# Friends, family remember actor

BY AVIAN CARRASQUILLO

Daily Herald Staff Writer

He had a lot of roles throughout his acting career, but Louie

Lanciloti is best remembered by his wife, Carole, as a loving husband.

The 69-year-old Lanciloti, who didn't start acting until the age of 38, carved out

a niche for himself as a character actor and found a real passion for his craft in commu-

Louie Lanciloti

nity theater.

Despite several notable performances in films like "Ferris Bueller's Day Off" and "Sixteen Candles," the Wheeling resident never considered acting a job, more of a hobby. His real job was as an ornamental contractor, Carole recalled.

Not that Lanciloti didn't take his work seriously or pursue stardom, but after six months in Los Angeles and six months in New York City without a job, Lanciloti came back to the Chicago area, and only pursued acting as a hobby.

Louie Lanciloti performs in the play "Sweet Charity" put on by the Des Plaines Theater Guild in the early '90s. Although known for his film work, Lanciloti loved to do community theater. The Wheeling resident died July 27.

came opposite Robert De Niro in "The Untouchables," where he played Al Capone's barber in the opening scene.

Vince Viverito, a good friend of Lanciloti's, also worked with him on "The Untouchables." Viverito played one of Capone's henchmen, who was killed in the infamous baby carriage scene before he could get to Eliot Ness.

"Louie was a character and a half. He was the sweetest guy you could ever know," Viverito said.

One of Viverito's fondest memories of Lanciloti was on a job the two shared in theater.

"It was no secret that Louie liked to eat, and on Saturdays in between performances they would serve food. Despite warnings from staff to stay away from sugar, Louie would fill up his plate, and it just so happened that Cloris Leachman, the lead actress in the play, caught him and threw his plate in the garbage."

"Well, to put it modestly, Louie lambasted her for it. Needless to say she never bothered Louie again," Viverito said.

Wheeling Village President Greg Klatecki met Lanciloti when he was on the park board in the early '90s. The two shared the stage briefly in the Wheeling Park District's production of "A Tribute to Cole Porter."

"He was just one of those guys you instantly liked. He always told you what was on his mind. When you left Louie you felt good," Klatecki said.

The Lancilotis were on their dream vacation on June 2, visiting parks in various states, when Lanciloti started getting sick.

Lanciloti, who had a number of illnesses stemming from his diabetes, died in his home on July 27 from lung cancer.

"He said, 'If this ends badly, I have no regrets. I've done what I wanted to do,'" Carole said.

# Lang recalled for his love of Wheeling

By CASEY MOFFITT  
STAFF WRITER

Albert Lang, a former Wheeling trustee and a founding member of St. Joseph the Worker Church, died Oct. 21 at the age of 78.

Lang, a 46-year resident of Wheeling, was known as a community activist who never wanted to leave the village after he moved there.

"He had a great love for the town," said Ray Lang, a surviving son. "I remember I always asked him when I was younger, 'Why do you keep sticking around here?' And he would say, 'I love it here. All my friends are here.' We couldn't go out to a local store without him stopping and talking to about a half dozen people."

Albert Lang was appointed to the Wheeling Village Board in 1969, and he continued to serve on the board until 1979.

As a trustee, he was known for his quiet, steady, but effective leadership, said William Hein, who served with Lang on the Village Board as its president and as a trustee. Hein said Lang was a strong proponent of expanding public transportation and was instrumental in continuing the growth of industry in Wheeling.

"There were, at the time, some people on the board thinking about building more homes," Hein said. "Al was concerned about the tax base. We didn't really have a lot of retail stores, so he wanted an empha-

sis on industrial growth. ... He didn't want Wheeling to become a bedroom community."

Hein also said Lang was somebody people counted on when they needed a hand or a little help.

"He volunteered for everything," Hein said. "He didn't make a big deal out of it, but he was always a part of it. He always did his share and then some."

In 1958, Lang got together with other members of the Knights of Columbus to help found St. Joseph the Worker Church, where he was a regular parishioner up to his passing. Ray Lang said the group gathered in a meeting hall before the church was built. Albert Lang and his fellow Knights of Columbus helped clear the land of chicken coops and other farm structures for the church to be built.

Lang was also a Grand Knight in the Knights of Columbus and a member of AMVETS Post 66 in Wheeling.

Ray Lang is now a member of the Wheeling Plan Commission, and he said his father influenced him to become more involved in the community.

"He was an inspiration in how much he loved the town," Ray Lang said. "We was very proud of this town and wanted to live here forever."

Lang died at Highland Park Hospital from congestive heart failure. He had heart surgery about six weeks before his passing, and postoperative complications resulted in the heart failure, Ray Lang said.

## Former Wheeling trustee boosted industry, transit

By Stefanie Dell'Aringa  
Special to the Tribune 10/23/04

Albert W. Lang, a former Wheeling trustee and a longtime community resident, helped establish an industrial park and develop bus service in the northwest suburb, as well as found its first Catholic church.

The 48-year resident couldn't walk into local stores without being recognized by a dozen people, family members said.

"He was so interested in his village and wanted to see it thrive so much that it was one of the reasons I became a village plan commissioner," said his son Ray.

Mr. Lang, 78, died of heart failure Thursday, Oct. 21, in Highland Park Hospital in Highland Park.

Born in Chicago, Mr. Lang graduated from Lane Tech High School in 1944. He then went into the U.S. Air Guard, serving as an airplane mechanic stationed first in Germany, then at Virginia's Langley Field.

While on leave, he met Josephine Cangelosi in Mauston, Wis., and they married in 1951 in Chicago.

A year later, he took a U.S. Department of Defense job, based at O'Hare International Airport, that involved inspecting military equipment. In 1956, he and his wife moved to Wheeling.

From 1969 to 1979, Mr. Lang was a trustee for the village of Wheeling. At that time, realizing the need for a strong tax base, he spearheaded the industrial park, said former Wheeling Mayor William Hein.

After serving on the board, Mr. Lang was appointed commissioner of the Nortran Regional Committee, where he helped develop transportation services for Wheeling residents.

"In those days, bus service was very fragmented," Hein said. "He was very instrumental in developing the system we have today."

That system includes Pace buses.

Albert W. Lang

Since there was no Catholic church in Wheeling when he moved there and worshipers attended mass in a banquet hall, Mr. Lang helped found St. Joseph the Worker Catholic Church.

"He was a very highly moral and ethical man, a strong church member and definitely a leader in the community," Hein said.

Mr. Lang retired in 1982 from his government job. Two years later, he opened Lincoln Park Travel Agency in Chicago with his wife, eldest son and youngest daughter. He and his wife enjoyed taking trips to Mexico and Europe.

Mr. Lang also loved history and trivia, often delivering rapid-fire answers to questions.

"He was very knowledgeable and could answer any 'Jeopardy' or Trivial Pursuit questions practically before the question was finished," his son said.

Mr. Lang was a past grand knight of the Knights of Columbus and a member of Amvets Post 66.

Other survivors include his wife; five daughters, Julie, Mary Obodzinski, Rose Ruffatto, Sue Crady and Terese McDonald; another son, Al; and 18 grandchildren.

A mass will be said at 10 a.m. Monday in St. Joseph the Worker Catholic Church, 181 W. Dundee Rd., Wheeling.

# Former Wheeling trustee mourned

*Albert Lang's kindness recalled in particular*

BY AVIAN CARRASQUILLO  
*Daily Herald Staff Writer*

Former Wheeling Trustee Albert Lang, who died earlier this week, was remembered Friday as "an all-around good guy" who pushed to bring industry to the village.

Lang died Thursday in Highland Park Hospital at the age of 78. The official cause of death has not been determined.

Lang served as a trustee on the village board from 1969 to 1979. He was also a founding member of St. Joseph the Worker Parish.

"He was a very good trustee. He listened to people and really cared about the village," said Bill Hein, a former village president and trustee who served with Lang.

"He was instrumental in addressing Wheeling's early transportation needs and

making it an industrial base. Al was just an all around good guy."

Albert's son Ray, a plan commissioner for the village, said he inherited his own love of the village from his father. Albert's son-in-law, Jim Ruffatto, also serves as a member of the plan commission.

"He was a real friendly, honest, hard-working person and loved to travel," Ray Lang said of his father.

Current trustee Dean Argiris, is a neighbor of Ray's who has gotten to know the Lang family over the years.

"Al was a great guy," Argiris said. "This is a big loss to the village."

Born in Chicago in 1926,

Albert Lang

Albert Lang is shown being sworn in as a Wheeling trustee in 1971 by village clerk Evelyn Deans.

Albert Lang moved to Wheeling in 1956.

Lang worked for 30 years for the Department of Defense. After his retirement, he opened a travel agency in Chicago with family members called Lincoln Park Travel. The agency is still around.

In addition to his work for the village, Lang was a Grand

Knight of the Knights of Columbus and a member of AMVETS Post No. 66.

Visitation for Lang will be Sunday from 1 to 8 p.m. at Kolssak Funeral Home, 189 S. Milwaukee Ave., Wheeling. A funeral mass will be held at 10 a.m. Monday at St. Joseph the Worker Parish, 181 W. Dundee Road, Wheeling.

PRAYER

Remember, O most gracious Virgin Mary  
that never was it known that anyone who  
fled to thy protection, implored thy help,  
and sought thy intercession, was left un-  
aided. Inspired with this confidence, I fly  
unto thee, O Virgin of virgins, my Mother.  
To thee do I come, before thee I stand,  
sinful and sorrowful. O Mother of the  
Word Incarnate, despise not my petitions,  
but in thy mercy, hear and answer me.

Jesus, Mary, Joseph,  
My Jesus, mercy,  
O Sacred Heart of Jesus,  
I place my trust in Thee.

# Services Saturday for Wheeling activist Lorraine L

by Jim Davis

Herald staff writer

Lorraine Lark, one of Wheeling's most prominent community leaders, died Wednesday after a month-long illness.

An autopsy will be conducted to determine the exact cause of death, but Mrs. Lark, 48, was undergoing treatment at Columbus Hospital, Chicago, to discover the source of an ailment that was causing liver and kidney failure.

She had served on the Wheeling Park

Board since 1967, eight of those years as president. Mrs. Lark also spent 15 years at village hall, starting as a clerk. She was the village's purchasing and payroll officer at the time of her death.

But beyond her official involvement in village affairs, her friends say, was a deep concern for other people and a willingness to pitch in and help.

MRS. LARK'S community involvement ranged from serving on numerous school and church organizations, the village historical society to organizing Wheeling's "Lollipop Lane," in

which she and other volunteers saw that there were free toys and lollipops for children at Christmas as well as presents for the residents at Addolorata Villa, a home for the aged.

"I think what she did came from a love of Wheeling," said Park Director David Phillips. "She came to the defense of the good name of Wheeling and its citizens countless times."

Mrs. Lark chaired a special citizens committee formed when the village wanted to become a home-rule community. That committee recommended, and the village board adopted,

measures limiting the broader taxing powers that accompanies home-rule powers when the proposal was approved by the voters in 1977.

When Wheeling was embroiled in political turmoil after the firing of former Village Mgr. Terry Zerkle, and some citizens were clamoring for greater accountability of their elected officials, Mrs. Lark headed another special committee to study the issue.

THE RESULT was a recall ordinance, the first one in Illinois, giving voters the power to remove public officials from office.

## Lorraine Lark

Lorraine Lark, 48, of Wheeling, died Sept. 17 at Columbus Hospital in Chicago. At the time of her death she was purchasing and payroll clerk of the Village of Wheeling.

Born Jan. 28, 1932, in Chicago, Mrs. Lark served as commissioner of the Wheeling Park District for 11 years. She was a member of the Wheeling Historical Society and was a member and past president of the Catholic Women's Club at St. Joseph the Worker Church in Wheeling.

Survivors include her husband, Donald; sons David (Mary), of De Kalb, and Scott,

of the home; a granddaughter, Amanda; her mother, Eleanor Swieczkowski, of Des Plaines; and three sisters: Geraldine Mann, Elaine Hintz and Joan Jones. She was preceded in death by her father, Stanley.

Services for Mrs. Lark were held Sept. 20 at St. Joseph the Worker Church. Kolssak of Wheeling Funeral Home was in charge of arrangements.

The family would be grateful for memorials to the Wheeling Park District, Wheeling High School Choral League, or the Wheeling Paramedics.

# Colleagues remember Wheeling's Scott Lark

BY AVIAN CARRASQUILLO

Daily Herald Staff Writer

Scott Lark, 45, water supervisor and an employee of the village of Wheeling for more than 20 years, died Monday morning.

Lark was discovered in his home Monday morning when he failed to show up for work.

The Cook County medical examiner's office ruled the cause of death as dilated cardiomyopathy, a serious heart condition that causes the heart muscle to weaken and lose strength to pump blood

throughout the body. The condition often goes undiagnosed the medical examiner's office reported. Jeff Kopper, Wheeling street division supervisor, was a friend and co-worker of Lark's for more than 30 years. Kopper was shocked to learn of Lark's death.

“Scott was very dedicated to the job and the community. He lived and breathed Wheeling,”

Chuck Spratt, director of public works

“He seemed fine, which added to the shock. No one suspected that anything was wrong with him,” Kopper said.

Kopper recalled a recent fishing trip to Canada he and Lark shared.

“We had a great time fishing, driving around, and getting to see a different part of the world,” Kopper said.

Kopper mentioned that over the years Lark had played and coached on softball teams, and was a well-respected and trusted member of the community who will be missed.

Steve Morris, sewer division supervisor, friend and colleague, remembers Lark as a very generous man.

“If he knew someone needed something and couldn't afford it, he'd buy it and pretend he needed it, and then somehow it would end up getting to the right person,” Morris said.

Morris said that although Lark did not have any children of his own, he had many surrogate nieces and nephews.

“A lot of us that worked with him have kids, they all knew him as uncle Scott and grew up being spoiled by him,” Morris said. Chuck Spratt, director of public works, said Lark's passing is a major shock to the department.

“Scott was very dedicated to the job and the community. He lived and breathed Wheeling,” Spratt said. Spratt recalls that Lark was also a great salesman.

“He could go into a budget meeting and be told he wasn't going to get any extra money, but he'd find a way to talk the trustees into giving him something,” Spratt said.

James Lang, public relations coordinator of Wheeling, offered his sympathies.

“Our prayers and thoughts go out to his family and friends. It's somber moments like this that make life surreal,” Lang said.

Trustee Judy Abruscato fondly remembers Lark as a vocally talented student at Wheeling High School, where he sang in the Madrigals musical choir.

“He had the nicest voice you've ever heard. He was a gentleman. Scott was dedicated to the village, like his parents,” Abruscato said.

Both of Lark's parents, Donald and Lorraine, now deceased, served on the Wheeling park district board. The atrium in the village hall is dedicated to the memory of Lorraine Lark. Lark is survived by his brother Dave, who lives on the East Coast.

Visitation for Lark will be from 3 to 8 p.m. Friday at Kolssak Funeral Home, 189 S. Milwaukee Ave. in Wheeling. A memorial service will follow at 8 p.m.

Gina Marie Lauchner

A memorial visitation and service for Gina Marie Lauchner (nee Fontechia-Drewes) and her husband J.B. James Barrett Lauchner, will be from 3 until 8 p.m. time of service Nov 5 at the Kolasek Funeral Home, 188 S. Milwaukee Ave. (two blocks south of Dundee Road), Wheeling.

The Lauchners were killed when their small plane crashed into a mountain ridge in a state park 50 miles east of the San Diego Airport. Their single engine plane was en route from San Diego to Scottsdale on Oct. 17. They had just attended the 50th anniversary of the Minnstar Air Show at the United States Marine Corps air station in San Diego.

Mrs. Lauchner was pure light and pure joy. She was spontaneous and frantic. Being with her was exciting and fun-filled. She loved children and interacted with them at concerts, plays and museums. She readily contributed to all their fund-raising projects. She displayed much love for others with her own homemade greeting cards. Gina did not seem herself in her encounters

with others, she made them feel important. She was intelligent, selfless and wise. Her counsel came only when asked for and after she carefully listened.

She received her education in District 21 and graduated from Wheeling High School in 1985. She received a B.A. in psychology from Northwestern University in Chicago. She married J.B. in May 1994.

Mrs. Lauchner is survived by her parents, Patricia and Earl Drewes; and Joseph Fontechia, her sisters, Lisa Fontechia of Florida, Michelle Marie Haines of Ill. and Teresa Drewes of Wheeling; and her grandparents, Joseph and Mary Fontechia. She is also survived by her parents-in-law, Lou and her husband, Willy Robinson of Florida; Art and Bill Lauchner and his wife, Nancy of Ohio; Walter, M. Lauchner, son, Jason (Harriet) and his daughter, Lisa (Laurie); and Mrs. Lauchner's brothers-in-law, Dennis (Lisa) Lauchner and Greg (Michelle) Lauchner of Scottsdale.

In lieu of flowers, the family asks that you donate to one's favorite charity in the hopes that others will be inspired to carry on the Lauchner legacy of giving.

# Wheeling trustee's impact, kindness remembered

1-15-05

BY AVIAN CARRASQUILLO  
Daily Herald Staff Writer

Even though he learned he was ill, Wheeling Trustee Trevor Lehmann was too concerned about his wife to think about himself.

Lehmann, who lost his battle with amyotrophic lateral sclerosis Thursday with his wife, Jennifer, at his bedside, is remembered by many for his thoughtfulness of others.

Reading Friday from an e-mail her husband sent her shortly after his diagnosis with

Trevor Lehmann

ALS, Jennifer Lehmann read some of his thoughts never before shared with anyone.

"I've been struggling with the news and I have no answer why it happened to me, but I will not go quietly into the night," Lehmann wrote. "I will fight this disease until there is no breath in my body. ... Looking ahead I'm sorry you have to go

through this. I hope a cure is found in time. A cure needs to be found, I want to do everything I can to spread awareness."

"Even though he was the one with the disease, he was thinking about me," a tearful Jennifer Lehmann said.

Despite Lehmann's death, Jennifer Lehmann said she would like to continue to raise awareness of the disease, and has her sights set on ALS awareness month in May.

Lehmann's colleagues at the Century 21 Real Estate office in

Wheeling, which he co-owned with his mother, Marcia, remembered him Friday as a team player who made everyone feel equally important.

Realtor Mike Kurgan said Lehmann was a kind person.

"Trevor was the type of person that cared about everyone. He was a person that had a vision. He never saw the small picture, always the big picture. I will miss him," Kurgan said.

Realtor Bill Hein recalled Lehmann's love of the commu-

nity and those around him.

"Trevor had the ability to get people involved. He would feed off their opinions and formulate a plan that made everyone feel important. He was a visionary and will be missed," Hein said.

In May, the village honored Lehmann by dedicating a plaque in his honor at a water fountain on the northeast corner of Milwaukee Avenue and Dundee Road. The plaque reads, "for undaunting efforts in making Wheeling a true community of choice."

Daniel Ozanich, Wheeling's director of community development, said it was Lehmann who not only coined the term

"Community of Choice" for Wheeling, but worked to make it true.

Lehmann's efforts went a step further Thursday as the plan commission OK'd the final plan for the Westin North Shore hotel and retail development, a project Lehmann was passionate about.

Developers of the Westin hotel said Thursday night that some form of recognition for Lehmann's contribution would be put up once the project was completed.

Trustee Dean Argiris, a close friend and business associate of Lehmann, said he will miss him, but was glad that he was at peace.

The Lehmann family has asked that in lieu of flowers,

donations be made to the Les Turner ALS Foundation or the Century 21 Scholarship Fund, which helps select Wheeling High School graduates attend college.

To contact the Les Turner ALS Foundation, call (847) 679-3311 or (888) ALS-1107. To make a donation to the Century 21 Scholarship Fund, call (847) 541-6700.

Visitation for Lehmann will be from noon to 8 p.m. Sunday at Kolssak Funeral Home, 189 S. Milwaukee Ave. in Wheeling.

The funeral procession begins 10 a.m. Monday at Kolssak.

The funeral Mass will be held 11 a.m. Monday at St. Joseph the Worker Church, 181 W. Dundee Road in Wheeling.

# ALS takes Lehmann ... but he leaves lasting legacy

Wheeling mourns this week after the loss of Trustee Trevor Lehmann. The 37-year-old trustee died Jan. 13 from amyotrophic lateral sclerosis, but he leaves behind a lasting legacy.

Lehmann's dedication to the village is evident today with several projects that have been completed or are in the works, such as the Westin North Shore hotel, which will be built just south of Lake-Cook Road on Milwaukee Ave.

A fountain dedicated to Lehmann for his work throughout the village sits down the street from that project on the corner of Dundee Road and Milwaukee Avenue.

What colleagues and family found most remarkable about Lehmann were his determination and unselfishness, even while facing a horrible disease.

Also remarkable was that despite being ill, Lehmann and his wife, Jennifer, became advocates to find a

cure for ALS, raising money to help others with the disease. Lehmann had the ability to touch those around him, including family, friends, colleagues and casual acquaintances. This was evident Monday as hundreds filed into St. Joseph the Worker church to pay their last respects. Lehmann, however, had one last lesson to share, with a letter documenting his final thoughts. "I learned that you should never put off until tomorrow what

you could do today: Life doesn't always work out the way you think it should," he wrote. The Lehmann family has asked that in lieu of flowers, donations be made to the Les Turner ALS Foundation. To contact the Les Turner ALS Foundation, call (847) 679-3311 or (888) ALS-1107.

**RAY LESCH**

Ray Lesch, genial proprietor of La Ray's Cafe, has served Wheeling well in the thirteen years he has lived here.

He spent the years from 1937 to 1947 serving as Chief of Police. Prior to this he served on the Cook County Police Force for six years.

Although not connected directly with all the community organizations, Ray has always taken an active interest in civic affairs. He is now serving as Worthy Patron of the Eastern Star and as Worshipful Master of the Masons.

Ray and his wife, Laura, are both originally from Welcome, Minn. They moved from there to Mt. Prospect in 1927, where they lived for ten years before moving to Wheeling.

The Leschs have two sons; Eugene, who is at home to assist in the restaurant, and Victor, who is now a junior at Western State College.

# POLICE CHIEF OF WHEELING IS KILLED BY CAR

Friday Oct 11 1935

## State Police Car Guard- ing Milk Truck Cara- van is in Accident

Herbert Ray Lesch, police chief of the village of Wheeling was killed Tuesday afternoon in an accident with a state police car occupied by Sergts. M. C. Baughman of Pontiac and John Thean, of Sterling, who with four other police cars were accompanying a caravan of trucks, northbound, upon Milwaukee avenue.

Conflicting stories are in circulation regarding the direct cause of the accident, and due to absence of a driver of one of the milk trucks who witnessed the accident, the inquest which was opened Wednesday at Des Plaines, was postponed two weeks.

Short funeral services are to be held at the Wheeling village hall Thursday afternoon at 2:30, after which the remains will be taken to Welcome, Minn., the home town of both Mr. and Mrs. Lesch.

Present indications are that Chief Lesch was riding his motorcycle alongside of one of the police cars when one of the milk trucks swerved out to pass a car, the police escort started to follow also Mr. Lesch on his motorcycle. The latter apparently started to make a wide turn as for the purpose of returning to Wheeling. In some way the rear of his motorcycle came into contact with the side of the police car, throwing the officer to the pavement, knocking him unconscious.

The accident was also viewed by Mrs. H. C. Barrett, who called her husband and who took the injured officer to the Wheeling hospital. Death came an hour later.

Mr. Lesch had been chief of police of Wheeling two years. He served in a like capacity for the village of Mt. Prospect during 1929 and 1930.

And they brought young children to Him, that He should touch them; and His disciples rebuked those that brought them. But when Jesus saw it, He was much displeased, and said unto them: "Suffer the little children to come unto me, and forbid them not; for of such is the Kingdom of God.

Verily, I say unto you, whosoever shall not receive the Kingdom of God as a little child, he shall not enter therein." And He took them up in His arms, put His hand upon them, and blessed them.

## PRAY FOR THEM

Mrs. Frances Crane Lillie died in St. Louis, Mo., Feb. 2. She was born in Chicago, 88 years ago, but had spent the last few years with her daughter, Dr. Margaret Gildea, in St. Louis, Mo.

Mrs. Lillie, daughter of Richard and Mary Crane, was the wife of Dr. Frank Rattray Lillie, dean of the Division of Biological Sciences at the University of Chicago, and for 50 years head of the Marine Biological laboratory at Woods Hole, Cape Cod.

Mrs. Lillie was received into the Catholic Church, in London, in 1920, largely influenced by her correspondence with Baron Friedrich von Hugel.

Shortly after that she became a member of the Third Order of St. Francis. For many years she was active in the designing and making of vestments with the Altar Guild of St. Thomas the Apostle church.

She was a charter member of the original Chicago Calvert club, which later evolved into the present Calvert club, the Newman club of the University of Chicago.

From time to time Mrs. Lillie had made her country home, Childerley, available to Catholic students at the University of Chicago. Late in 1939 she made a gift of Childerley for the use of Catholic

students and Alumni of the University for retreats and conferences. Since then Childerley has been used almost 500 times by thousands of students of all ages.

Funeral services were held Feb. 5 in Woods Hole, Mass. Solemn Requiem Mass was celebrated in St. Joseph church by the pastor the Rev. Bernard H. Unsworth, assisted by the Rev. Thomas B. McDonough of Chicago, assistant chaplain of the Calvert club, who represented the Calvert club and the Calvert foundation at the funeral.

Monsignor Joseph D. Conner-ton, chaplain of the Calvert club, celebrated Mass for Mrs. Lillie at Childerley on Feb. 7. The Calvert club was in retreat at the time.

Mrs. Lillie is survived by four daughters, Dr. Catherine Bacon, Dr. Margaret Gildea, Mrs. Mary Prentice Barrows and Mrs. Emily Ann Cramer, and an adopted son, Albert R. T. Lillie.

Muriel Lischett, March 1, 1996

Muriel Lischett, longtime Wheeling resident and one of the original founders of the Wheeling Library, passed away June 6. In 1955, Muriel led a small group who explored the possibility of establishing a public library in Wheeling. Three years later, she and other volunteers held a "Book and a Buck" drive, collecting more than 2,000 books and \$450 in donations to form the nucleus that would grow to become the Indian Trails Public Library District.

Muriel worked at the library for decades in various positions and passionately believed in the mission of the library to encourage literacy and bring books to the community.

She will be missed.

When Northbrook School District 27 officials instituted a new reading curriculum last year, John Logan, assistant superintendent for instruction, didn't just send out a memo. He went into the classroom and worked with a teacher to make sure the intricacies of the program he designed would work.

"One comment I hear consistently from teachers is, 'He came over and lived the program. He didn't just tell us to do that,'" Superintendent David Kroeze said. "That's a classic way of how John tried to work with teachers. He didn't leave things to chance. John was a very results-oriented person. He didn't tolerate mediocrity very well."

Logan

Logan's professionalism, affability and integrity were remembered by colleagues and friends upon hearing of his death Aug. 10 from a heart attack. He was 48.

"I was looking for someone who had a lot of content expertise," Kroeze said of his reasons for hiring Logan as reading and language arts coordinator for Wheeling Elementary School District 21 in 1986, when Kroeze was superintendent there.

When Kroeze became superintendent of District 27, he brought in Logan in 1994 as assistant superintendent. Over the last six years, Logan had a hand in rewriting and updating the district's curricula for some 15 subject areas.

"He had a great understanding of what children needed to learn in reading and language arts," Kroeze said. "He could always keep in front of everybody the importance of understanding the relationship between content

and instruction and the way to help people to implement programs."

In between his jobs in Wheeling and Northbrook, Logan was the K-9 curriculum coordinator for the Saudi Aramco Schools in Dhahran, Saudi Arabia, for a year. While there, he co-founded the Arabian Reading Association.

"To me the word gentleman, as in 'gentle' and 'man,' really defines John," said Janet Greenberg, a District 27 School Board member since 1993. "He was just a lovely, caring humanist, bright and talented, and he contributed so much to the district. His loss is just a tremendous loss — personally, professionally and in every way."

Logan, who had been complaining of back pain, was found lying on the floor of his Arlington Heights town house by Kroeze, who had gone there when Logan failed to attend an administrative meeting Aug. 10.

JULY 30, 1943

The Nick Loibl family of Wheeling recently received the following letter from their son, Corp. Matthew Loibl, written on June 4, "somewhere in Africa."

"The fighting in North Africa is already two weeks in the past, but life here hasn't changed much for us. The sun's still hot. The days are still long, and the bugs still bite just as hard.

"But there's one sure sign that things have changed. It's the style now to sport a Jerry helmet on the radiator of your truck or jeep. These helmets are squarish, box-like affairs that make our round tin pots look like streamlined bonnets. It's a sight to see a mud splattered G. I. truck roll down the road, a cloud of African dust trailing and the helmet, a Nazi scalp, leading the way.

"Most of our trucks (the army calls them vehicles) have acquired names. British drivers go for sentimental names reminding them of girls back home—like "Madge," "Elinor," and "Sarah Jane." Most G. I. drivers prefer monickers like "Buck Rogers," "Hitler's Hearse," or "Balol."

"Those newspaper stories about all the prisoners we took in Tunisia didn't lie. You should have seen that long column of German and Italian trucks, miles and miles of them puffing their way around those sharp African curves on the way to prison camps. Yes, it's true that many of the prisoners drove themselves to the big stockade. And it's true that lots of them did not seem too unhappy about the deal. Many, especially Italians, were smiling and singing.

"At last the fellows are getting a look at some of this German equipment, and the Nazis left a big pile of it behind. Of all the guys, I guess, the fellows in the radio section are most pleased, because no matter what else you say about him, Jerry certainly knows how to build a radio.

"Now that the shooting is over for a while in North Africa, Uncle Sam has lifted a few censorship restrictions. At last I can tell you where we landed and where we've been—but not where we are now. We landed on the Atlantic coast of French Morocco and those first letters were written from cities there. Later, we crossed Morocco and entered Algeria.

"I got into Oran once and rode a street car—and had a swim in the Mediterranean. Then when things were getting really hot in Tunisia, we moved in the back door, and the first Germans we saw were

either dead or prisoners. That's about as much as I can say.

"We've read and heard a lot about the Germans and there isn't a dogface in Africa who doesn't respect them as mighty tough customers. But you'll be glad to hear that the legend of his super superiority has been punctured, and the boys are plenty proud of the equipment you are sending them from the states.

"With the Nazis out of Africa and the war one step nearer completion, I dream more often of the day I'll be running up the walk to No. 000 Home Street. Every move seems to take us farther from home. But as the fellows say, 'the further we get from home the sooner this war'll be won.' So the further we go, the sooner we'll get back there."

# Velma Lowe, a 'good' person, remembered

By DANIELLE BRAFF  
STAFF WRITER

Nothing comes for free, you always need an education, and you never know what to expect were some of the words of wisdom Velma Lowe had for her two children.

The 52-year-old Mount Prospect village clerk, a Wheeling resident, died at home June 10 after a long battle with breast cancer, but her children said her pearls of wisdom will constantly remind them to stay on track.

"She was always a talking person, just a real social person," said her son, Allen, 20. "I want people to remember the things that she always felt people should live by."

Lowe imparted her wisdom to dozens of people each day during her duties as Mount Prospect village clerk, keeping track of the village's board meetings, elections and personnel.

Despite her hectic schedule, she remained calm, pointing citizens and village officials in the right direction.

"Her gifts and integrity and her calm attitude will be missed," Mount Prospect Mayor Irvana Wilks said. "She was all the good things you could say about a person."

Lowe was hired in 1988 as the assistant to the village clerk, and she was promoted to village clerk 10 years later.

She was diagnosed with breast cancer about 10 years ago, but after treatment, was in remission until last year. Throughout her treatments, Lowe continued her work with the village of Mount Prospect, rarely skipping a day, said Village Manager Michael Janonis.

On May 3, she swore in Wilks as the new mayor, but her illness became more serious the next day, and village staff brought her home from work.

"You are never prepared for something like this," Janonis said. "Among her colleagues, she was really viewed as part of the family. Everyone is in a total state of shock."

Lowe's funeral service was held Monday in Lebanon, Tenn., where she was born.

Mount Prospect Village Clerk Velma Lowe, a Wheeling resident, is remembered by family and colleagues as a woman of integrity and wise counsel.

# Former Wheeling resident dies after

BY ASHOK SELVAM

Daily Herald Staff Writer

11/24/2004

A 34-year-old former Wheeling resident, an architect helping to restore a Chicago theater, was remembered Tuesday as spontaneous and adventurous.

Peter James Luzwick died Friday after a one-car crash near Flagstaff, Ariz.

He was in Arizona trying to escape the Midwest's cold autumn weather, his sister Christina Luzwick, 29, of Crystal Lake said. He longed to move toward sunnier skies and left

home last week on a whim, she said.

"He was spontaneous," Christina Luzwick said.

Early Friday morning, while traveling south on Interstate 17, Luzwick's 2001 two-door Honda car suddenly veered toward the right side of the road and rolled over, Arizona Highway Patrol's Department of Public Safety Sgt. Rod Wigman said. While rolling over, Luzwick was thrown out of the vehicle, breaking his leg. He managed to return to the car, but the damage prevented him from opening either door.

Instead he got into the trunk, where police found him.

As early-morning Arizona temperatures dipped near freezing, Luzwick likely got into the trunk to escape the cold, Wigman said. He was not wearing a seat belt before the crash, Wigman said.

He was pronounced dead at 7:18 a.m. Friday on Interstate 17, about 4 miles south of Flagstaff, said Patricia Bauer of the Coconino County Medical Examiner's office said.

Luzwick worked for Rada Architecture in Chicago and

also lived in the city. He enjoyed being a hands-on guy, and his hobbies included drawing, art and theater.

"Peter was adventurous," his younger brother, David Luzwick, 30, of Hanover Park, said. "He was always full of life and surrounded by positive people."

His brother also was working on reviving the Uptown Theatre Company on Chicago's North Side. The building, which opened in 1925, is in need of structural upgrades. Luzwick was on the theater's board of directors to restore the facility.
