

Mr. Hamer returned to college and earned bachelor's degrees in civil engineering, economics and industrial engineering. In 1952 he enrolled in the DePaul University College of Law.

From the mid-1960s into the 1970s, Mr. Hamer was village attorney for Wheeling. Later, he was village attorney for Brookfield. Through the years, he also had a private law practice in Northbrook, his son said.

More recently he was an arbitrator in the Lake and Cook County courts. His son said he sat on a panel to rule on a case only two weeks before his death.

Other survivors include his wife, June; daughters Mary Davis and Elinor Crane; sons Thomas and John; nine grandchildren; and one great-grandchild.

A memorial service will be held at 10 a.m., Tuesday, at North Shore Unitarian Church, 2100 Half Day Rd., Deerfield.

Do not stand by me and weep  
I am not there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glints on snow.  
I am the sunlight on ripened grain.  
I am the gentle autumn rain.  
I am the gentle autumn rain.  
When you awaken in the

"Do not stand at my grave and weep, I am not there I do not sleep. I am a thousand winds that blow; I am the diamond glints on snow. I am the sunlight on the unripened grain; I am the gentle autumn rain. When you awaken in the morning's hush, I am the swift, uplifting rush of quiet birds in circled flight. I am soft stars that shine at night. Do not stand at my grave and cry; I am not there, I did not die."

# Elderly Wheeling couple killed in area crash

By Richard Sackley  
Staff Writer

A 23-year-old Mundelein man has been charged with driving under the influence of alcohol in connection with a Friday accident in Wheeling View that claimed the lives of a Wheeling couple. Michael Kruckenberg, of 22025 Kruckenberg Road, crossed the center line on Milwaukee Avenue, north of Aptakisic Road, in his 1985 Pontiac, striking a southbound 1988 Buick Sky-

lark at 3:40 p.m., according to Lake County Sheriff's police. The driver of the Buick, Harold Hansen, 68, and his wife, Bertha, 65, of 127 N. Wolf Road, were later pronounced dead in the emergency room at Condell Memorial Hospital in Libertyville. They died of multiple injuries suffered in the accident, said Lake County Coroner Barbara Richardson. Kruckenberg was listed in good condition Tuesday at Highland Park Hospital, according to spokeswoman Sue

Masaracchia.

A BOND HEARING will be scheduled as soon as Kruckenberg is released from the hospital, Mike Waller, chief deputy for the criminal division of the Lake County State's Attorney's office, said Tuesday. Besides the DUI charge, Kruckenberg was charged with improper lane usage, Waller said. He is slated to appear January 27 at Lake County Circuit Court, Waukegan. Contrary to published reports,

Kruckenberg has not been charged with two counts of reckless homicide in connection with the accident, Waller said. But those charges now are under review by Assistant Lake County State's Attorney Randall Stewart, he added. Witnesses at the scene stated that Kruckenberg was driving at a high rate of speed, according to sheriff's police. Also, the three persons involved in the accident were not wearing safety belts, sheriff's police added.

Larry Dean Hanson ~ 1947 — 2006

## Cinema owner brought Hollywood home

BY TOM O'KONOWITZ

*Daily Herald Correspondent*

Larry Dean Hanson fell in love with the movie theater business when he got his first job as an usher at 16, later becoming one of the country's top independent cinema owners.

"He never wanted to leave the theater business, and he never did. It was his passion," said Paul Rogers, a business partner. "He made it his life, and he was the real champion for the little guys in theater."

Mr. Hanson, a resident of Wheeling since the 1970s, died April 6 after a lengthy battle with cancer. He was 58.

Since 1992, Mr. Hanson was a part owner and vice president of F&F Management in Palatine, which owns and operates theaters in Illinois, Wisconsin and Michigan, including the Arlington Theater and Buffalo Grove Theatres. Although the company owns multiple movie houses, Mr. Hanson always ensured each one ran as an independent cinema.

"He wanted people to feel like they were in their neighborhood theater, because they were," said his longtime colleague, John Scaletta of Arlington Heights. "He was so proud of bringing Hollywood to the Heartland."

Mr. Hanson served on the board of directors of the National Association of Theatre Owners of Wisconsin and Upper Michigan and the National

Association of Theatre Owners of America, for which he served 13 years as chairman of its independent theater owners committee. His work on that committee is paving the way for independent theaters to keep up with bigger chains by soon offering digital cinema through a cooperative buying group.

Originally from Sioux Falls, S.D., Mr. Hanson attended Augustana College and studied communications at the University of South Dakota. His 43-year career in the motion picture industry also included management stints in South Dakota, Indiana, Massachusetts and New York.

Outside of work, Mr. Hanson enjoyed freshwater fishing, watching sports and writing poetry and fiction. His friends

describe him as a compassionate and caring man they'll never forget.

"I'll miss everything about him. He was the most wonderful son anyone could ever have," said his mother, Melba "Mel" Hanson of Sioux Falls. "He called me every Sunday morning at 10 o'clock and he visited me a lot and he was always there for me when I needed him."

He was preceded in death by his father, Dean.

A memorial service for Mr. Hanson was held Sunday at Kolssak Funeral Home in Wheeling. Donations can be made to the Hanson family for distribution to Mr. Hanson's favorite charities.

# Wheeling bicycling legend Phyllis Harmon dies at age 99

Phyllis Harmon, an influential cyclist in Wheeling and around the world, died last week at 99. She was inducted into the U.S. Bicycling Hall of Fame in 2009.

Courtesy of Wheeling Wheelmen

Occupation: US Bicycling Hall of Fame 2009 - Founding Wheeling Wheelmen Club - Started Harmon Hundred 100 mile Ride First Ride at 12 - Age 18 Touring 200 miles a week

Positions held: Editor of League of American Bicyclists - Age 64-7, 3wk Tours New Zealand - 67 Luxembourg - France - 73 3,300 Miles across U.S. - Won 3 gold Medals - Bronze Senior Olympics in Arizona at 111. Last Ride 95 - Mother's Day 2011 - 10 Miles on recumbent Bike

Harmon was inducted into the U.S. Bicycling Hall of Fame in 2009 and rode her bicycle all over the country and the world, but in the Northwest suburbs she was known for founding the Wheeling Wheelmen Club and starting the Harmon Hundred, an annual 100-mile ride.

"She was an amazing lady, and her spirit lives on," said Pam Kaloustian, publicity chair for the Wheeling Wheelmen. The Harmon Hundred, which began in 1970, will be held Sept. 11 this year.

Harmon was born in Chicago in 1916. At 12, she purchased her first bicycle for \$28 she had saved from baby-sitting, according to an article about Harmon's life from the Wheelmen.

"She soon realized that her bicycle could take her everywhere, and cycling became her life," the article said.

A few years later she did her first long ride, an 80-mile trip from Chicago to Wisconsin, and by 18 she was touring 200 miles a week.

"Phyllis blazed the trail and encouraged others to follow. Female cyclists were rare, and she was frequently the only woman riding with a group of men," the article said.

She later joined or helped create several bicycle clubs around the country. She served as the editor of the newsletter for the League of American Wheelmen (now called the League of American Bicyclists) for more than 30 years, including during World War II, when she made sure members got their copies while serving overseas. She also served the organization as a historian, office staffer, treasurer, executive vice president and executive director. In 1985, the league established the Phyllis Harmon Volunteer of the Year Award to recognize extraordinary contributions to cycling.

Age was never a setback for Harmon, who continued cycling into her later years. Starting at age 64, Harmon led seven three-week bicycle tours across New Zealand. At 67, she rode across Luxembourg and France. At 73, she rode more than 3,300 miles across the United States, from Los Angeles to Boston, in seven weeks. That same year she won three gold medals and one bronze in the Senior Olympics in Arizona and Illinois, according to the Wheelmen article.

Harmon's last ride was at age 95, on Mother's Day in 2011, when she rode 10 miles on a recumbent bike.

Harmon retired to Florida in 2003 but visited the Harmon Hundred in 2014 to celebrate as the Phyllis Harmon Path in Wheeling was dedicated in her honor.

"She was a true inspiration and visionary for the world of cycling," Kaloustian said.

Harmon died Aug. 26 and was preceded in death by her son Thomas Hursthouse and first husband, Wilfred Hursthouse. She is survived by her second husband, Willard Harmon; her children Nancy, Bette, Phil, Carol and Jan; her stepchildren Carol, Roger and Jim; 11 grandchildren; and 48 great-grandchildren. Harmon's family will hold a memorial service in Tampa, Florida, on Oct. 14, which would have been her 100th birthday.

LOOK COUNTY Herald July 7, 1950

Bert M. Harsh, airport manager for Parks Aircraft Sales & Service, Pal-Waukee Airport, Wheeling, is one of that select group of people who have realized their childhood ambition. For when he and his brother, George, watched the airplanes pass his father's farm near Goshen, Ind., they decided to become aviators.

Their father had wanted them to go to Purdue and study farming, but seeing how the boys had their hearts set on flying he sent them to St. Louis to enroll in the Parks Air college.

Bert worked as passenger agent for American Airlines after a two-year course in all phases of aviation operations, including pilot, mechanic and executive. But preferring private flying he soon gravitated to the Parks Air college, where just before and during the war he was occupied with training flying cadets.

Happily married, Bert has three fine daughters, Dianne, 10, Suzanne, 8, and Joanne, 6. He thinks Wheeling is a wonderful village in a wonderful country and is very proud of Pal-Waukee, which he declares is the busiest private airport in metropolitan Chicago, with 136 privately-owned planes based there.

Six year old Duane Hartley, son of Mr. and Mrs. Walter Hartley, of Barrington, passed away January 26 at the Sherman hospital, Elgin. The Hartleys lived in Wheeling at the time of Duane's birth, July 28, 1943, and moved to Barrington about a year ago. Duane first became ill last summer, when he underwent a major operation from which he apparently recovered nicely. About three weeks ago he again became ill, and suffered a brain hemorrhage two days before his death. Funeral services were held on Saturday afternoon at St. Matthew's Lutheran church, Barrington, and interment made in Immanuel Lutheran cemetery at Des Plaines. Duane was a nephew of the Kenneth Paulsens and the Herbert Gehrkes of Wheeling. One sister, Sandra, shares the sorrow of the grief stricken parents.

Success

To laugh often and much,  
And the affection of intelligent people.  
And the affection of children;  
To earn the appreciation of honest critics,  
And endure the betrayal of false friends;  
To appreciate beauty,  
To find the best in others;  
To leave the world a lot better,  
Whether by a healthy child, a garden patch,  
Or a redeemed social condition;  
To know even one life has breathed easier,  
Because you have lived.  
This is to have succeeded.

S/Sgt. Hartmann was one of the first Wheeling boys to enlist in the armed forces before Pearl Harbor, having left Wheeling for Jefferson Barracks, Mo., in December, 1940. After his basic training he was sent to Honolulu, where he was stationed at Wheeler field at the time of the bombing of Pearl Harbor. He witnessed much of the suffering and destruction on that fateful day, but fortunately escaped injury. He has served at several locations in the South Pacific since Pearl Harbor. This has been his first visit home since his enlistment almost 2 1/2 years ago.

Lord, make me an instrument of Your peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood, as to understand; to be loved, as to love, for it is in giving that we receive; it is in pardoning that we are pardoned, and it is in dying that we are born to Eternal Life. Amen.

# Bob touched many lives'

Wheeling board remembers trustee as 'loving, giving, respected'

Bob Heer

BY ERIC PETERSON

epeterson@dailyherald.com

12/10/2015

Wheeling officials dedicated their first village board meeting of 2015 to honoring longtime Trustee Bob Heer, who died Christmas Eve only months before his 20th anniversary on the board.

The board room Monday echoed with the memory of Heer's wake last

week, when about 3,000 mourners waited in line for nearly three hours to pay their respects to the 58-year-old retired Buffalo Grove police officer.

Heer's son, Nick, said that while he knew his father had touched many lives in Wheeling and Buffalo Grove, it was still a surprise to see the effects of that so tangibly.

"He loved being a police officer

to help people — to help the community," Nick Heer said. "He really was a generous person. I don't think any of us ever imagined that level of support."

As Monday's meeting began, Bob Heer's seat on the dais was marked with a wreath, candle and purple bunting. When the village clerk's

See **TRIBUTE** on **PAGE 9**

*Continued from Page 1*

roll call reached Heer's name, board members and the audience stood for a moment of silence.

Afterward, Nick Heer was presented with his father's name plate.

A similar tribute took place Monday before the Buffalo Grove village board.

"It was clear that through his service in Buffalo Grove and as an elected official in Wheeling and his involvement with his church, Bob touched many many lives," Buffalo Grove Village President Jeffrey Braiman said. "We're all better as a result."

Braiman noted Heer's distinguished service as a youth officer at Buffalo Grove High School, and his continued service at the high school after his retirement from the police force in 2012.

It was Heer's laughter and gregarious nature that fellow Wheeling trustees and Village President Dean Argiris chose to

remember Monday.

Argiris recalled that he and Heer first bonded as fathers whose daughters were involved in cheerleading.

As Facebook postings attest, even those who came to know Heer in their youth knew he was still committed to their well-being as they grew into adulthood.

"If he liked you, you trusted him, and he guided those kids," Argiris said.

He also thanked Heer's widow, Cathy, for having allowed him to dedicate so much of his time to the community.

Trustee Mary Krueger, halfway through her first term on the board, said the best favor Argiris had provided her was seating her next to Heer at the dais.

"Since there will never be another Bob, I will try to emulate his quiet, subtle form of politics and step up the humor at this end of the dais, because laughter is the best medicine," she said.

Other trustees thanked Heer for showing them how to make an important responsibility like theirs both meaningful and fun.

"He would take a very serious moment, a very solemn moment, and put his own touch on it," Trustee Bill Hein said. "Bob was very loving, giving and respected."

Former Wheeling village president Greg Klatacki and current Prospect Heights Mayor Nick Helmer also spoke of Heer's positive contributions.

"You know, when you think about Bob, you have to smile," Helmer said. "He was a man for all seasons, because he was a man for all reasons."

Heer had hoped to continue serving on the board by winning another term in the April 7 election. But after returning home from surgery for a hernia just before Christmas, he suffered a massive stroke and collapsed.

Born Sept. 6, 1938, in Hurley, Wis., he died suddenly Tuesday, Feb. 9, 2010, at Condell Medical Center in Libertyville.

Butch served on the Mundelein Park Board for 21 years. He was formerly a member of the Mundelein-Libertyville Rotary Club, a former coach with the Mundelein Junior Football League, Mundelein Little League and currently a ranger at Steeplechase Golf Course in Mundelein. Butch was an avid golfer, enjoyed cooking, but most of all he adored his grandchildren.

He is survived by his wife, Juanita, his children, G. Christopher (Dena) Hein, Lisa (Dan) Larsen, Kurt (Melissa) Hein, Jeffery (Liz) Hein, mother, Ida "Dolly" Hein; his brother, William "Bill" Hein; his sister, Rosemary (John) Bartman; and his grandchildren, Scott, Kevin, Brett, Kristy, Britney, Brooke and Mitch. He was preceded in death by his father, Gordon Henry Hein.

In lieu of flowers, memorials may be given to the American Heart Association, 2816 Pay-sphere Circle, Chicago, IL 60674.

Gordon Peter "Butch" Hein, of Mundelein.

Gordon Peter "Butch" Hein wasn't born in Mundelein, but he loved the town as if he were a native son.

He raised a family in town. He started a local business. He spent 20 years on the local park district board and coached youth sports.

"He adopted Mundelein as his hometown," said one of his sons, Libertyville police Lt. Chris Hein. "He was very proud of the town."

Mr. Hein, 71, died Tuesday at Advocate Condell Medical Center in Libertyville after suffering a heart attack at home, his son said.

Mr. Hein was born and raised in Hurley, Wis., and graduated from Hurley High School. He and his family moved to Wheeling and then to Mundelein in 1966.

His brother, Bill, is a former Wheeling mayor.

After serving in the U.S. Army, Mr. Hein worked as a machinist and a mechanic and eventually opened BC Auto Parts in downtown Mundelein.

Mr. Hein served on the Mundelein Park and Recreation District board from 1977 to 1997. he also was a

2/18/2010

member of the Mundelein-Libertyville Rotary Club, and coached junior football and Little League baseball.

Contributing to the community was very important to Mr. Hein, his son said.

"He got a lot of satisfaction meeting people he influenced or had impacted when they were kids in youth sports," Chris Hein said.

Mr. Hein also loved golf and was particularly proud of the park district's development of the Steeple Chase Golf Club, which opened in 1993.

"He golfed every week," said veteran park board member Ernest Shymanik, a longtime friend who served with Mr. Hein on the panel. "He always tried to get better."

After selling the family business to Lee Auto Parts, Hein worked various jobs until he retired about six years ago, Chris Hein recalled. He remained busy in retirement, however, playing golf and working as a ranger at Steeple Chase.

"It was his way to be part of Steeple Chase," Chris Hein explained.

Mr. Hein also cared for his wife, Juanita, who suffers from multiple sclerosis. They had four children and seven grandchildren, and he loved attending his grandkids' football games and wrestling matches, Chris Hein said.

"He was very proud of his grandchildren," Chris Hein said. "They were so important to him."

The way he took care of his family should be Mr. Hein's legacy, his son said.

Visitation is scheduled for 1 to 5 p.m. Sunday at Kristan Funeral Home, 219 W. Maple Ave., Mundelein. A service will begin at 5 p.m. Sunday at Kristan.

Hein's survivors include: his wife; his mother; four children; and seven grandchildren.

Instead of flowers, memorials can be sent to the American Heart Association, 3816 Paysphere Circle, Chicago, Ill., 60674.

Ida 'Dolly' Hein ~ 1919-2014

04/24/2014

# 'Dolly' never quit working for Wheeling

BY EILEEN O. DADAY

Daily Herald correspondent

The village of Wheeling has lost one of its best ambassadors.

Ida "Dolly" Hein served on multiple village commissions and was known to a generation of children at the Wheeling Historical Society's Lollipop Lane celebration each December as

Ida "Dolly" Hein

Mrs. Claus.

She died Sunday from congestive heart failure, at the age of 95. Hein was the mother of current Trustee Bill Hein, who followed his mother into public service, first as a volunteer firefighter, and then on the board of police and fire commissioners. He was appointed to the village board, and served as village president from 1977-1981.

"She was a great asset to the community," Hein said Wednesday. "We accomplished a lot together, she and I."

All three of her children held public office. Her son, Gordon "Butch" Hein, served for 22 years as a Mundelein Park District trustee, while her daughter, Rosemary Bartman currently is a Seneca Township trustee, near Marengo.

## Life story

At the time of her passing, Hein was a sitting member of Wheeling's Senior Citizen Commission and its Historical Society. She also served on advisory committees for the Wheeling Park District and Wheeling's Pavilion Senior Center, plus Wheeling's AARP chapter and on its Women's Club and Garden Club boards.

"She liked to be in the middle of things," Bill Hein says. "She was a go-getter and people had faith in her."

Hein grew up in northern Wisconsin, but moved to Wheeling in 1955 with her husband, Gordon, and their three children, to care for his ailing father.

The couple soon started some area businesses, including a Mobile gas station on Dundee Road, a series of auto parts stores and in 1976 they purchased a restaurant, calling it Hein's Pub.

While Gordon Hein was busy running many of the businesses, his wife immersed herself in the community.

Some of her favorite projects included lobbying for the Wheeling Park District to purchase and renovate Chevy Chase Country Club, which it did in 1977. She also fought for the park district to build the Aquatic Center and Community Recreation Center, which park officials began in 1990 after buying 10 acres along

Dundee Road.

Her activism in the village earned her the title of "Super Senior" in 2001, and grand marshal of the July Fourth parade. One year later, Hein was invited to speak at the Wheeling High School graduation, and returned several more times to promote civic involvement.

Visitation will take place from 3-8 p.m. Friday at Kolsak Funeral Home, 189 S. Milwaukee Ave., Wheeling.

A funeral Mass will be held at 9:30 a.m. Saturday, at St. Joseph the Worker Church, 181 W. Dundee Ave., Wheeling.

In restful sleep our mother lies  
But we need shed no tear;  
For now she rests with Him above,  
Free from her labors here.  
The Master above called her,  
To come to Him above;  
Where He bestows His blessings,  
On those who gave Him love.  
And we shall meet her there one day,  
Our joy shall be sublime;  
For we shall be with mother again,  
Be with her for all time.

# Family, friends mourn owner of Wheeling shop

4-28-04

BY AVIAN CARRASQUILLO  
*Daily Herald Staff Writer*

Arlene Herbert wasn't just a mother to her own children, she became a mother figure to many throughout the village of Wheeling.

Herbert, co-owner of Kiddo Ditto, a children's resale shop in Wheeling, died Sunday at the age of 68 after a 15-month battle with cancer.

Herbert started her business 13 years ago with the intention of helping others afford the things they might not have been able to, and she touched many people along the way.

The business began on Hintz and Wheeling roads, and later moved to a larger space at 542 W. Dundee Road, where it now operates.

Michele Kaylegian began visiting Kiddo Ditto as a customer and later became a partner with Herbert because of her warm and caring nature.

"Her customers knew her as Mother Herbert, because she was always very caring like a mother," Kaylegian said.

Kaylegian said she will continue to operate the store in the same style that won her over nine years ago.

One of Herbert's sons, Ian,

Arlene  
Herbert

reflected on the impact his mother had on his life and the community.

"My mother was a wonderful woman and mother. After her kids grew up, she

extended her love to the community. She created a store that grew three times, and became a place to help people. She was a surrogate mother and a grandmother to a community," he said.

Debra Cross, an avid customer, said without Herbert's help over the years she would never have been able to operate her own business.

"She literally clothed my daughter, and when I opened a state-licensed day care, she helped me acquire the things that were required by the state," Cross said.

Herbert is survived by her husband of 47 years, Michael Herbert, and her sons, Ian Herbert and Jeff Herbert.

Services will be held at noon today at Chicago Jewish Funerals, 195 N. Buffalo Grove Road in Buffalo Grove. Interment will be at Shalom Cemetery.

## Boy, 5, is badly burned when bike hits pot of oil

A 5-year-old Wheeling boy was severely burned by hot oil Sunday when he accidentally knocked over a turkey fryer while riding his bicycle around his home.

The boy was riding around the house in the 500 block of East Merle Lane at about 1 p.m. when his bike crashed into the fryer, set up alongside the driveway and filled with boiling cooking oil. Wheeling Fire Lt. Bart Burns said. The oil spilled over nearly 60 percent of the boy's body.

"We found him with severe burns from his shoulders on down," Burns said. The boy was airlifted to Loyola University Medical Center in Maywood. His condition was not being released.

Burns said the boy's parents received minor injuries on their hands while trying to help their son.

## Oil cooker burns boy

A 5-year-old boy is in critical condition this week after he was burned when a large oil cooker spilled on him in the family driveway Sunday afternoon, authorities said.

The boy had been running around outside his home on the 500 block of East Merle Lane while his family was preparing food with the oil cooker at 1 p.m., according to Wheeling Fire Department reports.

He knocked over the cooker, spilling the extremely hot oil on himself, which caused second- and third-degree burns to 70 percent of his body, department reports said.

Paramedics treated the boy at the scene and then transported him to Wheeling High School, where a Flight for Life helicopter flew him to Loyola Medical Center in Maywood, the region's top burn unit.

Both parents had burns on their hands from trying to help their son after the oil spilled, according to reports.

Though the family was cooking with the propane-heated oil cooker, it was not for a lack of electricity. Authorities said the neighborhood of single-family homes that includes Merle Lane had lost power briefly Aug. 23 but that it had been restored by Sunday.

Fire Chief Keith MacIsaac urged residents who use hot oil cookers to use caution.

"These types of cookers have had these problems," said MacIsaac, noting that hot oil cookers have been known to burn people and start fires. "The important thing here is if you use these, follow the manufacturers instructions and keep everyone away."

## Boy dies of burns in fryer accident

A Wheeling boy has died of his injuries after he was severely burned last weekend by oil that spilled from a turkey fryer he accidentally knocked over while playing with friends at his home, authorities said.

Israel Hernandez, 5, of the 500 block of East Merle Lane died Wednesday night at Loyola University Medical Center in Maywood, where he was airlifted after the accident Sunday, the Cook County medical examiner's office said.

The boy was playing outside the house about 1 p.m. Sunday when he tripped and fell against the fryer, which was filled with boiling cooking oil and set up along the driveway, said Wheeling Police Sgt. Jerry Hermes. The oil spilled over nearly 60 percent of the boy's body.

"We found him with severe burns from his shoulders on down," said Wheeling Fire Lt. Bart Burns. Burns said the boy's parents received minor injuries on their hands while trying to help their son.

The Lord is my shepherd: I shall not want. He maketh me to lie down in green pastures. He leadeth me beside the still waters. He restoreth my soul. He leadeth me in the path of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death I will fear no evil for thou art with me, thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies, thou anointest my head with oil. My cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord.

**INEZ M. HEUER, 77** *Trib 6/22/76*

Inez M. Heuer, 77, a longtime nurse who lived in Wheeling and formerly in Arlington Heights, died of pneumonia Friday, June 18, at Rush University Medical Center, Chicago. She was born in Marquette, Mich., and grew up in Big Bay, Mich., where she graduated from high school. She received a nursing degree from Augustana College in Rock Island. Mrs. Heuer worked at North Chicago VA Medical Center and then at Victory Memorial Hospital in Waukegan during the 1950s. She moved to Northwest Community Hospital in Arlington Heights in the early 1960s and was a school nurse with District 25 in Arlington Heights from 1962 until she retired in 1970. Mrs. Heuer then went back to school at Northeastern Illinois University, where she became a registered nurse in 1975. She continued working at Northwestern Community Hospital during summers, according to her daughter, Sharon Gustafson. She met her husband at the veterans hospital. The couple divorced after a few years. Mrs. Heuer enjoyed cross-stitching and shopping. "You could say she was a shop-'til-you-drop kind of person," her daughter said. Mrs. Heuer is survived by another daughter, Linda Blair; two sisters, Jeannie Adamini and Eunice Quevado; and four grandchildren. A memorial service will be held at 3 p.m. Tuesday at Our Saviour's Lutheran Church, 1234 N. Arlington Heights Rd., Arlington Heights.

## Family, Village Officials Share Fond Memories Of Hieber, Establish Award

By LAUREN BARRY

Journal & Topics Reporter

03/10/2016

Wheeling Village Hall was full Monday night for the first ever George Hieber Citizenship Award presentation. Both Hieber's family members and the board of trustees took time to honor the well-known resident for who the award is named after.

Hieber was a fixture at almost every regular village board meeting until he died Thursday, March 3 at the age of 81. Often, he would speak at board meetings to promote blood drives and Knights of Columbus activities.

During his 56 years as a Wheeling resident, Hieber became a well-known member of the community. He served on a number of commissions, according to Village President

George Hieber

Dean Argiris, who remembers meeting Hieber when he joined the plan commission.

"He was so happy to see younger people get involved in the community he loved," said Argiris.

Other members of the village also shared their warm memories of Hieber.

"He's the kind of guy that comes around once in a lifetime," said Trustee Ken Brady, who described the late village figure as the rare type of man who would always be a friend,

George Hieber's daughter Donna Hansen (third from right) and other members of the late village resident's family stand in front of the first George Hieber Citizenship Award presented Monday, March 7 at village hall. (Journal photo)

even through an argument.

Trustee Dave Vogel agreed. "Along with his volunteerism, he was a great human being," said Vogel, crediting Hieber with being the first to help when someone was in trouble.

Hieber's stalwart support of the Wheeling High School track program was among Trustee Mary Krueger's fondest memories.

More than a few eyes were misty as memories of Hieber were shared during a special recess of the meeting.

According to a resolution establishing the George Hieber Citizen Award, the village board will solicit nominations from the public for future recipients. One recipient of the award will be chosen each year.

"Good citizenship can be manifested in a number of ways," according to the village. These include leadership, public service, volunteerism, philanthropy, professional excellence, and neighborliness.

Hieber's daughter, Donna

Hansen, accepted her father's award. Many other family members were there to watch as trustees Brady and Vogel revealed a large marble plaque dedicated to Hieber. The plaque will be installed at village hall, according to Argiris.

One of Hieber's goals was to promote the importance of blood drives. During the meeting, Hansen continued her father's tradition by urging the community to participate in upcoming Wheeling blood drives.

People have said it will get easier and I'm sure it will one day, but seeing your smile in a picture frame reminds us of how much we still miss you. The moments we shared are now precious memories etched inside our hearts. We shared them all when you were here and we will share them all when we are together again. Remembering today how much you loved and cared for your family, friends and community.

**ELSIE I. HILLER, 95**  
 Elsie I. Hiller, 95, of Wheeling grew up in a house next to the

family's blacksmith business on Milwaukee Avenue. She would have lived there her whole life if she hadn't been forced to move years ago so the road could be widened, said her nieces Gladys and Minnie Keil. Mrs. Hiller died Thursday, March 4, in a nursing home in Wauconda. Born in Wheeling, she attended Maine Township High School in Des Plaines but did not graduate. Instead, she started working as a waitress and stayed at what was then called the Riverside Restaurant for 32 years. When the restaurant was demolished to make way for Hackney's in Wheeling, she went to work there as a cook and remained there until her retirement at 65. Mrs. Hiller was married twice. Her first marriage ended in divorce. Her second husband, Joseph, died in 1964. Visitation will begin at 10 a.m. Tuesday, followed by an 11 a.m. service, in Kolssak Funeral Home, 189 S. Milwaukee Ave., Wheeling.

**MR. FRANK HODGE**

Mr. Frank Hodge was born in Ontario, Canada, Aug. 11, 1889. When he was 11 years of age his family moved back to New York State where he lived until young manhood. In 1910 he came to Chicago to seek employment, and spent the next 10 years of his life there. On May 17, 1913 he was united in holy matrimony with Miss Mabel Vanderwerker by Rev. Landwehr of Chicago. Their home was blessed with three children, two daughters, Dorothy and Marion and one son, Harold Frank. In the spring of 1920 the family came to live in Wheeling, which has been their home since. About two years ago he was stricken with tuberculosis, which he tried valiantly to fight, but to no avail. Early Tuesday morning, Sept. 7, he succumbed to the disease at the age of 48 years and 27 days.

Funeral services were held at the home on Thursday afternoon, Rev. Kossack officiating and burial made in Woodlawn cemetery, Chicago.

Chief among those to miss his early going are his wife, his three children, his mother-in-law, Mrs. R. Vanderwerker, besides many other relatives and friends.

Clara married John F. Hoffmann June 20, 1931, in Wheeling, Ill. Clara and her husband John lived in Wheeling and in 1954 she went to work for Kleinschmidt Laboratories of Northbrook, where she was employed until the time of her retirement in 1968. She was a member of the Presbyterian Church of Wheeling. Clara's love of cooking and growing flowers in her gardens brought great pleasure to her family and friends. While in Palmyra she was an active member of the Palmyra United Methodist Church until transferring her membership to the First United Methodist Church of Whitewater. After her husband's death in 1990, Clara moved to the Fairhaven Retirement Community in Whitewater, where she was active as a greeter, playing card's social-izing and just enjoying the company of all the residents. She became a very special friend to many of the residents and staff. Most im-portant in Clara's life was the love and devo-tion she had for her family.

Clara was the mother of John (Nancy) Hoffmann of Whitewater, James (Anne) Hoff-mann of Mount Prospect, Ill., Thomas (Kathy) Hoffmann of Whitewater, and the late JoAnne (Robert Nordstrom of Aliso, Ill.; grandmother of Rob Nordstrom, Beth Ann (Ray) Komme-nich, Ron Michaelson, Jill Hoffmann Johnson (Joe), Mark (Deb) John, Tim Hoffmann and Steve (Crystal) Johnson, Ann (Judy) Duda, Donna (Jan) Schramm, Lori (Paul) Coverick, Heidi (Craig) Jorgensen, Kenneth (Kathy) Hoff-mann and Jennifer (Darrell) ... great-grandmother of Kelly, Krystal, Courtney, Aya-sha, LeAnna, David, Daria, Lucas, Rick, Kelly, Leslee, Jewel, John, Sarah, Claire, Jake, Kyle, Bridgett, Laurin, Hannah, Samantha, Daniel, Rachael, Austin, Kaleb, Steven, Stephanie, Erik, Hayden, Erika, and Eva; and great-great-grandmother to Jayden Rae Sonntag, Jacob and Mason Towle. Also surviving are a sister, Eugenia Porter of Chicago Heights, Ill., and a sister-in-law, Emery Stearns of Lakeview, Alaska.

She was preceded in death by her parents; husband, John; daughter, JoAnne; grandchild-ren, Sandy Michaelson, Dan Hoffmann and Dabne Nordstrom; as well as four brothers and four sisters.

In honor of the wonderful loving care Clara was given these past years, the family would appreciate that memorials in her memory be made to the Fairhaven Retirement Commu-nity Foundation Fund.

Hello,

I am Lynne Kirk and I am the great -great granddaughter of William Hopps and Martha Smith. They were married on October 5, 1839 in Lee County, Illinois. From what I can find in the census and from the book written by Martha's brother David Smith, William was a farmer and they lived in Wheeling. They had 10 children, one of which was my great-grandfather, Edgar Hopps.

I know absolutely nothing else about William Hopps other than he was born in England around 1804-1805. I don't know when he died or how he died, nor do I know who his parents were. I did find that a Ralph Hopps lived with them for a time ( I assume that he was a brother or cousin given the age). Ralph died in a mental hospital.

I do know that the children came to Lee County and lived with Uncle David after their mother, Martha died at 42 years old.

Is there somewhere I can find out more about them, such as how and when William died, who his family was and the like. I would also like to know how Martha died and where they farmed if at all possible. Where do I start to look? I would appreciate any help you could give me.

Thank you,

Lynne Kirk

God saw you getting weary,  
He did what He thought best:  
He put His arms around you  
And said, "Come and rest."  
He opened up His golden gates  
On that heartbreaking day,  
And with His arms around you  
You gently slipped away.  
It broke our hearts to lose you  
You did not go alone;  
A part of us went with you  
The day God called you home.

Points of Interest!

Frank Forke operated the Wheeling Transfer Garage Taxi Bus (Mostly transporting passengers between the Railroad Depot and the Milwaukee Ave. Business area), and he was the Village's Funeral Director and Embalmer. Phone 46-J. His services were for people coming and going.

The account book advised how to compute the weight of cattle on the hoof; How to measure grain in a bin; Stated the Average Gestation Periods of Farm Animals; Advised how many pounds of wire were necessary to fence a field; and contained Information on Income Tax relating to farmers at that point in time.

The Quirine Weidner Lumber and Coal, also known as the Wheeling Lumber and Coal, was located on the south side of Dundee Rd., west of the Soo Line Railroad (Wisconsin Central) and east of Railroad Ave. It had a Mount Prospect, Illinois mailing address because the Wheeling Post Office did not have delivery service.

Note: Mary Schmidt had two children with her first husband, William Weidner, who died suddenly. She then married Quirine Weidner, and there were seven more children. Reportedly her logic for marrying another Weidner was that the children would have fewer problems, if they all had the same last name.

Farmer's Account Book  
Sponsored by the Wheeling State Bank  
And Other Wheeling Businesses

Points of Interest!

Frank Forke operated the Wheeling Transfer Garage Taxi Bus (Mostly transporting passengers between the Railroad Depot and the Milwaukee Ave. Business area), and he was the Village's Funeral Director and Embalmer. Phone 46-J. His services were for people coming and going.

The account book advised how to compute the weight of cattle on the hoof; How to measure grain in a bin; Stated the Average Gestation Periods of Farm Animals; Advised how many pounds of wire were necessary to fence a field; and contained information on Income Tax relating to farmers at that point in time.

The Quirine Weidner Lumber and Coal, also known as the Wheeling Lumber and Coal, was located on the south side of Dundee Rd., west of the Soo Line Railroad (Wisconsin Central) and east of Railroad Ave. It had a Mount Prespect, Illinois mailing address because the Wheeling Post Office did not have delivery service.

Note: Mary Schmidt had two children with her first husband, William Weidner, who died suddenly. She then married Quirine Weidner, and there were seven more children. Reportedly her logic for marrying another Weidner was that the children would have fewer problems, if they all had the same last name.

The eldest child, Lorena became the mother of Edward\*, Rudy, Marvin 'Syke', Harry, Richard, Danny, and Arthur Horcher\*, and Delores Horcher Zettek.

A memorial service to celebrate the life of Marvin O. "Syke" Horcher, formerly of Wheeling and Mountain Home, Ark., will be held at 11:30 a.m. Tuesday, at St. Thomas the Apostle Catholic Church, 451 W. Terra Cotta Avenue (Route 176), Crystal Lake. He died Thursday, April 29, 2004, at his home.

Mr. Horcher was a World War II veteran who served with the 34th Infantry Division from North Africa to Italy. He was awarded the Bronze Star and Purple Heart for bravery.

# Longtime police chief of Wheeling

By Marc Shepard  
Special to the Tribune

Marvin O. Horcher joined the Wheeling Police Department after World War II and practically was the department.

"When dad started, Wheeling was a one-policeman town," said his daughter Rosemarie. "The chief gave dad a hat and gun and said, 'Go to work.'"

Mr. Horcher, the police chief for 22 years, stressed professionalism in building a department that today has about 70 officers.

"He was a man of integrity and always looked out for his fellow officers," said Brian Jacobson, a Wheeling police officer. "If there were problems in the department, he would always get them resolved."

"I credit him with encouraging me to join the FBI," said Chris Quick, a friend. "I always aspired to be like him. He taught me that the job is part psychologist, part social worker, and part law enforcement officer."

Mr. Horcher, 78, died of congestive heart failure Thursday, April 29, in his Crystal Lake home, where he lived with his wife, Ellie, since 2000.

Born in Wheeling, Mr. Horcher

Marvin O. Horcher

er was the second oldest of nine children. He left school in the 8th grade to work on the family farm. Mr. Horcher recently published a book, "Wheeling Wonderland," dealing with his adventures in World War II and his years as police chief.

The book tells of his joining the Army at 17 and fighting in North Africa and Italy. While in Italy, Mr. Horcher was in a building hit by a bomb.

Buried in the rubble, he dug himself out and began assisting

medics. A second bomb exploded, killing those around him. Mr. Horcher received a Bronze Star and Purple Heart.

After he was discharged in 1944, Mr. Horcher joined the Wheeling Police Department, retiring in 1977.

Mr. Horcher and his wife moved to Arkansas, where he helped to set up a Salvation Army post. In 1982, the couple returned to Wheeling.

"My father was a remarkable man, not because he was a police officer or vet, or because he won awards, but because he opened his door to everyone," his daughter said. "People who were down on their luck and came to the police station were always welcome at our house. ... It wasn't unusual to have 12 people at dinner."

Other survivors include five more daughters, Judy, Roberta, Terrie Andresky, Patti Yellin, and Laurie Sweeney; a sister, Dolores Zetteck; five brothers Ray, Harry, Danny, Rudy and Richard; and 12 grandchildren.

Mass will be said at 11:30 a.m. Tuesday in St. Thomas the Apostle Catholic Church, Oak Street and Illinois Highway 176, Crystal Lake.

## Former Wheeling police chief dies

5-2-04

By ERIC KROL  
Daily Herald Staff Writer

Marvin O. "Syke" Horcher was a decorated World War II veteran, a longtime Wheeling police chief and a self-taught man knowledgeable about Latin American affairs.

But his family says his greatest legacy is the kindness he showed to everyone he met. Horcher died Thursday from a heart problem at his home in Crystal Lake. He was 78.

Part of a one-man police force in then-tiny Wheeling after the war, Horcher became police chief in 1955 and served until he retired in 1977.

Born and raised in Wheeling, Horcher left school in eighth

grade to work the family farm. He enlisted in the Army at 17, fighting as an infantryman in North Africa and Italy. It was from service in the latter country that Horcher was awarded the Purple Heart. He was in a building that was hit by a bomb, dug his way to freedom and helped medics as bombs continued to explode.

Horcher's car carried a Bronze Star license plate with the letters BZ and numbers 1944, the year he won his medal for crawling under enemy fire to deliver ammunition and food to troops under attack.

While he was proud of his service to his country, Horcher did not glorify his combat duty.

"There is no glory in war. It's

hell," Horcher told the Daily Herald in 1996.

A few years ago, Horcher wrote a book, "Wheeling Wonderland," which detailed his life and Wheeling's growth the past half-century.

In the book, Horcher recalled a scandal involving the 1960 Chicago Summerdale police cover-up of an auto parts rip-off scheme. Some Wheeling officers apparently were buying cheap auto parts, unaware they were stolen. Horcher wrote that he informed the Chicago police, but nothing was done. The scandal later was uncovered and led to a shake-up in Chicago's police department.

Horcher and Ellie, his wife of 53 years, also hosted foreign

exchange students for 25 years. Those students' perspective on U.S. foreign policy led Horcher to lobby Congress to close the School of the Americas, which has trained Latin American military types, some of whom have been involved in murder and torture.

A memorial service will be held at 11:30 a.m. Tuesday at St. Thomas the Apostle Catholic Church, 451 W. Terra Cotta Ave. (Route 176) in Crystal Lake. In lieu of flowers, donations may be made to Mount St. Joseph, 24955 N. Hwy. 12, Lake Zurich, 60047.

# Wheeling mourns 2 dedicated residents

5-7-04

If you were to define service, you might see pictures of the late Marvin O. Horcher and Arlene Herbert. Wheeling recently lost these two dedicated residents.

Horcher defined service not only to Wheeling but to the country. Horcher was a World War II veteran who served with the 34th Infantry Division from North Africa to Italy. He was awarded the Bronze Star and Purple Heart.

After his military career was over, Horcher went on to pro-

tect Wheeling by serving the Wheeling Police Department for 28 years, 22 years as chief of police, until retirement in 1977.

Then after hanging up his Superman cape, Horcher

went on to write a book about his life.

"Wheeling Wunderland," a story about his life while growing up in Wheeling, and his experiences as a soldier in World War II and his work on a one-man police force.

Herbert, who started the children's resale shop Kiddo Ditto, used her business as a vehicle to help others.

## Wayne T. Huberty

 Wayne T. Huberty, age 76, known by many as Sonny, died suddenly Sunday morning, August 23rd, at Lake Forest Hospital.

He was born August 28th, 1938 in Chicago to Earl and Dorothy (Ackerman) Huberty. He married the love of his life, Ethel Dawson, on June 27th, 1959 at St. Thomas Church in Arlington Heights.

Before his retirement, Wayne was a 40 year employee of Ecko Products in Wheeling, where he and his family lived for 30 years. Wayne and Ethel then built a home and moved to McHenry in 1995.

A quiet man with a big heart, Wayne loved the outdoors and enjoyed wildlife. He was an avid deer hunter, but most of all he treasured the time he spent loving and laughing with his family.

He is survived by his wife of 56 years, Ethel; three children, Tina (Donald) Murray, Kimberly (Daniel) Moritz, Jennifer (the late Jimmy) Weinberg; eight grandchildren, Madison (Wesley), Colin, Kayleen, Emily, Wayne, Lindsey, Alexandra, Grace; and his sister Deann (Larry) Carlson.

Michael Huth ~1943 — 2006

## Man dedicated his life to service of others

BY MIKE RIOPELL

Daily Herald Staff Writer

What made Michael Huth of Mundelein a powerful figure also made him a gentle one.

The Wheeling Fire Department, where he worked as a paramedic for 27 years, was an outlet for his compassion and willingness to help others.

"His whole thought process revolved around helping people in crisis," said Mr. Huth's wife, Debra Huth.

She said her husband was a large but gentle man, whose presence made others feel safe.

"He filled a doorway," she said. "Babies felt safe in his arms. The elderly felt safe in his arms."

Mr. Huth, 63, died Tuesday, April 4, after a three-year battle with lung cancer.

He didn't smoke, Debra Huth said, and the disease was likely brought on by his service as a

Michael Huth

for a cat, Roxy, he rescued while on the job years ago.

Longtime friend Chuck Conway spent many years working with Mr. Huth, often riding to calls in the same ambulance with him.

"He was a good one to go into the fire with," Conway said.

Conway said Mr. Huth often brought fun to the firehouse, and an otherwise stressful job. He sometimes sang folk songs in the ambulance on the way back to the station after a call.

In addition to his work with the Wheeling department, Mr.

firefighter.

"He never regretted his service," Debra Huth said. "Ever."

That service included a love for animals. His family still cares

Huth founded a mowing company, MAC Inc., which he operated between fire shifts.

He named the company for his three children, Melissa, Anthony and Courtney.

Debra Huth said he tried to use neighborhood projects to pass along to his children his ideals of helping others. Every year, each child had to choose a family in the neighborhood to be especially kind to.

So all year, the child could mow the lawn or take out the garbage for people who might have trouble doing it themselves.

Now, all three work in service industries of some kind.

Mr. Huth is survived by his wife and three children, as well as a brother, sisters, nieces and nephews.

Arrangements were made by Kristan Funeral Home in Mundelein. For more information, call (847) 566-8020.

**I'm Free**

Don't grieve for me, for now I'm free. I'm following the path God laid for me. I took His hand when I heard Him call. I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way. I've found that peace at the close of day. If my parting has let a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, ah, yes, these things I too shall miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full, I savored much. Good friends, good times, a loved ones touch. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts and share with me. God wanted me now; He set me free.
