## Message From The President

My comments will be short this time. Everyone present at the September meeting seemed to enjoy themselves.. Our program dealt with our members sitting around and telling each other things they recall about Wheeling's st. It went over so well we decided we'd do it again at the October meeting. I hope more members will come to the meeting and share their memories. It's like an addition to "WHEELING THROUGH THE YEARS."

I would like to take a moment to express my personal thank-you to Rudy Horcher for the magnificent job he has done at the Carriage House. He has spent alot of his time setting it all up and it turned out great. I am having it open on October 5th for viewing. The Park District is planning to have a shuttle bus transport people from the recreation center to our museum and carriage house.

Please take time out and attend our October meeting and share with us some of your memories.

Committee Chairpersons are asked to attend the monthly board meetings which take place on the 3rd Wednesday of each month. Next one October 15 at 7:30 p.m.

# Chatter

If any of our members have news that they feel would be of interest to the rest of the membership, please feel free to get it to us so it can be included in our newsletter. Call Patti at 537-1450 or Frank Schniatmann at 459-1788. The newsletter is our way of keeping members aware of what's happening.

## IN THE HOSPITAL

Rudy Horcher went into the hospital and underwent a 6 by-pass surgery at Evanston hospital. Barb Horcher stated that the surgery was successful and that he was hoping to be home shortly. A get well card was sent to him from the society wishing him a speedy recovery.

Get well and thinking of you cards were sent to Dr. Taylor. He would like to hear from you as he is recuperating and feels lonely.

If you know of any member who is ill, please let us know as we like them to know we are thinking of them.
