

April 1997

PRESIDENT'S COMMENTS

Congratulations to the Wheeling Park District on their successful Chevy Chase referendum. With the passing of the referendum, a part of Wheeling's history has been saved.

This month's meeting is our election meeting. The nominating committee has presented a slate and nominations will also be accepted from the floor prior to the memberships voting. Plan to attend our April meeting.

Our May meeting which is the Installation Banquet to honor the newly elected officers will be held at Chevy Chase on May 21, 1997. The May meeting also known as the Installation Banquet is being held on the 3d Wednesday of May due to the fact that Chevy Chase was booked solid on the 4th Wednesday. The membership present at our meeting voted in favor of changing the meeting night to the 3d Wednesday of May rather than trying to find another place to have the banquet.

I want to remind everyone that we do not have any meetings in June, July or August. Our new year starts in September and goes through May. Make an effort to attend these last two meetings.

Remember, we are looking for new members. Talk to your friends and neighbors and get them interested in joining the Wheeling Historical Society.

We have included in this package a volunteers list for the Passport to Adventure Program which the membership voted to take part in. This program requires that the Museum be open on the Sundays shown on the list. We would like to have at least 2 people watch the museum each Sunday. There are some Sundays that we have only 1 person so far. If you can volunteer to be at the museum between 2:00 PM and 4:00 PM on any of the Sundays, please contact Pat Hancock at 537-1450. Remember, we'd like to have at least two members present when the museum is open.

Historically yours,
Frank Schnaitmann
President
