NEWSLETTER APRIL 04 NO. 8

NEWSLETTER OF WHEELING HISTORICAL SOCIETY

Message From The President

Dear Friends and Members:

Thinking of spring brings to mind how wonderful the museum looks now. Linda, Marilyn, Beverly and Patti have done a great job of putting the museum back in order. The walls sparkle with a new paint job and the new carpeting looks great thanks to Mitch and his men and the Park District.

Ladies, you have done a terrific job and I hope all of our members get a chance to come over and see the museum on a Sunday. Better yet, call Linda and arrange to sit at the museum for a Sunday afternoon from 2 -- 4 p.m.

At our March meeting we had a program given by Steve Boime on the history of bicycles and the races held in the past, Wheeling being a part of it.

At our April meeting we will be discussing items that will be occurring during the summer. Also, we will be asking the society members to vote on whether we should have meetings all year long. since we are doing more summer activities, this may help us organize the events better and have more participation from society members.

Some of the members of the society are working together to have a Preservation Commission in the village to help preserve some of the landmarks of the past for the future.

At the April meeting, we will be holding the election of new officers for the 2004-2005 fiscal year

and in May we will have our installation dinner at the Grove Banquets and Meeting Rooms (the Schwaben Center) on Wednesday, May 26th. Invitations will be sent out and we will be looking forward to seeing you there.

I hope your holiday was great and remember our next meeting will be Wednesday, April 28th.

Elaine Simpson, President

April Ways

Louise Welbert Sutton

Fair are the ways of April . . .
 The orchard paths disclose
 More petals than the garden,
 More perfume than the rose;

*More music than an organ,
 More beauty than a smile,
 More loveliness than summer
 Strewn down some further mile.*

The small bright winds of April,
 Like sun-winged birds that ply
 Blue arches of the morning
 Into great vaults of sky,

*Sing till their stirring voices
 Call forth the peach and pear,
 And blossoms scent the tresses
 Of April's golden hair!*

Small puddles mirror heaven,
 Gifts of the past night's rain,
 And glistening drops jewel lilacs
 Along the grass-edged lane.

*Step out, to warm bright April
 No more dull fireside hours.
 Come out to paths of sunshine . . .
 To a world knee-deep in flowers!*

A BIT OF HISTORY

Dear Friends:
I would like to share this letter received from Ms Joan Kraus , granddaughter of Christ and Marie Kraus.

Dear Sirs:

I recently found a photograph of the Kraus Bait Shop in Wheeling. I hope you will be Able to use this picture in the telling of Wheeling history.

At one time the shop was located at 532 Milwaukee Ave. (The corner of Milwaukee and Kraus Lane.) They bought the property from Mr. & Mrs. Mors and opened the store in 1939.

At the shop they had many different types of live bait and tackle for people to go fishing, with most of the bait was caught by Christ and his family in the Des Plaines River, Buffalo Grove Creek and the two ponds they owned located behind their home.

In 1948, the building was torn down and they opened their new shop on the same location. The store was open until 1962, then closed after the death of my grandfather. My grandmother owned the building until she sold it In 1968. The shop became the Wheeling Feed Mill.

Many of the children are still in the Wheeling area today.
