The one we loved has left us,
But we need shed no tear;
She is gone from earthly labor
She is gone from earthly fear.
And we, too, will someday meet her,
In heaven's home on high;
Where we again will greet her.
And love is ever nigh.
She goes to prepare a place for us,
Upon the Golden Sands,
Where all is calm and peaceful,
In fair and cloudless lands.

Shirley was the only child of the Ward family to be born at their farm on Milwaukee Avenue in Wheeling, Illinois. The family, including parents George and Hattie and her three older brothers, George, Herbert and Arthur, had just moved there the year before. She grew up learning about cooking, baking, canning and sewing. After completing the lower grades at the one-room Tripp School, she attended and graduated from Libertyville High School, driven each day by her brothers.

From 1943–1986 she worked in the Product Cost Accounting department of A B Dick Company, where she meticulously tracked raw material costs.

She and her husband Elvin “Pat” married in 1957 and after son Bill was born, they lived at the farm for several years before moving to the current residence on Central Avenue.

Shirley had 8 nieces and 2 nephews and many grand nieces and nephews. Shirley was a woman of many talents and interests. She loved travel, archery, golfing and bowled in a league until as recently as 2009. She was fond of fine china and antiques. She also loved cooking and baking. She was an accomplished Scrabble player. She was a dressmaker and seamstress. Best known for her custom needlework, she lovingly stitched needlepoint gifts for every niece and nephew and many grand nieces and nephews.

She had been a member of Community Presbyterian Church in Wheeling until she joined North Northfield United Methodist in Northbrook in 2003. She was also a member of Eastern Star and Wheeling Historical Society. She provided personal accounts of local history to Glenview and Northbrook Historical Societies, having lived in the area her entire life.

Throughout her life, Shirley tirelessly served her family, church and community with deeds of kindness and devotion.

The family wishes to thank you for your presence here today
and for your expressions of sympathy, support, and love.
A memorial luncheon in the Fellowship Hall of the North
Northfield UMC today follows our service.

In lieu of flowers, gifts, please consider making a donation

Principal who backed right not to salute U.S. flag dies

By GAIL KANOVER
Daily Herald Staff Writer

Donald McGlothlin's actions 46 years ago left an indelible mark on this country's legal history.

As a principal in West Virginia, he supported a student's right not to salute the American flag. That decision, made the day after the Japanese bombed Pearl Harbor, ultimately led to a Supreme Court decision that laid the foundation for religious freedoms.

McGlothlin, 74, a substitute teacher for Northwest Suburban High School and 29-year resident of Wheeling, died of undetermined illness in Chicago. Memorial services will be held at 2 p.m. Sunday at Community Presbyterian Church in Wheeling.

Friends and family remember him as a good citizen, teacher and writer. And it was on Dec. 8, 1941, that he met his brush with fame — when he simply was trying to do his job as he saw fit.

McGlothlin was principal of the Calhoun County High School in Grantsville when a student, a Jehovah's Witness, refused to salute the flag.

Despite state law to contrary, McGlothlin felt she was within her rights and did not expel her. McGlothlin's son, Paul, said his father eventually was forced to resign.

In 1943, the U.S. Supreme Court backed McGlothlin's decision. Overturning an earlier decision, the high court said public schools violate students' religious freedoms by forcing them to recite the pledge.

Robert Bennett, dean of the Northwestern Law school, called it a "major landmark case on freedom of religion."

But Paul McGlothlin said his father never played up his role in the case.

"It was the nature of my father," Paul said. "He was a good person, almost to the ridiculous point. He did not want to achieve great fame or fortune. He never compromised his principles."

After a stint in the U.S. Navy, McGlothlin and his wife moved to the Chicago area in 1950. Nine years later, he moved to Wheeling. He taught English at Taft High School in Chicago for 27 years before retiring in 1981.

He was a substitute teacher in District 214, including Wheeling High School, which his four children attended.

"He was a very pleasant person," said Wheeling Principal Thomas W. Shirley.

Paul McGlothlin said his father also was an avid writer. He wrote several articles about education and two books, including "A Star to Guide Us," a book about President Reagan. He also ran the school newspaper at Taft, his son said.

Richard D. McGowan

Rick "Gunner" McGowan, 54, of Clarendon Hills. On March 14, 2013 we said goodbye to our beloved Gunner. In his final days and hours he was surrounded by family and friends, much as he lived his life. Whether he was shooting hoops, playing softball, sharing special times with his family or laughing with friends, Gunner lived life to the fullest. He was a dedicated family man, friend and volunteer. We didn't get to keep him with us as long as we wanted, but like a sunset or a day at the beach, sometimes the best things in life are fleeting. Maybe that's what makes them so precious. Often Gunner said "Never Give Up, Never Surrender," and throughout his battle against cancer he never did. That courage will be part of his legacy.

Gunner is survived by his wife Katie (nee Hillman), daughter Delaney and son Nathan, parents Fred and Joanne McGowan, brothers Keith (Robin), Timothy, and Dennis (Jill), and sister Linda Gonzales. He was blessed throughout his life with innumerable friends and a loving extended family.

In lieu of flowers, donations to Delaney and Nathan McGowan Education Fund, Clarendon Hills Bank, 200 Burlington Ave., Clarendon Hills, IL 60514.

WHEELING POLICE CHIEF

Who's Who in Wheeling

COOK COUNTY HE MTD 6/16/1952

To old folks and young folks alike Wheeling Police Chief Harold Mackh means a friendly smile and an understanding source of help in all trouble.

To people in Wheeling he is not just an officer of the law, but "our friend Mackh."

Mackh was born and raised in nearby Elgin and attended grade and high school there. He then enrolled at Kentucky Military Institute.

His past experience includes police work with the Illinois Central and the Milwaukee Road Railroads and with the United States government. He served as police chief for several years in Bensenville before coming to Wheeling.

In the three years he has served as Wheeling's Chief, he has been responsible for a great many improvements in the department. A two-way radio set for the squad car was purchased and also a riot gun and other equipment. Police funds were also used for new office equipment and for insurance.

These funds are raised by the Police Dance staged annually. Mackh works hard for the event each year and has gained the cooperation of many in the surrounding territory.

However, Mackh's contribution to the community is not confined to his police work alone. His love of children is shown in the playground and recreation room set up at the village hall. He also formed a patrol squad at the school and several parties for the group are staged each year. This squad has increased the safety of local school children.

Another of Mackh's interests is shown in the care taken in improving the lawns and appearance of the village hall. Flowers have been planted along the hedges and in window boxes. Mackh shares his love of flowers in the practice of sending bouquets or plants as a gift of the department to local people who are seriously ill.

The latest contribution to the community is a new squad car which will be equipped with a new radio set. It was purchased by the department at a great saving to local taxpayers. The new car is expected to be delivered soon.

Mackh is proud of the local department and Wheeling is proud of him and the work he is doing. We salute you, Mackh, protector and friend.

MARNELL, PAUL J.

Paul J. Marnell, 94, of Wheeling, Illinois, passed away on September 23, 2015. The son of John and Esther Marnell (Gredush / Parsons, KS) and the beloved husband of the late Margaret M. Marnell for 72 years, Paul was born March 30, 1921. He was a longtime resident of Northbrook, Illinois and Seffner, Florida.

He was predeceased by his loving wife, Margaret and is survived by nine (9) of his 11 children, Patricia Jarowski (Victor), Paul Jr. (Johanna), Michael (late Pam), Kathleen Kenny (John), Joseph (Peggy), Timothy (Mary), Thomas (Christy), Mary Clark (Charles) and Beth Zaruba (Bob). Two daughters, Joan Blackmer (Cary) and Margaret, predeceased him. He was also predeceased by his beloved brothers Jack, Bernard (Arlene) and sisters Thelma Louise, Regina and Eileen (George) of Kansas. Paul was the proud grandfather to more than 70 grandchildren and great grandchildren, each of whom held a special place in his heart.

Raised on a farm near Girard, KS, Paul attended seminary in Wisconsin and college in Houston, Tx, before joining the Chicago, Milwaukee, St. Paul & Pacific Railroad in 1941 as an apprentice machinist. His railroad service was interrupted by military service with the Army Corp of Engineers but he later returned to the railroad where he appeared before the National Railroad Adjustment Board as an advocate for mechanical employees nationwide. He was elected General Secretary/Treasurer of the Railway Employees' Department and served as the National Reporting Officer for the United States Railroad Retirement Board. Paul succeeded in negotiating the first national labor agreement with Amtrak on behalf of the machinists and was a strong advocate for working men and women and a passionate leader for improved safety and anti-discrimination rules in the workplace.

Paul's greatest gift was as a loving and proud husband, father, grandfather and great-grandfather and was fiercely loyal and enormously generous to his family. Struck by bone cancer in 1957 at age 36, he lost his right leg and hip but inspired his family and many others by his faith, determination and perseverance, setting an example with his work-ethic as a jack-of-all-trades, a builder and achiever, and by living an energetic lifestyle, including a love of golf. He also was an amateur landscape painter, wrote his memoirs, and studied and detailed the family genealogy. He leaves a legacy of compassion and hope and will be revered as the loving, loyal and influential patriarch of our family for generations to come.

Services were held at Our Lady of Sorrows Chapel, Addolorata Villa, Wheeling, IL, on October 3rd with interment at Sacred Heart Cemetery in Northbrook.

valiant fight for life

Twelve-year-old Ben Masurat couldn't beat the odds when it came to leukemia, but it didn't stop him from living life to the fullest and from touching an entire community.

By Mike Wilkinson
Staff Writer

Even while his concentration was sapped by the medication that fended off his leukemia, and even after the bone marrow transplant had forced him into isolation, Ben Masurat remained optimistic.

Books, computers, video games and visits from friends kept his spirits up. While he had long lived with leukemia, to his family and his friends, Ben was a smart young man who loved to read and who owned a very disarming smile.

His favorite books dealt with medieval science fiction, in books lined with dragons and wizards. When he wasn't well enough to play soccer, or when his inclination to read grabbed him, he would dive into a good book, his teachers at Whitman School said. It was part of his escape from the disease that had been with him since he was four years old.

"He could climb mountains and fly when he read his dragon books," said Belinda Burke, an aide in the Whitman learning center.

BEN'S BATTLE WITH cancer ended Saturday night when he died of pneumonia that he contracted after the bone marrow transplant. He was at the University of Iowa Hospital and clinic in Iowa City when he died. He was 12.

Ben had contracted the pneumonia several weeks ago and was taken to

Iowa for care and observation. His family was with him at the time of his death.

Since the bone marrow transplant last summer, Ben had split time between the Iowa hospital and the family's Wheeling home. Because his immune system was susceptible to disease, Ben stayed at home where he was tutored by teacher Wendy Schwechter.

Whitman principal Fran Voris said the school's sixth graders were in a quiet mood after hearing the news about their classmate.

YVONNE MASURAT, BEN'S mother, thanked the community for helping the family members during the trying times that they faced over the past eight years.

"We have had so much support from this community," Yvonne said.

"There's just so many wonderful people who have helped us through difficult times."

Members of the community continually lent a helping hand to the Masurats, raising money through fundraisers to help offset the cost of medical care Ben needed. The money also went toward housing costs for family members when they visited Ben in Iowa City.

"As a group, the community reached out to the family, not just once, but again and again to be supportive."

read. One of his favorite books is *Dragonslayer* by Anne McCaffrey, Burke said. He was so enamored of dragons that he designed an award-winning bookmark in fourth grade.

His entry, which was shaped like a dragon and said, "Don't drag your tail, read books," won first place in the Indian Trails Library contest, Burke said.

SCHWECHTER SAW A LOT OF BEN during the past school year. As his tutor, she said his energy for learning was always present and that although he was sick, he kept himself happy.

"As sick as he was, he always had a good sense of humor, he was a real kid and he was an achiever," she said. His assignments would be done and his interest remained high, although his medication often made schooling more difficult.

He looked forward to the twice-weekly meetings with classmates that would come over to the Masurat home. Once there, his friends and he would read and play video games.

But when Ben was feeling down there was always someone doing something to raise his spirits. When he was getting ready to take a trip this summer to Disney World in Florida, a lot of people paid attention to Ben, including at least one newspaper. It was the kind of attention that made Ben feel good about himself, his mother said.

"**BEN FELT** very important," she said. "And he was."

After Glow
I'd like the memory of me
to be a happy one,
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo whispering
softly down the ways,
Of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who
grieve, to dry before the sun
Of happy memories that I leave
When life is done.

The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul; he leadeth me in the path of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death I will fear no evil for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil. My cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever.

Edward H. "Jim" Mertz
 The funeral for Edward H. "Jim" Mertz, 85, will begin at 9:15 a.m. (Tuesday, Jan. 13, at The Baldwin Mortuary, 220 N. Lake St., Aurora, proceeding to St. Patrick Church, 405 Walnut St., Yorkville, where Fr. Matthew Lamouras, M.I.C. will officiate. Interment will be at 12:30 p.m. Thursday, in Abraham Lincoln National Cemetery, 20953 W. Holt Road, Elwood, Ill. Visitation will be from 2 to 8 p.m. Wednesday, Jan. 14, at the funeral home.
 Born May 24, 1923, the son of Frank and Alexina (nee Berry) Mertz, he died of a broken heart Saturday, Jan. 10, 2009. He was preceded in death just seven months ago by his beloved wife of 63 years, Jeanette C. Mertz (nee Johnson).
 Jim and Jeanette were married in Chicago on Aug. 26, 1944. In 1956, they purchased their first home in Wheeling, where they resided for 44 years. Jim worked at several shops in the tool and die industry before becoming plant superintendent of Atlas Tool and Die. Jeanette was a homemaker who took care of him and the family. Jim was an active member of the Knights of Columbus and ushered at St. Joseph Catholic Church.
 Jim served his country as a member of the Navy during World War II. He had several hobbies, but his passion was golf and he played as much as he could. At the age of 66, he became a licensed pilot and flew his own plane. Jim retired from Atlas Tool and Die in 1966. He worked part-time for a few years, but mostly spent his time with his wife and his family. In 2000, Jim and Jeanette relocated to Aurora. After Jeanette's passing last year, Jim moved to Hillside Care Center in Yorkville.
 Survivors include his four children, Jim (Diane) Mertz, Janet (Jon) Wrench, Jeannine (Bill) Loquercio and Joanne (Bill) Clouston; eight grandchildren, Jeffrey (Charie) Schopp, Gene Parker, Corie Mertz, Brian (Jersey) Schopp, Lindsey Mertz, Jim Wrench, Michael Loquercio and Kristen Loquercio; and five great-grandchildren, Emily, Joshua and Jacob Schopp, Macayla Wilson and Alexa Schopp.
 He was preceded in death by one granddaughter, Rebecca Lee Schopp.
 The family wishes to thank Hillside Care Center and Provena Hospice for their care, kindness and compassion in taking care of "our dad."
 In lieu of flowers, the family requests that memorials be made in the name of Edward "Jim" Mertz to Provena Hospice, 77 N. Airline St., Suite 260, Elgin, Ill. 60123.
