No Vacancies At Amvet Hall, Sleep in Pokey

Mr. Ernest B. Fox of Mobile, Alabama and Harlan Griffen of West Virginia stopped at the Amvet Hall last Friday night looking for a free night's lodging.

As you know, vets or non-vets, the Amvets simply do not supply free beds to anyone. The Wheeling Police were summoned to help find the gentlemen a decent place to rest their weary bones, so they were offered the next best convenience under the circumstances, a nice clean bed in Mt. Prospect Jail. The pair accepted the offer, spent a quiet night and went merrily on their way the next morning.

Candidates Comment

On Outcome Of Race

Upon learning of his victory in the election, A. R. McIntyre had the following remarks, "I earnestly thank all the people of Wheeling for their votes and will do my best to fulfill their confidence in my ability. I pledge my full co-operation with all village officials and organizations that are working for the betterment of our community."

Ed Welflin proved himself a good loser. He said, "If ever I can assist the village on any matter, I will be available to lend a helping hand."

Outgoing president, Ed Gieseke had only these words, "I lost the election, I have no comment."

Scotty Cargill was unavailable for comment at press time.

Confident Of Wheeling People, Says Brower

Before taking up duties as one of the members of the board in School District No. 21, Mr. Robert Brower, in a brief interview, told the Independent reporter how he feels after gaining office.

Mr. Brower explained, "I am thankful for the support given me and I am grateful for the opportunity to serve the community and put to work some of my experience in the school system. We can, within three years, take great steps forward to better schooling for Wheeling's youngsters. There are fruitful years ahead."

"I will be glad to work together with all those already working for the schools and with the village. I have tremendous confidence in the people of Wheeling," Mr. Brower concluded.

Brower, Kloman Win School Election

Well, all the votes have been tallied and the official count proves the two vacancies on the school board will be filled by Robert Brower and Blanche Kloman.

Mrs. Chas. Balling reported 574 voters, 6 absentees, and 12 spoiled ballots. This was a pretty good turnout, said Mrs. Balling. Jack Norris called the turnout "terrific". Even with the village election conflicting with the time of the school board election, the voters in school district 21 showed a lot of concern for the school election.

The tally was reported by Mrs. Balling as follows:
Robert Brower 316

Blanche Kloman	228
Werner Ellman	165
Robert Hile	135
Ernie Stavros	90
Warren Anderson	79
Rudolph Hardt	57
Gene Stavros	1
Wm. Tripp	1
Ernie Stavros, Gene Stavros, a Wm. Tripp were write-ins. The remaining candidates will take office immediately for a three-year term. At the next meeting of the school board, officers will be selected.	

M.P.O.A. TO MEET TONIGHT

The nominating committee of the Meadowbrook Property Owner's Association will present their report to association members at their regular monthly meeting in the Wheeling School Gym tonight.

Art Nimmer, Bill Tripp, Bob Steinman, Irv Ableson, Tom Burns, and George Olson, the members of the committee, were selected to prepare a slate of officers for election in May. Association officers hold office for one year.

All members of the Meadowbrook Property Owner's Assn. are urged to be present at this important meeting.

Chamber of Commerce To Meet Tonight

The Chamber of Commerce will meet jointly with the Wheeling Fire Department tonight to discuss their plans for the Annual Wheeling Days Celebration.

Some time ago it was decided to have the carnival on July 19th, 20th and 21st. At that time a committee was appointed to select the prizes to be raffled at the celebration. Those on the committee are Lloyd Kelm, President of the Chamber of Commerce; Vern Schuler, Earl Camm, and Scotty Cargill. The committee will give its report to the joint meeting tonight.

Members of both organizations are urged to attend this important meeting.

LOTS TO CELEBRATE

There was lots to celebrate at Meo's Villa Venice last Sunday. Mr. and Mrs. Jimmy Utpadel were celebrating their 5th wedding anniversary and Mr. and Mrs. Otto Wagner were celebrating Mr. Wagner's birthday. The couple decided to make it a double celebration when they found out that it was Mrs. Utpadel's birthday also.

Mrs. Bill Rutkofski of Bill's Place on Milwaukee Avenue celebrated her birthday on Sunday too.

Mr. and Mrs. Ben Howard will celebrate their 28th anniversary on Saturday.

Mr. Art Moeller's day was Monday, when he had a birthday to celebrate. Congratulations to all these celebrants.

GLAD FOR CHANCE TO SERVE, MRS. KLOMAN

In a statement to the Independent, following her victory in the School Board Election last Saturday, Mrs. Blanche Kloman said she was very happy to have this opportunity, because parents are concerned with their schools and she is glad for the chance to live up to their confidence in her.

Mrs. Kloman said, "How better can I thank the people who have supported me than by living up to their expectations of what a school board member should be."

Court Judge, Doug Steingraber. Sophomores also elected their new officers.

Cheerleading try-outs were held for the Varsity and Frosh-Soph squads. Many were surprised and happy and others were disappointed and sad.

Ten new girls were selected to be among the Cardettes. The twirling group for next year will consist of 24 girls.

New editor of the Cardinal for the 1957-58 school year are Gail Smith, Linda Hackbarth, Mary Jo Utt, and Randy Virgil. I might add that the Cardinal Staff is presenting the annual dance; the Stork Club Jr. It will be held the 27th of this month. The tickets are \$2.50 per couple. Only 250 couples will be omitted because of the shortage of space. It is on a first come first serve basis - so they suggest you get your reservation in early. This is a semi-formal dance and corsages are in order for the girls.

Thursday night the G.R.A. Volleyball championship was played. As fortune would have it, our team won again. Members from Wheeling that participated were Delores Miller, and Betsy Zimmerman.

"In your Easter bonnet with all the frills upon it," is a phrase that we hear quite often around this time of the season. Easter will soon be here! Many are happy because this year they will get a new Easter outfit. Easter morning all the kids are expecting the Easter Bunny, but some of the older kids this Easter is especially important as the result of their studying thru the past year, they will be confirmed! Their parents are most proud and the ministers are glad to see these young people join the church.

Many of the teens don't like to see Easter vacation come because then the lawn has to be raked. There isn't any possible way to get out of the job either, because we have one whole week in which to do it! It isn't so bad when you have a small lawn, but living on a large lot has certain disadvantages! Let's hope that the weather stays nice; when the wind starts blowing, you might as well start all over again. Well, they always say, "Don't work too hard."

Fishing, in general, has been very poor this past week, Sunday it started to improve with some very nice catches of bluegills and crappies taken from the channels.

If you want to catch more fish with live bait, here are a few tips.

For bass, hook the worms into a big gob.

For pan fish, slide the worm up the hook, or hook the worm so both ends wiggle.

With minnows it depends on how you are fishing.

In trolling, I find it best to hook the minnows between both lips. In still fishing, hook the minnows under the dorsal fin with the point facing the head.

BEST BETS

Crappies - Grass Lake, Bluff, and the channels running out of the Fox River. Bluegills - Fox, Channel, and Lake Marie.

Don Malin and his friends were out smelt fishing the other nite and caught about ten pounds, but their net kept freezing, which made it bad. Better luck next time.

Youngsters, don't forget that fish-

ing tournament, keep fishing and get all the practice and fun.

Musing in MEADOWBROOK

by

Sheila Schultz

Wheeling 904-R

Welcome home to Mrs. William Lasley and her sons, Mark and Wayne, who returned on Sunday from a seven week vacation. Georgia and the boys visited her parents, Dr. and Mrs. Long, in Stockton, Kansas, and her sister in Denver, Colorado. After hearing how they tunneled through the snow drifts there, I've decided our Spring weather hasn't been so bad after all.

We were sorry to hear that Art

Nimmer of Meadowbrook Lane is now in Mercy Hospital. Art was admitted to the hospital on Sunday, and underwent a skin graft operation on Monday. He expects to be home in two weeks. Best wishes, Art, for a speedy recovery.

Belated birthday greetings to Irv Abelson and John Caldwell. Both these gentlemen added another year during the first week in April.

The Social Committee has announced further developments in the plans for the Meadowbrook dance. Chairmen Betty Tripp and Margo McLeod disclosed that the "Starlight and June" dance will be held at the Arlington Country Club on June 8th, 9 p.m. to ?. Jack Richards and his orchestra will furnish the music and there will be entertainment and door prizes, as at the Meadowbrook Fling. Although the size of the Club will necessitate a limit to the number of tickets to be sold, the dance will be open to all of Wheeling.

Have you seen the giant Easter Egg at Marshall Field in Old Orchard? The huge egg has three glass windows, through which you can view Chicken Little, the Ugly Duckling, and Flopsy Mopsy, Cottontail and Peter, in person. The children will love seeing the live little animals, so don't miss it.

You may have heard of Family Homes offer of \$100 for each home in Unit III to be donated to the Wheeling School. It is nice to know that our builder, Mr. Wolfson, is aware of the necessity for such financial assistance to our school. Perhaps now other builders can be induced to do the same.

So you thought the elections were over? Well, not quite! Tonight at the Meadowbrook Property Owners Meeting, the nominating committee will present the candidates for officers for the Association for the coming year. You may feel you have had enough of meetings and candidates, but bear up, and give this election the attention it deserves. The voting will take place at next month's meeting.

A Happy Easter to all of you!

FOREST RIVER NEWS

Forest River

Election time is over for us out here. The township election is behind us and the results of the School Board Election at Feehanville School were just released. The results ran as follows: Mr. R. Williams, 119; Mr. E. Brookhauzen, 117; Mrs. Janet Uberig, 102; Mrs. Betty Lingo, 90; Mrs. E. Buttner, 80.

Mr. Lucas Holtrop, father of Ralph Holtrop of Foundry Road and Bill

Holtrop of Morrison Street passed away Wednesday, April 10th. He was 85 years old and resided with his daughter Mrs. M. Boss of Villa Park. Services were held at the Oehler Chapel in Des Plaines and interment at Ridgewood Cemetery. The Holtrop family was formerly from Wheeling.

The Civic Assn. of Forest River will hold it's regular meeting on Tuesday, April 16th at the community Club House.

Mrs. Toth, of Anita Street, has received word that her husband, who has been convalescing from pneumonia, has another lung infection and will have to undergo surgery. We all hope that he will be well on the road to recovery before too long.

Mr. Edward Villadonga celebrated his birthday, April the 12th, with a dinner party with his family and friends, Mr. A. Grenda, his sons George and Richard Grenda, Mrs. Jean Jamrock, Mr. and Mrs. Robert Sklodowski, his daughter and son-in-law.

Mr. William Martens has been transferred to Indiana by the company for which he works and so for the past few months Bill has been commuting back and forth to be home on week-ends. This is not a very practical arrangement, however, so before long his family will join him in Indiana. His son, Bob, a student at North Park College, will have to make his temporary home with his brother, Bill, in Chicago until he completes his term.

The Friendly Club will hold its Annual Bunco Party May 3rd at the Community Club House. The ladies always manage to have such lovely prizes to entice players, so circle this date on your calendar.

Wedding Bells will ring for Jules Miske, son of Mr. and Mrs. J. Miske of Foundry Road, and his fiancée Edith Johnson of Des Plaines on April 27th at Our Lady of Perpetual Help Church in Glenview, Illinois.

Florida Bound

Miss Gerry Leikam and Miss Helen Koch are planning a Florida vacation this year. The girls are employees of Ekco-Alcoa, Miss Leikam is secretary to the credit manager and Miss Koch is a mailroom assistant.

They will fly to Miami Beach via Eastern Airlines May 4th and return on May 12th. Reservations have been made for rooms at the Casablanca Hotel, directly on the Miami Beach front. Gerry and Helen are anticipating boating, water skiing, swimming, dancing, shuffleboard and eating.

Just don't forget to return, girls. We all know it takes two to tango.

Rainbow Girls Initiated

At the Masonic Hall on Saturday, April 6th, 29 girls from Wheeling were initiated into the Order of the Rainbow Girls. The institution of the assembly and the initiation of members was attended by members of the Eastern Star, Masons, and the Rainbow Girls. Following a pot-luck supper, a public installation ceremony was held at 7:30.

Mert's Inn One Year Old Tuesday

Mr. and Mrs. C. Mertens of the Mert's Inn, located on Milwaukee Avenue just north of town, celebrated the first anniversary of their grand opening last Tuesday. Mert's Inn was known as the Bubbling Inn before the Mertens took ownership. The best of luck to you in your second year of business.

Judges and clerks serving as election officials for the voting were; Mrs. North, Mr. Utpadel, and Mr. Jesse.

Mr. Gustav Stoerp of Prairie View and Mr. Wayne Kritlow and Mrs. Harry Craig of Aptakistic served as election officials for the Lake Zurich High School Election at the Half Day firehouse last Saturday. Mr. Gilman of Half Day and Mr. Gustafson of Lake Zurich were the candidates for the two openings on the board.

One Year Ago This Week

Wheeling voted yes on two propositions in the school election last year. Local citizens okayed a resolution giving the school board power to issue \$150,000 in bonds to erect a new eight-room school. The yes or no resolution naming the school site, seven acres on Schoenbeck Road and Trampler's Trail, squeaked through by a 195 to 191 vote.

Art Aronson and Art Brown were elected to three-year terms on the School Board. Aronson was seeking re-election and Brown was running for the first time.

The men were chosen, who would compete in the "Beauty Contest" in the community show "The Queen's a Gent". Miss Long Grove was to be Glenn Miller; Miss Prospect Heights, Sike Horcher; Miss Aptakistic, James Stavros; Miss Mount Prospect, Art Aronson; Miss Buffalo Grove, Mike Karlesky; Miss Wheeling, Jim Irvin. The comedy featured a cast of over sixty local men, with some cast as clowns and comedians and others as vocal soloists and in specialty acts. Others were dancers in the Gay Nineties Chorus and still others were ballet dancers. The show was staged to raise funds for the educational trip taken by the eighth grade class of the Wheeling School.

A serious accident occurred in Dunhurst Heights when Andrew Swanson of Chicago was run over by a Meyer Coal and Material truck. He was rushed to Resurrection Hospital via ambulance after suffering a fractured leg.

A special meeting was called by the officials of the Little League for all fathers of applicant's registered for this coming season. About 25 fathers were present. Gus Pekara from this subdivision will be the manager of the Chamber of Commerce team with Mel Swanson as coach.

I would like to mention again that a day in May will be set aside for the sale of candy by the boys of the Little League for the procurement of funds for the league. The candy will be the Mason Candy products with 5 bars to the package for 50 cents. All of us should get behind this candy sale so that we will be recognized as willing helpers.

No schedules have been set as yet, for the Little League, but the try-outs took place Saturday, April 13th at the Amvet Field. The turnout was terrific and the fathers were out there pitching in. Another tryout is scheduled for next Saturday at the Amvet Field at the same time.

There will be 4 major league teams and sponsored by the Chamber of Commerce; Amvets; Frank's Yank's and HiLo Heating. There will be minor leagues for boys who are unable to make regular teams. Remember the candy sale - Thank you.

The Deerfield Manor Home Owners Association has met Sunday, April 7th, at the Amvet Hall in Wheeling. A wonderful turnout and many new faces were present. Several minor incidents have been discussed and turned over to various committees for further discussion. A committee has been formed for the benefit of our youngsters and teenagers. The members of the recreation and youth welfare committee are Mr. Harold Reupert, Mrs. Art Symeak, Mr. Wilbur Henneman. A temporary committee has been formed for the purpose of drafting several regulations for general improvements of our community. Members on this committee are Mr. Henneman, chairman; Mr. Tibaldi, Mrs. Rodinichi, Mrs. Reupert, and Mrs. Aloisio.

The entire community is going to receive a copy of the minutes of our association meeting, which we do not wish to make public. The purpose of this is to give the people of the subdivision, who are not members as yet, a general idea of what goes on at our meetings and what we are trying to do for our community.

Mr. Rainer of Cub Scout Pack 218 of Wheeling was a guest at the meeting and has given us a summary of the operation and activities of the Cub Scouts. As soon as enough Cub Scouts are available from this community, Mrs. Henneman has offered to be a den mother and Mr. Henneman den father.

The District 102 School Board election has brought out 136 voters. The unofficial report of the votes counted are as follows; Mr. Reupert 78; Mr. Meronek 68; Mr. Wolf 60; Mr. Holmes 52. The official report will be made as soon as available.

The Aptakistic - Tripp Mothers Club had their meeting Tuesday evening, April 9th. Nominations have been made for new officers of the club. They are, Mildred Gora President, Virginia Pekara, Mrs. Holmes, Mrs. Stachel for Vice President, Mae

**MODELS CHOSEN FOR
FASHION SHOW**

The Lady Lions have chosen eight models for their annual fashion show, which will be presented May 20th.

Those chosen to display the latest from the fashion world are Mrs. Willy Necker, Mrs. Frank Byer, Mrs. Glenn Miller, Mrs. Henry Mayer, Miss Pat McGill, and Miss Peggy Lou Cargill and from the Lilliputian set Linda LaPlante, five year old daughter of Mr. and Mrs. Maurice La-

Amedio Secretary, Hazel Gregory Treasurer. Election and installation into office will take place at the next meeting.

Here is a thought for the parents of this community. As most of you may know, Mrs. Becker is a teacher and is unable to teach in school because of the new born master of the household. She wishes to make herself available for tutoring children. For information call Mrs. Becker at Wheeling during the summer months. For in- ing 1057-J.

Plante, and Jeffery Miller, four year old son of Mr. and Mrs. Bud Miller.

The theme for the showing will be French and the show will be titled 'Mademoiselle's Fashions'. Hein's of Waukegan will supply the fashions and several professional models to

assist the models from the Laa, Lions. Lyon and Healy will provide music for the event.

In addition to the show, the ladies are raffling a mink stole, which will be presented to some lucky lady on the evening of the fashion show.

DUNHURST DIARY

By Ruth Kastner
Wheeling 84

All,

So many of the children will be home for spring vacation for the next few days that we hope everyone will use extra caution when driving thru the subdivision. Children dart out from behind parked cars when you least expect them, or run into the street without looking, you, as a driver, have to expect the unexpected at all times from them. Please drive carefully.

Would like to wish all of you a blessed and happy Easter. May you have a wonderful day and hope too that the Easter Bunny fills the children's baskets with lots of surprises.

Two events coming up in the near future that you may want to start planning for are the Ladies Lions Fashion Show, Monday evening, May 20th and the Amvet Sad Sack Spring Dance Saturday May 18th. Both should be lots of fun.

There are three little boys out here who have been taking ice skating lessons for the past few months, Bobby Barnowski, Larry Gaza and Spike Kane. An ice carnival is scheduled for Sunday, April 21st at 8:00 p.m. at the Chicago stadium. Think it is quite wonderful that some of our little boys from Dunhurst will appear in the ice revue. Maybe you might enjoy taking your children to see them.

Congratulations to Mary Lou Sanders, who celebrated her birthday, Friday, April 12th. She has just returned from a vacation in Sturgeon Bay, Wisconsin where she and the children were visiting her parents. Her mother returned with them and will spend a few days at the Sanders home.

Edward and Mildred Gieseke, Jr. entertained a group of friends in a triple celebration, at Chevy Chase Country Club Saturday evening. Guests of honor were, Irene and Philip Runnfeldt, who were celebrating their anniversary, and Edward Fox and Eugene Kastner who were celebrating their birthdays. Other members of the party were, William and Jane Moore, Earl and Dolly Hamren and myself. Surprise of the evening were the announcements over the loud speaker, congratulating them on their birthdays and anniversary and the dedicating of songs to them.

Ruth Theis returned home this week after vacationing in Florida, where she was visiting her parents. There was a new member of the household to greet her when she arrived home. A new collie pup.

Mary and Mike Henry spent a few

DELIVERY DATE DELAYED ON NEW FIRE TRUCK

Wheeling's Fire Chief, Bernie Koeppen reports that there will be a delay on the delivery of the new fire truck. The delivery date was originally set for approximately April 1st, but a few changeovers must be made and delivery may not be ex-

pected until the end of this month. There were several prairie and grass fires this week. On Friday there was a prairie fire in the slue south of the Wheeling School, on Saturday there was a prairie fire at the corner of George Road and Dundee Road, and on Sunday the fire fighters

were called to 180 E. Dundee Road, where a fire started in a salamander heating unit. The heater was used to heat a garage used by Des Plaines Engineering, but damage was confined to the unit itself. There was also a grass fire on Sunday at 410 E. Dundee Road.

days in Oglesby, Illinois where they attended the funeral of Mary's uncle. Sunday, Harold Henry drove to Oglesby and brought them back to Wheeling.

Any boys still interested in joining the little league still have an opportunity to register. Stop in at Welflin's Variety store. Bring proof of your age unless you were registered last year. This Saturday the boys will be out for practice again. Pony League at 10:00 a.m. - 8 and 9 year old boys at 1:30 p.m. and 10, 11 and 12 year old at 3:00 p.m. at the Amvet Field. Many men are still needed to help supervise, act as referees and umpires. Hope there are some of you who can give a little of your free time to help the boys play baseball. If you can, call Ed Welflin at Wheeling 4. It will be greatly appreciated.

CANCER CRUSADE BEGINS APRIL 22ND

The Wheeling Cancer Crusade will start Monday, April 22nd and run through April 26th, says Mrs. Joseph Schmoeller, the local fund chairman.

The American Cancer Society symbol, the Sword of Hope, is rich in meaning, so give generously please. Cancer can strike anyone. Mrs. Schmoeller, 615 N. Milwaukee Avenue has selected her assistants to aid in the drive. Mrs. Gordon Barrie will be co-chairman, and the captains are as follows: Mrs. Whitlow, Mrs. Gieseke, Mrs. Bachelor, Miss Lesch, Mrs. Trice, Mrs. Dickey, Mrs. Smith, Mrs. LaPuma, Mrs. Nekimkin, Mrs. Bieber, Mrs. Walls, Mrs. Ford, Mrs. Rainer, Mrs. Hicks, Mrs. Tripp, Mrs. Erlanson, Mrs. Nelson, Mrs. Burlingham, Mrs. Sanders, Mrs. Nurzyckm, Mrs. Gerger, Mrs. Klocke, Mrs. Voight, Mrs. Dens, Mrs. Bernstein, Mrs. Palm, Mrs. Middaugh, Mrs. Plymale, Mrs. Felch, Mrs. Federle, Mrs. Sweeney, Mrs. Andrews, Mrs. Nenbauer, Mrs. Miner, Mrs. Hallihan, Mrs. Schlader, Mrs. Ellman, Mrs. Brownlow and Mrs. Strom.

These women will make a house to house canvass and will visit businesses and factories as well. Donations can also be made payable to the American Cancer Society in care of Mrs. Schmoeller or in care of our post office, who will forward it to Mrs. Schmoeller.

Your donations will help aid research to find the cause and cure, education - that will save lives now, and service - those now suffering from cancer.
