PRESIDENT'S COMMENTS

Well here we are again about to end the fiscal year. Time sure passes by quickly. Next Wednesday will be our final meeting and it is also the Installation Banquet. I hope we'll have a good turn out to honor our new officers. I'm sure everyone will have a good time at the Installation. The food is always good and we get a chance to visit with our fellow members.

Remember, we are looking for new members. Talk to your friends and neighbors about joining the Society. So much more could be done if we had more manpower. For one thing we would be able to have the museum open more and also the carriage house.

One of our former members, Emma Nathan recently passed away and a card was sent to her husband, Bernie Nathan with our condolences. Some of our current members, such as Sam Dattilo, Willie Franta and Mary Lou Issleb have had health set backs but either are on the road to recovery or have already recovered. If you know of a member being ill, please let us know so that we can let our members know and send them a get well card.

At this time, we are planning to have a float in the Fourth of July parade. If anyone has any good ideas about what to put on the float again let us know. At times, good ideas are hard to come by. We really do need help.

Lonnie and I both hope that each and every one of you has a happy and healthy summer. There will be no meetings in June, July or August. Please remember our General meetings are always held on the 4th Wednesday of the month, except for December when there is no meeting due to Lollipop Lane and the 3 months in the summer. If for some reason, such as a holiday, we have to move our meeting up a week, it is voted on the month before, so that everyone is made aware of it.

Historically yours,
Frank Schnaitmann
