FAIR STARTS

SUNDAY AT NOON

Sept 2+3, 1962

Wheeling  **HERALD**

First Annual 2-Day Event

by TOM EDWARDS

The first annual Wheeling-Buffalo Grove Family Fair is ready to roll at noon Sunday, slated to steam along at a quickening tempo until the last of the trains of scheduled events fades into the end-o-summer night Monday.

A bright, colorful and noisy parade is to swing down Milwaukee Avenue in Wheeling at noon Sunday to set the torch to the festivities.

But workers from the many organizations sponsoring activities and displays will be busy Saturday and Sunday morning (after church services) preparing for the heavy anticipated crowds, including people from Prairie View, Prospect Heights and the surrounding area.

And in the dark hours of Saturday evening dark forms will be moving around a low, glowing light in Buffalo Grove park. For the steer on the spit must roast a long time to be ready for sandwiches by the following afternoon.

AT 1:30 P.M. Sunday a second parade will, pied piper-like, meander through the streets of Buffalo Grove, ending at the park at about 2:15 p.m. At that time there will be ceremonies of about 20 minutes officially naming and dedicating the park to Pvt. Albert Leonard Emmerich, the first Buffalo Grove World War II victim. He died in the battle of Saipan.

Midway attractions, located on the Whitman School grounds in Wheeling, will be waiting for the crowds from the parades.

And Junior Olympic attractions in both Wheeling and Buffalo Grove will begin immediately following the parades — as well as the horseshoe pitching contest at Whitman School.

AN EXTENSIVE array of art, crafts, hobbies, flower and vegetable exhibitions will be on display in the Whitman gymnasium following the Sunday parades until the end of the day, and all day Monday.

At 5:30 p.m. there will be a slugging match between the All-Star teams of the Buffalo Grove and Wheeling adult softball leagues in the Buffalo Grove park.

Then it will be dusk and time for listening, in Buffalo Grove park (the steer will still be sizzling over the spit, too) as the 5th Army Band, about 70 members strong, will play for the special occasion. The concert is slated to begin at 7 p.m. and continue to 8:30 p.m., interspersed with an intermission of barbershop quartet, music from the Imposters.

AND WHILE everyone is in the mood, a community sing will be conducted immediately after the band concert — and don't leave your seats — for a sky full of fireworks are on the docket for the moment the community sing ends.

If the concert and fireworks don't leave folks in a mood to go home, they are welcome to stay on in Buffalo Grove park and dance to recorded music on the basketball court (and chaw on some more steer sandwiches).

Left out of the above tasty offerings was the boiled corn that will be available with the steer sandwiches, and — (don't bring your dinner) — the van loaded with hot dogs and soft drinks that will be plying back and forth from Wheeling to Buffalo Grove.

MEANWHILE, BACK at the Midway, all day long Sunday and Monday, there will be in continuous progress a dart game, a comic make-up booth, a Naval display, movies of a political nature, an egg throwing contest, and . . . (we'll get back to the other Midway activities in a bit).

Skipping to Monday, all activities will be concentrated in the Whitman School area. And it won't be an optical illusion resulting from a hangover, but ox (rather, steer) will still be turning over a spit on the Whitman grounds. And he, the steer, will be whole again because actually it will be a brand new one simmering away next to a boiling pot of corn (on the cob).

At High Noon on Monday it is

announced that there is to be a special invitation for a drawing, or pulling, anyway, a tug-of-war between the village boards of Buffalo Grove and Wheeling, with megaphones provided for the village presidents to urge on their trustees to greater efforts — muscular in nature.

(THERE WAS no announcement as to whether bets would be accepted, even on whether the dualists would show, or who the seconds might be.)

Oh yes, there are to be free pony rides Sunday and Monday. Judging of the flower show will be announced at 10 a.m. Monday — and both the arts and crafts show and the flower and vegetable show will be open to the public until 6 p.m.

All Midway activities will blossom forth (with a new energy) Monday. Some of the booths not yet mentioned are displays by the Wheeling Plan Commission, Park District, Elementary School District 21 (with a special test of adult intelligence), High School District 214, and another by the area Turn Toward Peace Chapter.

STILL IN PROGRESS will be the egg-throwing contest (if they haven't hatched), the impressive . . . & contest. It could last all week, and that van will still be unloading hot dogs and soft drinks.

At 6:15 p.m. there will be an open air dance exhibition.

Finally, at sundown, all weary legs are invited to the Wheeling Shopping Center rear parking lot where there will be a dance to live music, more food — and a twist contest.

And one more summer will have elapsed among the Japanese lanterns and soft lights and music, with children and parents and young couples dancing, among old friends and new friends, relatives and crosstown neighbors, with the nodding of tousled heads, and with the warmth and the beauty that comes of good things and happy times, of being alive and loved . . .

End-O-Summer.

CALLING ATTENTION to the Wheeling-Buffalo Grove Family Fair is this picture window display at the Dan Crowley home at 586 Merle in Wheeling. The Amvets, of which Crowley is commander, is sponsoring the parade, and Mrs. Crowley and the Amvets Auxiliary is handling the publicity. The fair is

Sunday and Monday of Labor Day weekend, and has a jam-packed schedule of events. The program will be listed in next week's Herald. Window displays as above were suggested as an effective, inexpensive way of publicizing the fair. From left are Kathy, Duff, Jean and Ruth Crowley.

Steer Roast Is 'First' For Many

Many Wheeling and Buffalo Grove residents will be seeing their first steer roast Sunday and Monday at the first annual Wheeling-Buffalo Grove Family Fair.

The Gridiron Restaurant of the Rick Casares Pro Bowl and the Buffalo Grove Home Builders, Inc., jointly are sponsoring buying two steers to be sizzled over an open spit.

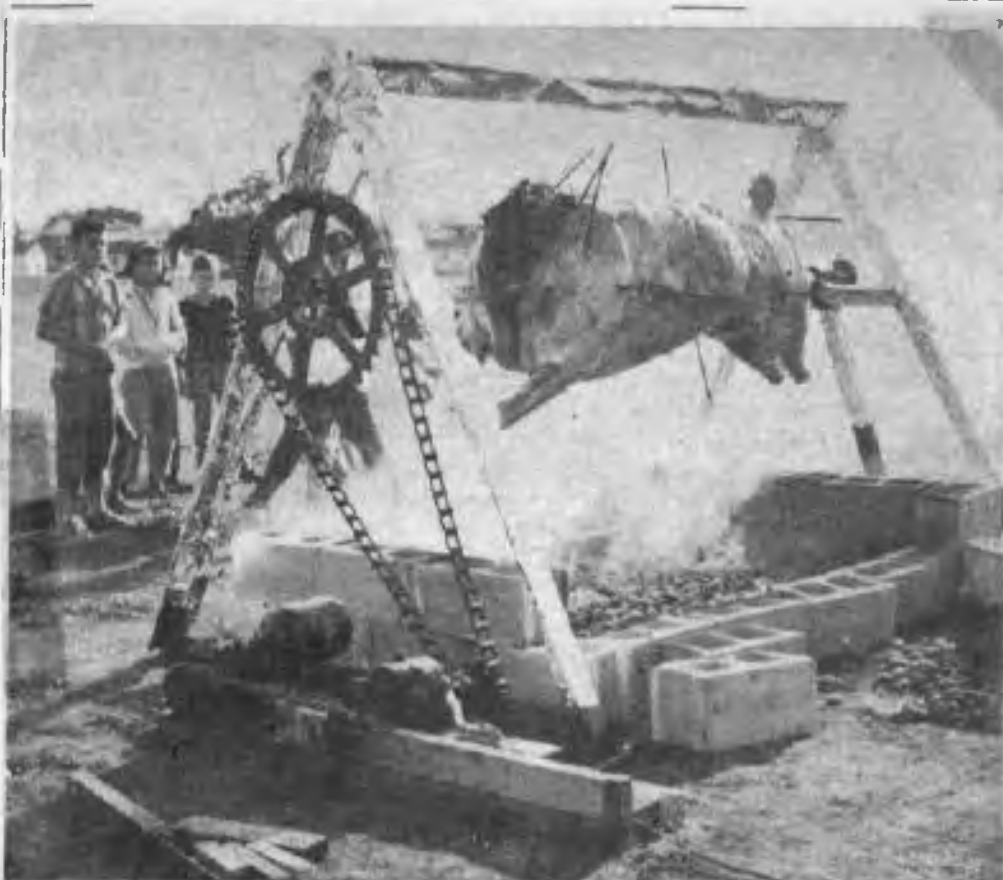

One steer is to be roasted Sunday at Buffalo Grove park, the second Monday on the Whitman School grounds in Wheeling.

ALONG WITH steer sandwiches, the sponsors also plan to serve boiled corn on the cob. A pioneer endeavor for the two sponsors, they are setting a price strictly in accordance with the fair policy of "completely non-profit and non-commercial." And if they sell all of both steers, they won't suffer any financial losses either.

They guarantee the beef won't be raw—they intend to start it roasting during the night hours.

Incidentally, International Iron Works of Wheeling is manufacturing a spit specially for the event.

Prizes as announced by Chuck Mihalek were: 1st., the Westbrook Swim and Tennis Club for their entry depicting just that; 2nd., the Meadowbrook Women's Club for their Calendar float with twelve lovely ladies costumed to represent each of the twelve months; 3rd., the Wheeling Wildcats for their several times life-size wildcat in blue and white with touches of gold; 4th, the Forest Preserve District for their ~~wooden~~ setting of forest preservation regulations.

Karen Carlson and Ann Dean won the prizes provided by Mark Drugs for the best costume—this a horse and cowboy duo. A small blonde cheerleader also selected could not be located at the time of the awards.

Winners of the cameras donated by Wheeling Township Regular Republicans for the best-decorated bikes were: Kerry Ann and Yvonne Benson dressed in identical Swedish costumes with bikes trimmed to match; Rosemary and Patty Knudel for their decorated bike and wagon unit carrying one of the girls costumed as a Dutch doll, Vicki Bjornson and Gail Miller for their covered wagon entry; Kim and David Wilson for their blue and white duplicate entry; and Terry Link.

3-Day Family Fair Success Is Hailed

Wheeling's novel Family Fair last weekend at London Junior High successfully capped another four seasons of community endeavors.

The three-day affair began with a casual dance and band concert and ended with a sweaty "rockenanny" and a dusty horse show, with a parade, shows and games in between.

"Each year it gets a little better," remarked one annual participant in this third annual Labor Day festivity, which is entirely non-profit and non-commercial.

Lions Club and the students of Wheeling High cooperated to sponsor a concert and dance Saturday night at the brand new high school. For the dance the school cafeteria was decorated in a cabaret style, and hot pizza was served. Feature of the evening was a visit and 20-minute session of music by the personable and popular "Mentor" combo playing at the Casares Pro Bowl.

ARRANGING for the band concert was the high school band director Dean DePoy.

There were 28 organizational entries in the parade Sunday sponsored by the local Amvets post, and a bevy of individual entries.

to the fair this year was a fashion show of homemade garments, sponsored by the St. Joseph Catholic Woman's Club. Mothers and daughters modeled garments mother had made.

A dog fashion show, sponsored by Joy's Doggie Parlour, was going on outside at the same time.

An egg-throwing contest sponsored by the Hollywood Ridge Homeowners Association proved to be a popular event again this year.

Casualty of the Sunday's activities were the Jaycees' well-planned batch of games and athletic activities. Starting time of these events got pushed back into the dinner hour. However, the Jaycees' greased pig event drew many spectators.

Monday's horse show was arranged by Mrs. Audrey Maynard and sponsored by Wheeling's merchants.

Arrangements for the rockenanny were made through the

Mainstay ~~again~~ again this year was the ~~and~~ and flower show sponsored by the Junior Woman's Club and the Four Seasons Garden Club, and a canning and baking exhibit was sponsored by the Good Shepherd Lutheran Church.

Other displays were sponsored by the Wheeling Fire Department, the Northwest Mental Health Clinic, the Amvets, Welcome Wagon, Park District, the Community Council, Wheeling High Spur Club, and Elementary School District 21.

Rotary Club sponsored an exhibit of industrial products manufactured in the village and also donated the tents.

The GOP Action Committee donated the awards for the best floats in the parade. Mark Drugs the awards for the children's costumes, and the Wheeling Township Republican Organizations the awards for the best decorated bicycle.

The food booth was sponsored by Ray Roach and Ed Smith, and the hot dog and pop stand was sponsored by District 21 PTA's.

Popular with the children was the Indian make-up booth sponsored and manned by members of the Wheeling Nursery School. Kiddie train rides and pony rides were provided by the Wheeling Township Democratic Organization and the Young Republicans, respectively.

WINNING FLOAT in the parade was the entry of the Hollywood Ridge Home Owners Association. Second was the Meadowbrook Woman's Club float, and third was the Spur Club entry.

Other parade entries were floats from the Cook County Forest Preserve District, Lions Club, Community Theatre, Boy Scouts and the Regular Repub-

lican Club.

Marching units were the Park District baton twirling classes, the Wheeling High School band and drill team, Wheeling High School cheerleaders, Amvets color guards, Chicago Mounties drill team, color guards from Glenview Naval Air Station and Great Lakes Naval Base, Boy Scouts, and poodles from Joy's Doggie Parlor.

Vehicles from the public works and fire departments were also parade components, plus clowns sponsored by Frank and Stub's Tavern.

FAIR CHAIRMAN was Al Back, assisted by Ray Roach, president of the Community Council which sponsors and coordinates the fair. Parade chair-

man was Frank Rannie of the Amvets.

The sound truck was the donation of the Wheeling Athletic Association.

Fence for the horse and dog shows was obtained and erected by the Amvets.

Publicity was handled by Mrs. Jerry Crowley of the Amvets Auxiliary.

The overhead street banners advertising the fair were sewn by Mrs. Donald Larke.

Many other individuals helped to make the fair success. Some were School Supt. Kenneth Gill, William Simpson, Bernard Er- lin, Al Bernstein, Village Pres- ident A. R. McNlyre, and Trus- tees Edwin Smith, Ralph Neu- bauer and Thomas Miller.

STILL OTHER contributors were Mrs. Frank Rannie, Judy Snow, Wheeling High Principal Russell Hill, Mrs. Dolly Erick- son, Victor Schiffer, L. Brumm, Ehlic Nekinken, Bernie Koep- pen, M. O. Horcher, Mark Arnove, Mrs. Betty Mazzenga, Victor Zenaty, Dan Crowley, Earl Hamren, Marg Stueck- mann, Harry McCollough, Al Petty, Mr. and Mrs. Charles Mihalek, Mrs. Wallace Lischett, Mrs. Caroline Bitter, Mrs. Con- nie Gillespie, Gene McMurray, Gene Sackett, Jack Bucalo, George Theodor, and the Palette Shop and the Ben Franklin Store.

Yet this list represents only a part of the many people that lent helping hands.

\$200 Profit Reported by Family Fair

Income from the third annual Wheeling Family Fair Labor Day weekend this year was about \$200, it was reported at a recent Wheeling Community Council meeting.

A total surplus of about \$600 has accumulated from the first three Family Fairs, according to the report. Use of the money is restricted to the fair, and it is deposited in a special sav- ings account for that purpose.

Besides getting the non-profit, non-commercial fair underway each year, the fair kitty is also to provide a financial cushion in the event of potential losses due to weather or other adver- sities.

Abuses

Charge Fairgoers 'Abused' Building

A decision on use of school properties for future Wheeling Family Fairs was deferred by the District 21 Elementary School Board to its Oct. 8 meeting.

But the board didn't defer its criticism at its Sept. 10 meeting of the manner in which London Junior High was used by the fair goers.

But School Supt. Kenneth Gill said the main reason for his recommendation that the use of school property be denied for Future Family Fairs, is because of its being held on Labor Day weekend just before the schools open rather than because of abuses to the junior high building and grounds this year.

He said he was opposed to the annual fair having been rescheduled for the junior high this year.

BOARD MEMBER Michael Donzella said he was appalled by the "utter lack of concern" shown by many fair goers for the school facilities, and added that this made his "a little disgusted with the community."

Member Lloyd Peterson added that he was deeply disappointed with the "housekeeping" qualities shown at the fair by the people of the school district.

Although there were many disposal facilities for trash, Donzella commented, people seemed to ignore them.

The other five members of the board were evidently in general agreement with the sentiments expressed by Donzella and Peterson.

Besides the littering of the grounds, numerous gum chewers had deposited their gum on the school floors, a soft drink was spilled and left in the wings of the stage, and children were "running loose" in the building, Gill reported.

BUT MOST serious, he said, was the smoking that had taken place behind stage and in the band room, despite no smoking signs and several requests to stop.

Some of the cigarette butts were stamped out on the floors. Gill said "little things can't be helped," and that it is a relatively few that cause the real troubles. There are just too many people at the fair to police everything, he added.

But it is far more important for the school building to be neat the first day of school than any other, Gill said he believes. It is detrimental to the students' attitude to begin school "in a place that looks like hogs hit it."

Seeing all the work they have done on the floors over the summer practically eradicated just before school opens also creates a morale problem for the custodians, Gill told the board.

It is also a very poor time of the year for himself to be concerned with any activities in the school other than school activities, he added.

RAY ROACH, president of the Community Council, sponsor of the fair, said there is more to be considered than just the housekeeping problems involved before the opening of school.

The school superintendent's foremost concern is the operation of classroom activities in the school, Roach said.

The school board, however, has to "consider more than just the educational aspects," he said.

The board has to concern itself with the use of school facilities by the whole community, to which the facilities belong, Roach continued.

Use of school facilities has been essential to the Family Fair — but the Community Council has also been helpful to the schools, he told the board.

FURTHER, via the Family Fair people are "informed, educated and entertained." A community wide activity for the entire community, the fair helps create an "esprit de corps," Roach continued.

Although more inconvenient for the schools, having the fair Labor Day weekend "is the most ideal date for the entire community," he stated.

"It certainly is a consideration" that the Community Council assumes the cost of cleaning up the schools after the fair, he noted.

Roach said he thinks the Family Fair "is one of the greatest things that happens in Wheeling."

The Community Council president prefaced his statements by saying that the matter is like that faced by Chicago School Supt. Benjamin Willis and the

Chicago school board last year: what responsibilities are the superintendent's and what are the board's.

BOARD member Dwight Hall said education is the prime concern of the school board, but he would not argue that there is more to education than what takes place in the classroom.

Gill said Roach "completely misunderstands" the relationship between Gill and the District 21 board. It is an "operation of cooperation," the superintendent said.

The superintendent, who was one of the original organizers of the annual fair, said some members of the council "get jazzy about the Family Fair and sell it too hard."

Thomas Edwards, a member of this year's fair committee, supported Roach's request for postponement of action by the board until after the Community Council had an opportunity to weigh Gill's recommendation. He said that the school certainly couldn't be used for the fair again as it had been this year.

BUT SOME of the fair activities, like the art and fashion show, need facilities such as the school has, Edwards said. He indicated that absolute denial of school facilities even to forbidding an outdoor activity to be moved into a school in the event of rain, would be a severe measure.

Donzella and Mrs. Norma Magneson voted against deferring a final decision until the Oct. 8 meeting.

"I think it (the fair) is the greatest thing that happens in Wheeling," Donzella explained. But he is opposed to using school buildings for the fair.

Hall asked for a notation to be included in the meeting minutes that the reason for the deferment is that the board is "concerned with making a good decision for all parties involved."

Family Fair Asks Less School Use

The Wheeling Community Council voted last week not to request use of school facilities for next year's Family Fair in the manner in which they were used this year.

The motion was debated extensively, and at times heatedly before it was adopted by a show of hands.

It reflected concerns of School Supt. Kenneth Gill and school board members for the messiness of people at the fair and the effect on the opening day of school.

Gill made the motion, saying he would substitute it for his previous recommendation to the school board that the council be denied any use of school facilities on Labor Day weekend for its Family Fair.

There were three votes against the motion. However, the vote was by roll call, and a number of non-voting members

of the council voted on the issue.

It had been argued that some of the fair activities had to be within a secure building, such as the art show.

Herald Editorial

Family Fair Proves Value

In at least one way, this year's Family Fair was a highly successful and valuable experience for Wheeling, although from a negative rather than a positive angle.

The fair illustrated something to the community about itself — that there is "a messy side" to its nature.

It was exemplified by the litter that covered the London Junior High School ground after the celebration. Watermelon rinds, corn cobs, beer cans (including the sharp edged pieces of the tops of the hand-openable variety), and paper were strewn about.

An even better example was the numerous wads of chewing gum deposited on the floor of the school itself.

If the community learned from its own example, the fair will have served a valuable social purpose — and to improve the community and its civic consciousness is one of the purposes of the Family Fair.

For the fair is not given for the community — but given by the community for itself. The community and its components need to do things in order to learn how, and there must be opportunities and encouragement for doing and learning.

The Family Fair was the vehicle which brought about Wheeling's first art and flower and garden shows, and from which was born a fashion show of homemade garments. It has provided an occasion in which the entire community can work and play together, and has fostered creativity.

Most of all, it is developing new motivations for action, and a recognition of the intangible values.

From the slovenliness innocently exhibited at this year's fair should come new awareness of individual and community responsibility.

School Board - Community Council Statement On Family Fair

"To be or not to be - that is the question?"

To be or not to be at Jack London Junior High School?
To be or not to be on the Labor Day Week-end?
To be or not to be a Family Fair at all?

These are the questions facing the Board of Education of School District 21 and the Wheeling Community Council, which sponsors the Family Fair, after a stalemate occurred in discussing the problem at Thur. Sept. 10 Board of Education meeting.

Community Council Chairman Ray Roach and Family Fair Chairman Allan Back were present at the meeting to debate the issue, also by Supt. Kenneth F. Gill his report to the Board.

Supt. Gill's recommendation that the Family Fair not be held at Jack London on the Labor Day week-end in the future apparently stems entirely from the condition which the activity leaves the building without adequate time to restore it prior to school's re-opening for the fall. He stated that the building serves adolescents; the first day of school sets the atmosphere for the whole year; this first day should not be in a building that "looks like hogs have been in it."

Specific undesirable conditions cited by Supt. Gill and various board members as existing at the close of the Fair late Labor Day were toilets stopped up with paper, towels and generally "sickening" washroom conditions, a gym floor full of chewing gum, and "75 cigarette butts on the stage near the curtains; the whole building could have burned down." Conditions outside the building caused Trustee Michael Donzella to comment that he was amazed at people's "lack of concern for conditions," after he had noted watermelon rinds and some 200 corn cobs piled around, not in, a waste container "so large" "you couldn't miss it with a bulldozer."

In the same vein Trustee Lloyd Peterson described "the actions of people toward their own property being too complacent" and his "disappointment on the part of people toward disposal facilities." This came after a reminder from Council Chairman Roach that the schools are the property of the community.

The Family Fair does pay for the cleaning of the Jack London after the Fair. No report was made on conditions after the cleaning was completed. However, Supt.

Gill did state that next year school will start the day after Labor Day. This will leave only a few hours for a clean-up. Neither Supt. Gill nor the Board cited the Fair Committee for lack of disposal facilities or for lack of effort in attempting to maintain order; in fact, several favorable comments were made.

Trustee Norma Magneson verified Mr. Roach's statement that she had inspected the washrooms at noon Monday and found conditions satisfactory. However, the events that drew the most children not under close supervision occurred after noon Monday, namely, the free train and pony rides, the rockenanny, and the continuing "performances" of the makeup booth and the Toss-in-the-Hat game. Every mother knows what havoc unsupervised children can make of a washroom in short order.

Various alternatives were suggested including a different date and/or a different site. High on the list of possible locations for next year's Fair is the 76-acre Park District site where the erection of a \$160,000 building was reported to be contemplated. An inquiry to the Park District regarding construction completion dates, Family Fair use, etc., is to be made before Oct. 19, which is the date set for a decision on Supt. Gill's recommendation. Alternate recommendations are also to be presented at that time.

To Discuss Repeat For 'Family Fair'

Suggestions for next year's Wheeling-Buffalo Grove Family Fair were to be gathered at a special "critique" meeting of "all interested persons" Tuesday at Walt Whitman School.

A written report on the fair is to be presented to the Wheeling-Buffalo Grove Community Council, sponsor of the fair, at its next meeting.

THE MEETING was called by Lloyd Peterson as special council Projects Committee chairman of the Family Fair.

Planning of the Community Council to date has been to undertake the fair on an annual basis, with the council Projects Committee serving as the coordinating body.

A letter of appreciation was sent by Peterson to all chairmen of the various fair activ-

ities sponsored by individual organizations as well as to individual contributors.

"From the attendance, reactions and comments received, it (the fair) was a rousing success and something that we, as a community, and you as a contributor, can be justly proud," the letter stated.

"YOUR COMMUNITY Council wishes to express its grateful appreciation to the organizations, business and individuals that contributed so freely of their time, effort, imagination, initiative and money in working together for better community esprit de corps with no other motive than to promote good will, creativity and pleasant association."

Members of the Projects Committee are Peterson, Mrs. Wilma Bobalko, Mrs. Audrey Christiansen, Tom Edwards, Kenneth Gill, Ronald Rank and Eugene Sackett.

COUNCIL officers are Elic Nekimken, president, Peterson, vice president, Mrs. Betty Grossman, secretary, and Peter Urban, treasurer.

There are about 16 area organizations participating in the council. (W

All community residents are invited to attend.

A list of all sponsors will be published in next week's Herald.

The end-of-summer festival is completely non-profit and non-

commercial, and no fund raising activities or soliciting for donations are permitted.

INTENT IS THAT the fair will grow through the years and become traditional. And the council is hoping that it will be most successful in the initial attempt.

Next year tentative plans are to center all activities at London Junior High as its grounds are expected to be ready then.

Family Fair Coming Up

The Annual Family Fair, sponsored by Wheeling's Community Council over the Labor Day Weekend, is scheduled for the grounds at Wheeling High School this year.

Planning Committee meetings are already underway with a few firm commitments for events by participating organizations. The Fair is intended to be entirely non-profit with any incidental proceeds being turned into the Fair fund for the following year.

Individuals and representatives of organizations interested in participating are invited to attend any or all of the planning sessions held each Thursday starting August 5th at 8:30 p.m. at the Amvets Hall on S. Milwaukee Ave. Marching units and floats for the parade, which is set for 2:30 p.m. Sunday of the holiday weekend, are being sought. Awards will be made in several different categories to be announced. Frank Rannic, of Amvets Phillip Carpenter Post #66, is this year's parade chairman.

Family Fair Is Hailed Success

10,000 Attend Events

Response to the first annual Wheeling-Buffalo Grove Family Fair exceeded nearly all expectations and has drawn many enthusiastic endorsements.

According to rough estimates of the two-day Labor Day weekend fete, total attendance must have approximated 8,000 to 10,000.

Buffalo Grove Village President William Farrington said he thought at least 5,000 must have been on hand during the band concert and All-Star softball game in Buffalo Grove park Sunday. He figured the total attendance in Buffalo Grove at about 7,000.

JUDGING FROM the number ears of corn that were sold in Wheeling Monday (about 700), it was estimated that from 3,000 to 4,000 visited the exhibits at Whitman School Sunday and Monday.

High points of the fair, according to many statements, were the art and flower show at Whitman School and the band concert at Buffalo Grove's Emmerich park.

A feature attraction was the steer roasts in both places, and the sandwiches sold like hot cakes.

"Next year's fair" was a common topic of discussion by most participants. Patrons of Frank and Stubs bar, who whipped together a float at the last minute for the parade in Wheeling, announced that they have already whopped up plans for a full scale entry from the tavern in next year's parade.

TRUSTEE THOMAS Miller of Wheeling, who labored on the flower show, enthusiastically praised the entire effort, terming the festivities as "terrific," and expressing hope that they would be continued in the future.

Farrington, who labored long on the Buffalo Grove park dedication ceremonies, was astounded and extremely pleased with the response. "Everything went off so well," he said. It went off so well that he thought it might be hard to duplicate again — and in the next breath was talking of what could be done next year.

The fair drew a heartfelt endorsement from Wheeling Park District President, Mrs. G. L. Duke. "A tradition and sort of a heritage for the community" is being established by the fair, she said. "It gives people a sense of belonging."

THERE WERE also some grumbles and dissident opinions; some expressed a preference for another weekend; some complained of others not cooperating enough; some were not in agreement with having it as a permanent Wheeling - Buffalo Grove Community Council project; some complained of the work loads that fell upon them; many didn't like having events spread out between two locations; there were resentments and jealousies over who had what authority; and complaints about how the fair should be conducted.

But judging from the overwhelming public response and the

harvest of fun and satisfaction that was reaped, there almost assuredly will be a bigger and better fair next year.

Incidentally, one soothsayer accurately predicted an attendance of 8,000 four weeks before the fair was held.

AN EXHIBITION by the dance classes of the Wheeling Park District was one of the concluding events of the Family Fair activities at Whitman School.

Cite Contributions To Family Fair Event

by TOM EDWARDS

A staggering long list of credits for the Family Fair sponsored by the Wheeling - Buffalo Grove Community Council Labor Day weekend has been submitted to the Herald.

But perhaps the first mention of praise should go to Wheeling - Buffalo Grove School District 21 and its Superintendent Kenneth Gill, Buffalo Grove Home Builders, Inc., and its chief, Albert Frank, the Buffalo Grove village officials who labored long, and the hard driving and long suffering Fair chairman, Lloyd Peterson.

It was the school district facilities that made so successful the activities in Wheeling, par-

ticularly the art and flower shows, generally rated the high point of the fair.

AND IT WAS park facilities of Buffalo Grove that so ably cradled many activities, including the best attended event of the fair, the concert by the 5th Army Band from Fort Sheridan.

A joint project of community organizations, over 30 took part by sponsoring one or more activities.

Focus of publicity and the ace drawing card was the steer roast, the joint project of Al Frank and the Gridiron Restaurant. It required the largest investment, and proceeds fell \$98 short of meeting the cost.

Builder and donater of the spit for the roast was Barney Tokarsky, owner of International Iron Works on Wheeling Road.

Corn for the corn roast came fresh from the fields of the Koeppen family, who operate the produce stand on Dundee Road in Wheeling.

Plaudits were given the Wheeling Lions Club for its sponsorship of the free community dance.

HISTORICAL event was the park dedication ceremonies in Buffalo Grove, named after Pfc. Leonard Emmerich, who died on Saipan. Present at the ceremonies were Emmerich's parents, who still reside in

Buffalo Grove. Village President William Farrington, Trustees James Gillen and William Marsh, and Park Commissioner James Stoltenberg were the architects of the dedication ceremony.

Participants in the two parades, besides the colorful children, included the Glenview Naval Air Station, Amvet color guards, Barrington Baton Twirlers, Scouts, Wheeling Fire Department and Public Works Department, Frank and Stubs Tavern, Clown George Klatt, Storyteller Val Betten, the Amvets from several communities, American Legion Post 281 and the Mundelein VFW, Arcadia Farms Stables, the Abner Disposal Service in tuxedos, Meadows Employment Agency, and the team of horses of M. Raupp.

OTHER organizations sponsoring fair events were: Amvets and Amvets Auxiliary, publicity and parade; Wheeling Park District and Buffalo Grove Recreation Association, Junior Olympics; Wheeling Township Regular Republican Club and Young Republicans, contests and pony rides; Rotary Club, flower show; Wheeling Junior Woman's Club, art show; members of the Buffalo Grove board, parade; Police Departments, traffic control; Wheeling Democratic Organization, contests and ribbons for Olympic winners; Wheeling Plan Commission, display; School District 21, display; Hollywood Ridge Homeowners Association, egg throwing and twist contest; PTA's, hot dog and pop stand; Wheeling United, portable loud speakers; Mason's, dart throwing game and horseshoe contest; Buffalo Grove Woman's Club, bean counting contest; area peace organization, display; Wheeling Library, coffee; Lauterburg and Oehler Funeral Home and Aptakistic Tripp School, chairs; Lynch, Buick and North American Heating.

Other businesses contributing were the Trailer Ranch, Dunhurst Drugs, McIntyre Lumber and Supply Co., Schaeffer's Fashions, Paddock Publications, Mark Drugs, WNCW radio station; Ace Hardware, Union Hotel, Lindy's Delicatessen, and Tower Packaging Co.

AMONG the many industrious individuals were members of the Wheeling Athletic Association led by Jay Pate and Earl Hilchey as meatcutters, members of the Jaycees, Peter Urban, Mrs. Evelyn Diens, Robert Buerger, E. Hoelterhoff, Sherry Riley, Tim Cornell, Mr. and Mrs. Harold Henry, David Morris, Mr. and Mrs. Ed Smith, Thomas Miller, Mrs. Sherwood, Glenn Oaks, the David Wrights, Don Ferguson, Bill LaPon, James Hayes, James Conroy and James Yates, Ward Chase, Gerry Lichtenberger, W. Old-Time Fair Will Run Two Days in Wheeling

Two days of fun, spearheaded by a "step-in" parade, will be the aim of the Wheeling Community council's second annual Family fair Sunday and Monday at Jack London Junior High school, 1001 W. Dundee rd., Wheeling.

Kicking off the two-day "old-time" free fair will be a parade which will line up at 2 p. m. Sunday at Hintz and Elmhurst roads, move north on Elmhurst road to Dundee road, then west to the junior high school.

Clydesdale Horses

Included in the parade will be floats, bands, marching units, baton twirlers, and the Hawthorn-Melody Clydesdale horses. Children will be urged to join in the "step-in" parade, said Mrs. Daniel Crowley, 586 Merle lane, Wheeling.

The fair, which will continue until late Sunday and all day Monday, will offer dancing, baking, sewing and arts and crafts displays, a hootenanny, an all-day horse show, junior

Olympics competition, a pie-eating contest, and a flower show.

One highlight will be a beautiful baby contest in which contestants will be asked to match up baby pictures with current snapshots of village officials.

Water Fights

The Wheeling volunteer fire department also will participate in gigantic water fights if there isn't a dry spell before the fair, Mrs. Crowley said.

All events will take place on the high school grounds and inside the school. Blue ribbons will be offered in the canning and baking competition. The village of Wheeling G. O. P. action committee will offer a traveling trophy to the best float in the parade.

HOLIDAY

Begins Saturday At London School

Labor Day weekend the second annual Family Fair — a strictly non-profit, non-commercial enterprise — will be held at London Junior High School on Dundee Road in Wheeling.

Highlights this year are to be a arts and crafts show, a flower and vegetable show, horse show, dog show, hootenanny, and of course a parade. Homemaking arts are also to be featured prominently, and there will be the usual games and athletic events.

Sponsored by the Community Council of Wheeling, participation is practically unlimited. Any organization, institution or individual is welcome to either take part by entering one of the events or simply as a spectator.

All activities and displays are the responsibility of the individual or civic group sponsoring them, with the council, itself an "organization of organizations," serving as the coordinator.

PURPOSE IS to have an annual community-wide undertaking free of all, even charitable, money-making motivations and material promotions. All prices have been set to only cover fair expenses. But most events are donated.

The fair is designed to foster and give rein to creative imagination, to provide a showcase for the endeavors and achievements of persons and groups of the community, and to promote cooperation and harmony.

Atmosphere of the "end-o'-summer" fete is planned to be on the order of a Mardi Gras.

Entries in the art, flower and vegetable shows will be accepted all day Saturday, Aug. 31, at the school. Hobby and craft exhibits will be accepted from 2 to 4 p.m. Saturday, and Sunday from noon on.

Judging of the flower show will be at 3 p.m. Saturday, and entrants must supply their own containers.

SEWING, needlework, canning and baking exhibits are also slated. Sewing entries are to be brought either to the Good Shepherd Church, 1111 N. Elmhurst Road (just south of Hintz Road), from 3 to 5 p.m. Saturday, or to London Junior High from 2 to 4 p.m. Sunday, Sept. 1.

Ribbons will be awarded for the best entries in the baking and canning exhibits. Entries are to be brought to the school from 2 to 4 p.m. Sunday (following the parade). After they are judged, they may either be left for sale, display, or taken home.

The horse show will be from 9:30 a.m. to 4 p.m. Monday, Sept. 2, at the rear of the school grounds. There will be 24 classes of competition and an all-show winner.

SPONSORED by the Wheeling merchants, the horse show is to include special categories for quarter horses, Appaloosas, stallions, mares and geldings, and children and adult events. Included will be barrel and flag races.

A children's hootenanny in the school gym will immediately follow the parade, which begins at 2 p.m. Sunday.

And a children's dog show will be the next major event following the songfest. There will be a special exhibition of "dog fashions."

Topping off Sunday will be an all-star baseball game and a water fight by the Wheeling Fire Department.

Plans Under Way For Family Fair

Posters can now be seen in Wheeling places of business advertising the Family Fair, and next week hand bills will be distributed door-to-door by members of the Amvet Auxiliary acting as publicity agents for the Family Fair.

Wheeling's churches are joining in the work and fun of this year's Fair, fair publicity chairman, Mrs. Florance Crowley reports.

St. Joseph the Worker Women's club will have a float in the parade. St. Mark United Church is sponsoring a baking contest, with ribbons for the best bakers in town.

Three Days of Wheeling Fun

Final preparations are in a dither for the second annual Family Fair over Labor Day weekend at London Junior High in Wheeling.

Most activities are slated for Sunday and Monday, Sept. 1 and 2, but a few will open on Saturday, Aug. 31.

Sponsored by the Community Council, any organization, institution or individual is welcome to take part by sponsoring an activity, entering an event, or simply as a spectator.

The fair is strictly a non-profit, non-commercial festivity. Prices are set to cover fair expenses only.

Reason is to have an annual community-wide undertaking free of all, even charitable, money making motivations and material promotions.

Purpose of the fair is to foster and give rein to creative imaginations, to provide a showcase for the endeavors and achievements of persons and groups within the community, and to promote cooperation and harmony.

ATMOSPHERE of the "end-of-summer" fete is planned to be on the order of a Mardi Gras.

Highlights this year are to be a horse show, an arts and crafts show, a flower and vegetable show, dog show, two hootenannies (folk sings), and of course, a parade.

Homemaking arts are also to be featured, as well as displays of the activities of various organizations and governmental units. And there will be the usual games and athletic events.

ENTRIES WILL be taken in all events up until the "final minute."

Displays will be open to the public beginning at noon of each of the three days, and concessions, games, contests and other activities will open at noon Sunday and Monday.

Concessions are to include watermelon, roasted corn, barbecues, hot dogs, pop, and coffee.

DISPLAYS ARE to include ones by the post office, school district, plan commission, park district, Northwest Mental Health Clinic, and Northwest Suburban Peace Center.

There were 37 individual entries in the parade as of last weekend. A bevy of children

competing for the prize for the best costume and best decorated bike prizes are also expected.

A trophy for the best parade float is to be awarded. The parade starts at 2 p.m. Sunday at Hintz and Elmhurst Road, and will proceed to the school grounds.

FOLLOWING the parade will be a children's hootenanny, then the children's dog show.

Other activities for children

Sunday and Monday will be an Indian make-up booth and dart game. Monday there will also be a train ride, pony cart ride, athletic contests, another hootenanny and fireworks.

Entries in the baking and canning contest will be exhibited and some sold Sunday and Monday.

SEWING and needlework entries will also be on exhibit Sunday and Monday.

Visitors to the flower, vegetable, and art shows will be open on all three days of the weekend. Hobbies and crafts will also be accepted for exhibit.

A folk singing session for all ages will be held beginning at 6:30 p.m. Sunday, after which there will be a fireworks display ending the fair — and heralding the return to school the next day.

FOR DETAILED information and times, see other stories in this issue of the Herald.

General chairman of the fair is Ray Roach, LE 7-2871.

The Community Council is an "organization of organizations." Voting members are the delegated representatives of participating organizations, and any person may be a member in a non-voting capacity.

DOG SHOW—Clutching a ribbon and a trophy she won with her poodle was this participant in the children's dog show at the Family Fair. There were about 40 entries.

Fair Parade Needs More Participants

The Family Fair parade is off to a good start, according to its sponsor, but more participation is wanted.

"Because of school being out and organizations not meeting in the heat of summer, it has been difficult to get in touch with many who should be in the parade," according to parade publicity chairman, Mrs. Florance Crowley.

EVERYONE IS invited to take part, she reports.

"The parade marshal would like as many boys and girls as the town has.

"If you have a bike, decorate and ride it. Pretend it's Halloween, dress-up in costumes,

and march."

Prizes for the best costume are to be given by Mark Drugs, and the Wheeling Township Regular Republican Club will give prizes for the best decorated bikes.

TROPHIES for the best floats are being offered by the Republican Political Action Committee.

For information, call M. Rannie, LE 7-1655, or Mrs. Crowley, LE 7-1012. (W

Parade entries are still being accepted, by Rannie, who may be reached at LE 7-1655.

The parade will form Sunday, Sept. 1 at 1:30 p.m. and roll at 2 p.m.

'Hootenanny' Here Monday

Come and sing or listen, and bring a song, guitar, harmonica, or anything else that will fit in with the Family Fair hootenanny Monday, 6:30 p.m., in the London Junior High gym, Dundee Road, Wheeling.

That's the invitation of the group of newly ordained folk singers being sponsored by the Northwest Suburban Peace Center.

They are planning to present a medley of songs to kick the songfest off, and anybody else that wishes to perform will be welcomed.

FOLK SONGS to be included

in the prepared medley will hail from various walks of life throughout the world. There will be both individual and audience participation songs — and the whatever contributions are forthcoming from individuals in the audience.

A special children's hootenanny is slated in the gym for immediately following the parade Sunday, also sponsored by the Northwest Suburban Peace Center.

For information, call Robert Brower, LE 7-0807.

Plan Indian Make-Up Booth at Family Fair

Of the many attractions at the forthcoming Wheeling Family Fair, one of the most popular is sure to be a "Make-Up" booth sponsored by the Wheeling Nursery School, the group reports.

Here any little boy will be able to pick his favorite Indian and "presto" with a helping hand become a "living color" Indian, it is reported. The girls are to be transformed into fairy princesses complete with crowns.

Also on display will be some of the many projects completed by the pre-schoolers attending the Wheeling Nursery School.

Everyday from October through May children tramp into St. Mark's United Church of Christ, Route 83 and Jenkins Ct., to spend two and one-half hours working, playing and learning at the nursery school. This is a non-profit, non-sectar-

ian organization established in October of 1959, the school states.

DURING THE summer of that year three local women, Jan Roberts, Mary O'Dwyer and Pudge Weber, recognized the need for some type of directional play for their pre-school age children.

Enlisting the aid of five friends, they formed a board of directors, wrote by-laws, applied for and obtained a state license. After securing the proper facilities, they hired Dorothy Glover, a kindergarten teacher of many years experience and an assistant, Jane Moore.

Proceeding on the premise that children in the 3-to-5-year age group need and want a limited amount of direction even at play, Dorothy and Jane laid out a program format, and in the

fall of 1959 opened the doors of the Wheeling Nursery School.

SHOW AND TELL, crayon and paint work, stories, dramatics, music, free play periods and special projects round out the children's schedule. Special projects take the form of Christmas decorations, Valentine boxes, May baskets and station, Pal-Waukee Airport Mother's Day cards.

During the school term field trips are planned to local areas of interest, bus rides to the fire and the Nature Center.

Starting Oct. 1, the board members are enlarging enrollment and instituting a new program for five- and six-year old children. Reading readiness, number work, science and advanced activities will be undertaken. (W)

Plan Sewing Booth At Wheeling Fair

The Lutheran Church Women of Good Shepherd Lutheran Church participate in Wheeling Family Fair Labor Day weekend, Aug. 31 and Sept. 1-2.

ENTRIES will be received at Good Shepherd Church, 1111 N. Elmhurst 111 North Elm-

hurst Road, Prospect Heights, Saturday Aug. 31, from 3 to 5 p.m. and on Sunday, Sept. 1, from 2 - 4 p.m. at the booth at Jack London Junior High School in Wheeling.

The Fair opens Saturday at London Junior High School and will continue until dark. It will be open again on Monday, Sept. 2, from 9 a.m. to 6 p.m.

'Pretty Babies' Featured

Wheeling personalities will be featured in the "Past Pretty Babies" contest sponsored by the Meadowbrook Woman's Club at the family Fair Labor Day weekend.

The corridor of Jack London Junior High will be the spot where anyone may try to match baby and recent pictures of Mary Burlingham, village librarian; Carolyn Hanks, school board member; Betty Chindberg, President of Meadowbrook Woman's Club; Ted Scanlon, police magistrate; Chuck Mihalek, chairman, GOP Action Committee; and Hugh Sommerfeld, President of Community Council, plus others.

Two prizes will be awarded: one to the person who matches all the photos correctly; the other to the "prettiest baby," which will be determined by votes cast by the participants. Voting will be on ballots. Winners and answers will be announced in next week's Herald.

Analyst to Report on Handwriting

Marie Antoinette Bjertness will again do grapho-analysis at this year's Family Fair Labor Day weekend.

Grapho-Analysis, commonly called hand writing analysis, tells the person who's writing is being analyzed about their emotions, personality, goals and talents.

Marie is a graduate student from Maine Township Adult Education classes in grapho-analysis. She was a popular addition at last year's Fair, as she is at all PTA, charity and club activities.

Guild to Hold Baking Contest

The Women's Guild of St. Mark United Church of Christ will sponsor a baking contest at the Wheeling Family Fair.

The fair is scheduled for Labor Day weekend, Aug. 31 and Sept. 1 and 2, at London Junior High School. The baking contest will be at 2 p.m. on Monday, Sept. 2.

RIBBONS WILL be awarded for winning entries in four di-

visions: cakes, pies, cookies, and bread rolls and coffee cakes.

Men and women are eligible to enter the contest. Entries will be accepted at any time up until 2 p.m. Monday.

Entrants are asked to identify their entries with their name and phone number on the bottom of the pan or plate. (W)

Seek Participants in 'Family Fair' Parade

The call has gone out for participants in the Family Fair parade scheduled for the second day of the second annual Wheeling-Buffalo Grove Labor Day weekend festival.

"We want bands, scouts, baton twirlers, kids in dress-up clothes, decorated bikes, floats, organization marchers—anything and everything," says Mrs. Jerry Crowley, publicity chairman for the Amvets-sponsored parade.

She requests that organizations interested in joining the parade contact her as soon as possible, so tentative plans can be outlined. Her phone number is LE 7-1012.

THE EVENT is not limited to Wheeling groups, and others from the area are invited to participate. One of the organizations already lined up is the Custer Brigade of Libertyville,

a drum and bugle corps sponsored by Amvets.

The first parade last year included 15-20 different units.

"We'd like to have as many as possible this year," Mrs. Crowley says.

The parade will probably follow a mile-long route from the corner of Hintz and Elmhurst Roads to Dundee Road, then west to Jack London Junior High School, central arena for the three-day festivities Aug. 31-Sept. 2.

ABOUT 24 groups have signed up so far to sponsor events, according to fair chairman Ray Roach, who urges "extensive participation by all organizations in the village."

Most recent additions to the list are the Wheeling Athletic Association, which will sponsor a ball game; Wheeling Park District, field day, and Jaycees, who have not yet picked a project.

A large tent has been secured for displays by small industries, which will not, however, be permitted to have sales representatives present—the fair is on a strictly non-commercial, not-for-profit basis.

PURPOSE of the fair is to provide fun for all families and serve "community esprit de corps," Roach explains.

A meeting of representatives from all participating organizations is tentatively scheduled for next Wednesday.

CONCENTRATION—The horseshoe pitching contest, lasting two days, proved to be a popular event at the Family Fair at London Junior High in Wheeling. ART WORK lined the corridors of London Junior High during the Family Fair Labor Day weekend. Displays of sewing, knitting, canning, hobbies and the work of Wheeling governmental bodies filled the hallways.

THE VEGETABLE show at the Family Fair in Wheeling last weekend drew the attention as well as the touches and pinches of the young. Children seemed to be more attracted

to the vegetables than the flowers. Crowds thronged through the exhibits until closing time on both Sunday and Monday.

Horse Show Feature

Seek Entries From Suburbs

A horse show with 24 classes of competition will be a highlight of the second annual Family Fair of the Wheeling - Buffalo Grove community over Labor Day

weekend.

Being sponsored by Wheeling merchants, the show has been approved by the Illinois Quarter Horse Association and the Illinois Appaloosa Association. Spectators and exhibitors will be admitted free.

It will be Monday, Sept. 2, in the rear area of London Junior High, Dundee Road just west of Elmhurst Road, beginning at 9:30 a.m.

Show secretary, Mrs. Audrey Maynard, is expecting a large turnout, noting that it will be the only horse show in the state on Labor Day.

A TROPHY will be awarded to the first place winners in each of the 24 classes, and ribbons for the runners-up. There will also be a trophy for the high point winner of the day.

Entry fee for competitors is \$3, and Oliver Mudd of Buffalo,

Ill., will be the judge.

Competition in "halter classes" will be divided between quarter horses, Appaloosas, and western model non-registered horses. There will be separate categories for stallions, mares and geldings.

THERE WILL be 17 "performance classes." They are: open junior pleasure (riders 12 and under), open pole bending, senior horsemanship (riders 17 and over), open barrel race, Appaloosa costume, speed and action, non-registered pleasure, registered junior pleasure (quarter horses four years and under), rescue race, registered senior pleasure (quarter horses five and over), Appaloosa reining, open ladies western pleasure, egg race, junior horseman-

ship, (riders 16 and under), flag, Appaloosa bareback pleasure, trail class.

All Appaloosa horses must be registered with the Appaloosa Horse Club of Moscow, Idaho.

All activities in the Family Fair are to be conducted on a non-profit, non-commercial basis, and are sponsored by local civic organizations, institutions and individuals.

OTHER FAIR activities will include an art show, hobby and crafts show, flower and vegetable show, parade at 2 p.m. Sunday, hootenanny Sunday afternoon and night, displays, games, concessions, rides, and home baking, canning and sewing competition.

For information on the horse show, contact Mrs. Maynard, 320 E. Jeffery, Wheeling, Le 7-5234. (A14)

ACTION PLUS—The first Family Fair horse show at Wheeling's London Junior High was considered a "whopping" success. An all-day event, action never ceased in the show

ring, and there was a crowd from beginning to end. Above one of the many riders is shown competing in the barrel race.

HORSES LIKE THESE and many more are slated to perform at the Family Fair horse show Monday,

Sept. 2, from 9:30 a. m. to 4 p. m. at London Junior High in Wheeling. There will be barrel and flag

No Steer Roast, Though

Horse Show Is Added To Family Fair Fun

A horse show has been added to the events of the Family Fair at London Junior High in Wheeling over Labor Day weekend.

Plans for the horse show were announced at a meeting of the Community Council's fair committee July 24. Its sponsor is to be Mrs. Rober Maynard of Wheeling.

But evidently there won't be any repeat of last year's steer roast, as no sponsor for the event has yet come forward. The hoped for band concert is still dangling, also.

MRS. FLORANCE Crowley reports that plans for the parade, being sponsored by the Amvets, are proceeding well. She asks that anyone interested in participating contact her at LE 7-4012. Sponsor of the event is the Wheeling Amvets.

In connection with the parade, the Wheeling Township Regular Republican Club is sponsoring a float contest and a bike dec-

oration contest. Plaques will be given for the best parade float.

A hootennany is to be sponsored by the Northwest Suburban Peace Center.

A FLOWER show is being sponsored by Rotary Club, an art show by the Wheeling Junior Woman's Club, and a hobby show by the Buffalo Grove Woman's Club.

Pony rides will be the offering of the Wheeling Township Young Republican Club, the Masonic Lodge will sponsor a horseshoe pitching contest and a dart game, and the Lions Club the dance.

A kiddy train ride is being planned by the Wheeling Township Democratic Organization, and the Wheeling Jaycees are to have a pie eating contest.

HANDLING THE field day events will be the Wheeling

Park District, and ball games are to be sponsored by the park district and the Wheeling Athletic Association.

Several other groups are also participating with contests and displays. Plans are being made for tents for the displays.

The fair is to be Saturday, Sunday and Monday of Labor Day weekend. It is strictly a non-profit, non-commercial adventure. It was initiated last year by the Community Council, which is the overall sponsor.

THINKING WAS that it should be an annual cooperative community festival—and one event during the year which would be free of money making or promotional motives even for the sake of charity, to do something simply for its own sake. (Organizations are asked to set their prices for concessions to only cover costs). An end-of-summer date was chosen.

Suggested activities which are still unsponsored are a greased pole climb, homemaking displays (such as sewing, baking and canning), fireworks, antique show, tug-of-war, donkey baseball game, various concessions (watermelon booth, corn roast, pancake breakfast), and musical events.

"Your participation is limited only to your imagination," Ray Roach, general chairman, said.

John Corbin is filling in as chairman for the next two weeks while Roach is taking part in reserve military training.

A PICTURE PAGE of the Family Fair in Wheeling and Buffalo Grove Day is included in this issue of the Herald. Above is the Indian costume contest for Appaloosa horses and their riders at the Family Fair horse show.

TWENTY-FOUR CLASSES including riding, racing and costume will be entered in the horse show at the second annual Wheeling - Buffalo Grove Family Fair over Labor Day weekend.

SETTING themselves to the task were these eager contestants in the Jaycees' pie eating contest at the Family Fair at London Junior High in Wheeling last weekend. Girls with long hair evidently had extra difficulties.

ping success" of the horse show sponsored by the Wheeling merchants and put together by Mrs. Robert Maynard, to the opening parade of the Amvets and the dither of getting the displays into place—the Family Fair was a happy and historic event.

It was fun at the hootenanny sponsored by the Northwest Suburban Peace Center (even though it got a little warm), and it was fun at the games and rides sponsored by the Masons, the Republic and Democratic organizations, and the Meadowbrook Woman's Club, Wheeling Nursery School, Jaycees, and Hollywood Ridge Homeowners' Assn.

Interesting and creative were the entries in the art, flower, hobby, sewing, baking and canning exhibitions sponsored by the Junior Woman's Club, Rotary Club, Buffalo Grove Woman's Club, Good Shepherd Lutheran Church, St. Mark United Church of Christ, and the Community Presbyterian Church.

AS IS intended, it was just about as non-commercial and

non-profit as it could be, and the fair was the product of cooperation, ingenuity and initiative as exhibited by the Edwin Smith and Ray Roach families, who furnished spectators the watermelon, roasted corn, beef sandwiches and hot coffee. Any profits are to go into the fair's sinking fund for expenses, and the fund is usually sinking.

And the spirit was there all the way through, perhaps expressed best by people like Mrs.

Florance Crowley, who handled publicity and nearly wore out a telephone getting things together for the big weekend, and John Corbin who was everywhere all the time, and Kenneth Gill who never did get out of work clothes, and James Wieder and Wallace Lischett, who operated the horseshoe contest and dart game incessantly for two days.

IT WAS A festive family outing, a fitting cap to the end-of-summer.

It was better than last year's fair, it was generally agreed, and it was probably better this year because of the meticulous work done last year by people like Lloyd Peterson to get the whole shebang started.

And it probably will be still better next year because of the examples set this year.

Incidentally, about 10,000 people were there, it is estimated, and many stopped by more than once.

Buffalo Grove Day, Sunday, Sept. 1, will kick off with a parade winding through the village to the village park on the north side of the village.

Included on the packed festival agenda are a polo game, Indian dancers, parachute jumping, fireworks, band concert, dancing and several exhibitions.

THE PARADE is to start promptly at 1 p.m. at Navajo and St. Mary Streets, proceeding down Navajo to Bernard, Bernard to Lincoln, Lincoln to St. Mary, then to Raupp Street and the park.

Upon arrival of the parade in the park, there will be an invocation and speeches, a performance by a drill team, and judging of

the parade entries.

Dancers from the Chicago American Indian Center will perform in costume at 2:45 p.m., and Indian handicrafts will be on exhibit and sale.

BESIDES THE polo game at 3 p.m., there will be a women's softball game and finals of the Junior Olympic contests, preliminaries of which will be on Saturday.

Scheduled for 4 p.m. is an exhibition by the daring members

of the Chicago Sky Divers Club. They are to parachute into the park from a height of 7,500 feet.

The sky divers will plummet 5,000 feet before opening their chutes, and smoke pots will be attached to their legs to mark the progress of their falls. They will be aiming for a target to be marked out in the park. They are based at Campbell Airport at Round Lake.

FOLLOWING the parachutists, Buffalo Grove's Little League champions will meet a Little League all-star team.

An archery exhibition is slated for 5:10 p.m., and at 5:30 awards are to be presented to the winners of athletic contests and the home and garden exhibition entries.

An ex-circus performer living in Buffalo Grove, Tony Krolack, 332 Glendale, is to give an exhibition of juggling and tumbling at 5:45 p.m. Krolack is reported to be considering a return to the circus.

Another baseball game, between the champions of the Buffalo Grove Minor League and an all-star contingent from the league, will take place at 6 p.m.

A concert by the U.S. Navy Band will be the sole feature at 7 p.m.

Square dancing is to follow the band concert at about 8 p.m., and at 9 p.m. there will be a fireworks display.

After the fireworks there will be more dancing under the stars.

Roasted steer rounds are to be the highlight of the concessions. Other foods will be hot dogs, ice cream, pop, popcorn, coffee, cake and pie.

There will also be pony and miniature train rides, plus a horse drawn hay rack.

A POLO GAME IS SLATED at the Buffalo Grove village park Sunday, Sept. 1, beginning at 3 p. m. between a team from Arcadia Farms of Long Grove and an "all-star" team. The game, part of the Buffalo Grove Day attractions, will be behind St. Mary's School on the north side of the park.

Buffalo Grove Day Big Success, Too

Beginning with a parade including nearly 1,000 entries and ending with a

band concert that drew an estimated 3,000, Buffalo Grove Day Sunday was considered a rousing accomplishment.

Sponsored by the Buffalo Grove village board, the festivities were attended by a number estimated to have reached 6,000.

The parade was followed by an authentic Indian dance.

NEXT ON the packed agenda was a polo game, witnessed by about 1,000.

About 4 p.m. thousands of eyes scanned the sky waiting for the descent of three parachutists. About 15 minutes later three plummeted to earth, landing in a soybean field just outside their target area adjoining the park.

Athletic contests — softball games and track and field competition — occupied the youngsters for most of the remainder of the afternoon.

PRELIMINARIES in the track and field events had been held Saturday, and the finalists from among the hundreds who entered sprinted for their ribbons Sunday.

Women of the Alcott PTA downed the Buffalo Grove Woman's Club by three runs in the ladies' softball contest.

Before the day was far gone the concession stands were nearly sold out, including 300 pounds of beef rounds that had been roasted on a spit.

A CONCERT by a band from Great Lakes U.S. Naval Training Center was called and was reported to have been enthusiastically received.

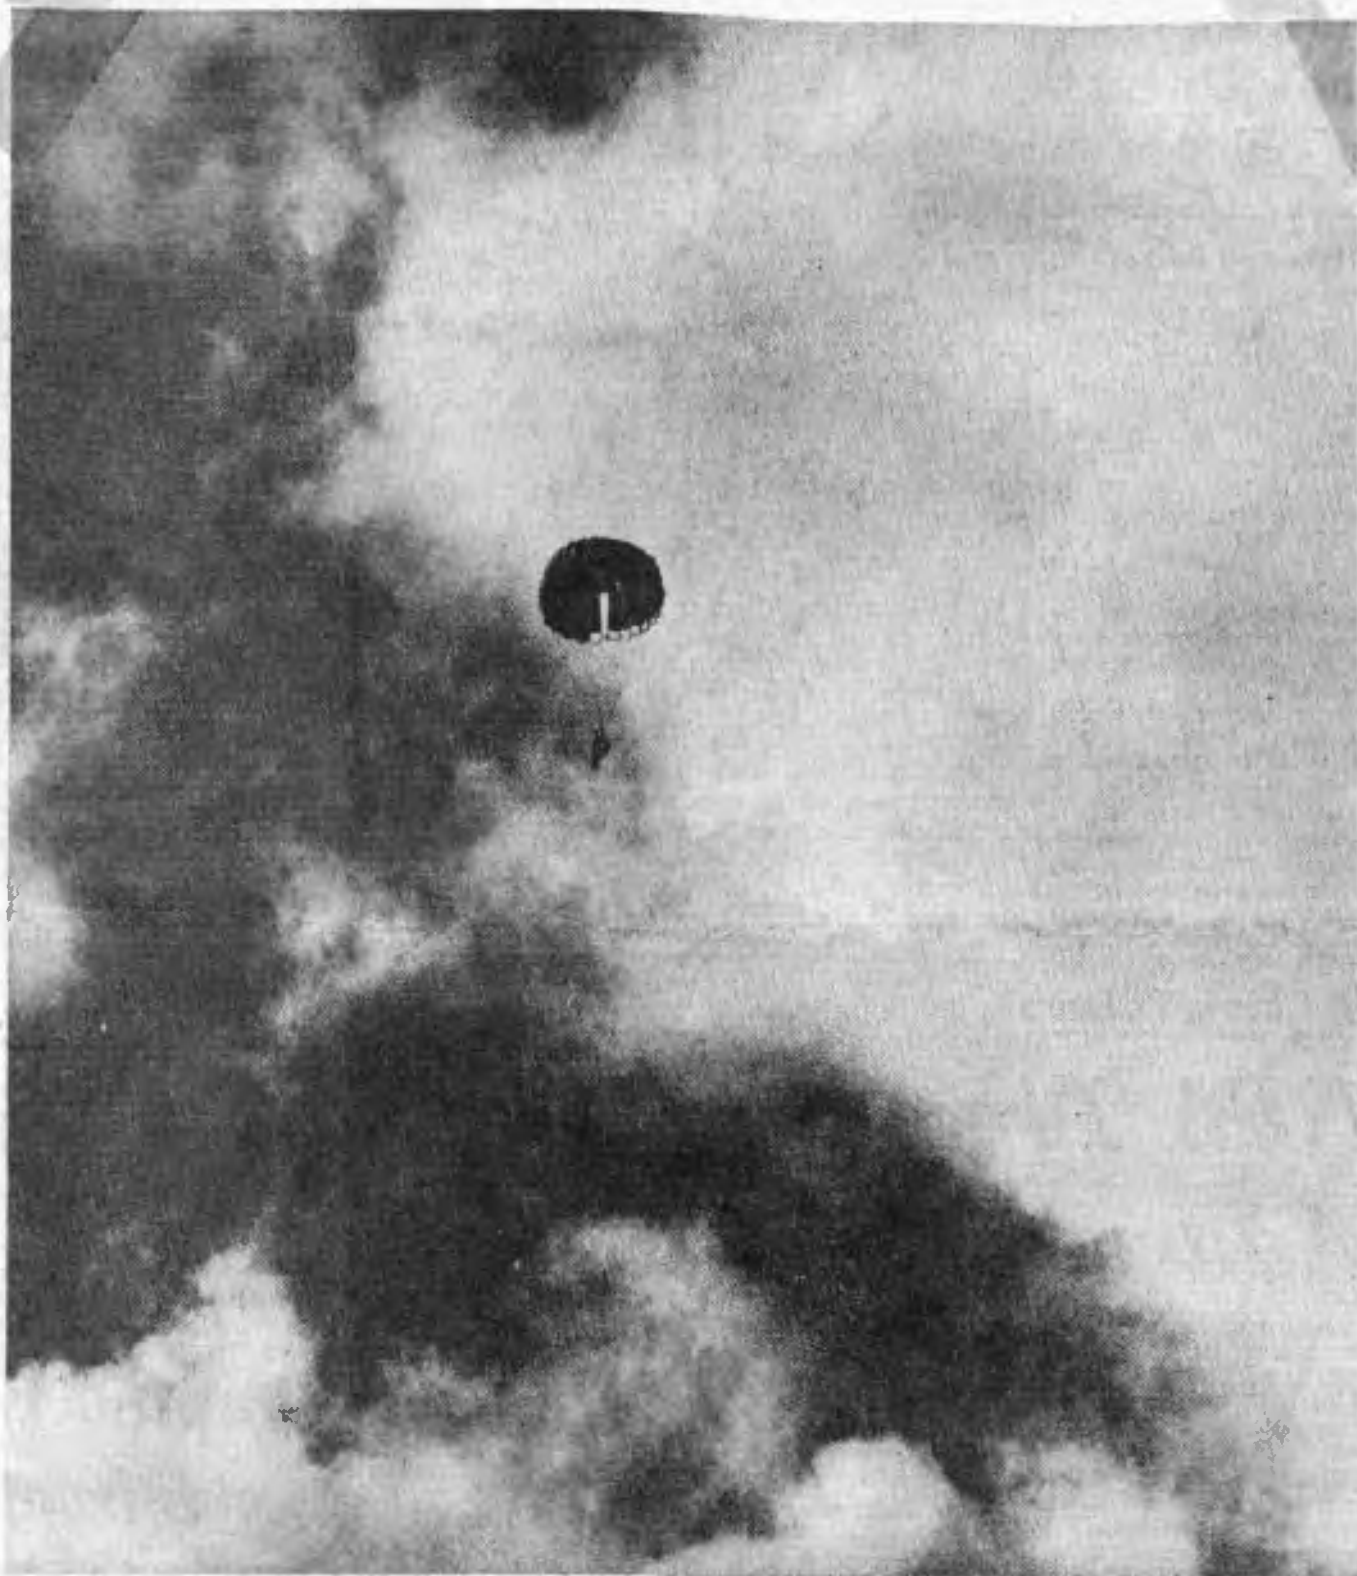

Square dancing from 8 to 9 p.m. proved to be a popular attraction.

FAMILY DAYS—That's what the annual Labor Day weekend festivities in Buffalo Grove and Wheeling are slanted toward. They are activities sponsored by the community as a family for the families of the community. Initiated last year by the Community Council of Wheeling, an organization of organizations, the Family Fair took place at Wheeling's London Junior High, and Buffalo Grove Day was in that village's park.

ROOF SITTER—This Buffalo Grove resident chose his roof to watch the village's mass parade, including about 800 persons, at Buffalo Grove Day Sept. 1. Robin Hood above is the village's red bearded Val Bettin, formerly television's "story teller." The parade wound along residential streets to the park.

HIGH, HIGH, HIGH IN THE SKY—That might be said of the second annual Family Fair in Wheeling and of Buffalo Grove Day, both held over Labor Day weekend. Sky divers were one of the attractions. About 10,000 were estimated to have attended the Family Fair, which began Saturday of Labor Day weekend and ended Monday, Sept. 2, with a blazing fireworks display. About 6,000 came out to Buffalo Grove's village park for its doings Sunday, Sept. 1. The Family Fair is strictly a non-profit, non-commercial festival, with even charitable money-making motivations excluded. General sponsor and co-

ordinator is the Community Council of Wheeling. Individual fair activities are sponsored and run by individual organizations, institutions, business concerns or individual persons. Besides to have fun, the purpose is to promote cooperation and harmony, foster creativity, and to display the artistic genius of the community. General sponsor and coordinator of Buffalo Grove Day is that village's board of trustees, with civic organizations also undertaking individual events. Above a sky diver floats out of clouds into Buffalo Grove's park.

STUPENDOUS is the superlative attached to the outpouring for the parade starting Buffalo Grove Day Sunday. About 800-900 were estimated by parade marshal Trustee William Marsh to have

been in the train of marchers winding through the Buffalo Grove's streets to the village park. There were about 300-400 children on decorated bicycles or in costume, he further estimated. There were

about 10 floats, bands, and a bevy of marching units. All village residents not in the parade appeared to be there as spectators.

Exchange Praise On Fete's Success

Last Thursday's Buffalo Grove board meeting opened on a congratulatory note from both President William Farrington and Buffalo Grove Day Chairman William Marsh.

Farrington declared this year's village holiday, Sunday, Sept. 1 to have "surpassed 1962's" and hoped Marsh would pass on his congratulations to each participant in its organization.

THE PRESIDENT observed there had been much talk about teenagers of the village. "The only thing I saw from teenagers on Buffalo Grove Day was work," he said, and added that such an admirable showing was due partly to there being a definite job to do, and to the devoted work of Gilbert Anderson, the adult advisor of the Recreation Association teen club.

Marsh, who is completing the data on the holiday's expenses, prizes won, and all those directly responsible for its success, said that it could not have been done without Farrington's own efforts.

More AND More

Special Attractions Set for Family Fair

Added attractions for children and a continued high level of adult participation are the goals for the Third Annual Wheeling Family Fair now being planned by several community organizations.

Co-ordinating body for the not-for-profit Labor Day weekend celebration is the Wheeling Community Council, and 35 other organizations have volunteered time, effort and materials to make the weekend a success.

MORE DISPLAYS and activities for children to participate in are planned this year to supplement the many exhibits directed toward adults, committee members say. Youngsters will be encouraged to participate in the pet parade, dog show, bike decorating contest and Indian make-up booth, as well as all-family events.

A gala parade sponsored by the Amvets and exhibitions and displays at Jack London Junior High School will also highlight the Sept. 5-7 holiday. Planned events include a fashion show, an art show, flower show, a canning show, a vegetable display, and an industrial display.

The Family Fair is held annually to provide fun and entertainment for all families of the village, and to better acquaint Wheeling residents with the advantages the community has to offer. No organizations including charities are allowed to make a profit from the fair, and any surpluses after all costs are paid are set aside for future fairs.

Organizations which have agreed to participate in the Family Fair are: School District

21, use of school facilities; Joy's Doggy Parlor, pet parade and dog show; Jaycees, sports jamboree; Catholic Women's Club, fashion show and sewing contest; Wheeling Women's Club, art show; Wheeling Township Regular Republicans, bike decorating contest; Amvets Auxiliary, public relations; PTA, food booth, Good Shepherd Church, canning booth; Rotary Club, sponsoring tents for industrial display; Four Seasons Garden Club, flower show; Wheeling Nursery School, make-up booth; Wheeling Park District, arts and crafts booth; and Wheeling Athletic Assn., baseball game and sound equipment.

PARTICIPANTS in the parade sponsored by the Amvets will include the Meadowbrook Wom-

en's Club, Wheeling Public Works Dept., Hollywood Ridge Homeowners, Wheeling High School with a band, float and drill team, and the Forest Preserve Park District of Cook County as well as several children's groups.

The traveling trophy and three other awards for parade entries will be made by the GOP Action Committee. Mark Drug of Wheeling will present awards for costumes in the parade.

Information booths about their organizations will be set up by the Wheeling High School Spur Club, the Library Board, Welcome Wagon, Mental Health group, and School District 21.

Tentatively planned activities are a dance, fireworks, pony rides, a band concert, and a miniature train.

WHEELING SETS FAMILY FAIR FOR FREE FUN

The Community Council of Wheeling will hold its third annual "Family Fair" Saturday thru Sept. 7. As in past years, this will be an old-fashioned fair, nonprofit and noncommercial.

The fair will feature dancing, hootenannies, and all day horse show, a "doggy show" for the children, and art and flower displays, contests in sewing, cooking and canning, with blue ribbon prizes.

A parade thru town again will be a main attraction of the three days of free fun.

20 Groups Already Set For Annual Family Fair

take part in this year's Wheeling Family Fair Labor Day weekend.

All local organizations and businesses are being contacted by the Family Fair Committee to participate in the annual non-profit, non-commercial event.

Participation is only "limited by your imagination," according to the form letter distributed by the committee. Everyone is invited to take part by sponsoring or helping on some activity or display, and just by attending.

The fair will be at London Junior High Sept. 5, 6 and 7.

OBJECT OF the fair is five-fold:

1) To foster and promote the creative talents of the community, and to provide a "showcase" in which they can be publicly displayed and shared.

2) To foster cooperation between community groups.

3) To give the community a constructive at-home recreational activity on the holiday weekend.

4) To provide one community-wide event for its own sake, spontaneous in conception, undedicated and free.

5) Simply to have a festivity which is indigenous to the community and a manifestation of the human spirit.

ALL FUND raising, solicitation and advertising, even for charitable purposes, are excluded, and the event is not commemorative of any past or present happening in history.

Organizations sponsoring activities, although not to make

any money on the activity, are also not asked to lose any money. They are allowed to set an admission charge or sell refreshments at a price which will cover their costs.

Any profits are to be turned over to the Family Fair Committee, which must reinvest them in the next year's fair. (Insurance coverage and publicity are examples of some of the overall fair costs.)

The fair is sponsored and coordinated by the Community Council, which appoints the Fair Committee. Its main function is to arrange for the building and grounds, and to line up and schedule events and displays.

Individual events at the fair, however, are the responsibility of their sponsoring organizations.

Ready to roll this Labor Day weekend is the third annual Wheeling Family Fair.

Beginning Saturday, Sept. 5, there is a jam-packed schedule of events lasting through Monday, Sept. 7. All events are to be at London Junior High School on Dundee Road, except the dance and band concert, which are to be at Wheeling High.

Permanent exhibits and display booths are to be set up Saturday between 9 a.m. and 4 p.m. Exhibits will be open to the public Saturday through 5 p.m. Monday.

Highlights of the exhibits are to be an art show and a flower show, both of which should be almost entirely in place by noon Saturday, and a display of industrial products manufactured in Wheeling.

DISPLAYS of old fashioned and modern arts of cooking, canning and sewing will also be on view in the school halls and there will be numerous booths for presenting the work of local governmental agencies and organizations.

Saturday night a band concert and dance are slated at the new Wheeling High School at Elmhurst and Hintz Roads, at 7:30 and 8:30 p.m. respectively.

Sunday activities will open with a gala parade that is to form at Wheeling High School at 1 p.m., and proceed at 2 p.m. down Elmhurst Road to Dundee, and then to the junior high grounds.

Following the parade will be a dog show, a sports jamboree, a fashion show. Children can become Indian braves and princesses at a make-up booth in the school.

AN EGG-THROWING contest will be part of the diversionary activities Sunday afternoon.

Monday a horse show will begin at 9 a.m. and continue until 5 or 6 p.m.

There will also be pony and train rides throughout the day.

A "rockenanny" featuring three recording groups is slated for 2 p.m. Monday, and the final event of the fair is to be a hootenanny beginning at 5 p.m., with a bevy of talent lined up for it.

Food will be available at the fair Sunday and Monday, soft drinks, corn-on-the-cob, beef sandwiches, hot dogs, coffee and watermelon.

ADDITIONS TO the fair and entries in the parade will be accepted right up until the last minute. For information call Allan Back, LE 7-1178, Ray Roach, LE 7-2871, or Mrs. Jerry Crowley, LE 7-1012.

As formerly, the fair is an entirely non-profit, non-commercial event. Fees charged are to cover costs only, and any surplus money is to be turned over to the Community Council for investment in the next year's fair.

The Community Council is coordinator of the fair as a whole, but each individual activity is sponsored by an organization or individual.

Cabaret Dance to Follow Band Concert

DANCE
AND/OR
LISTEN

A band concert followed by a cabaret style dance is set for the opening day of the Wheeling Family Fair, Saturday, Sept. 5.

They will be held at the new Wheeling High School rather than at London Junior High, it is announced.

The band concert will begin promptly at 7:30 p.m. and will end about 8:15 p.m. The dance will be from 8:30 p.m. to 11:30 p.m.

Band will be a special 20-unit ensemble from the Wheeling High School band. It will play some of the light popular classics from the era of big dance bands, and will be directed by Dean DePoy.

THE SPACIOUS cafeteria and utility room in the center of the high school will be decorated in a cabaret style for the dance, being sponsored by the Wheeling Lions Club. Checked cloths will cover the tables.

Students of the high school are to do the decorating, with the supplies to be furnished by the Lions Club. Special help is to be given by the Spur Club and Pep Club of the school.

Hot pizza and soft drinks will be the refreshments, it is announced by the Lions dance chairman, Mark Arrove.

It will be a community dance, and all ages are invited to participate. However, children under high school age are to be accompanied by their parents.

Also, the school's no smoking rules are to be strictly enforced, both on the grounds and in the building. Adults will be allowed to smoke in the teacher's lounge.

A FIVE-PIECE combo is to provide a mixture of music for both teenage and adult dancers.

Listeners and "watchers" as well as dancers are invited. Special surprise entertainment by a well known local trio is planned for the intermission. Both the contest and dance are free. Adult cooperation is asked to make this first activity at the brand new high school a particularly successful one. The school is located at Elmhurst and Hintz Roads.

Band Concert & Dance Get Fair Off To Swingin' Start

Wheeling's Family Fair got off in style Saturday night with a concert designed for dancing presented by Wheeling Hi's Dance Band under the direction of Dean DePoy. Featured in the concert were several arrangements by Wheeling's own John Higgins, a Senior at Prospect High, including a Medley of Yes Indeed, Dominique, and When the Saints Go Marching In; and individual arrangements of Like Young, and Mountain Greenery. Other selections were Easy Side Up, Stardust, That Old Black Magic, You Go to My Head, Ha-Cha Cha-Cha, Little Darling, Fall-Out, and I'll Remember April.

Following the concert, the Montclairs took the stand for a three-hour dance for all ages sponsored by the Lions Club. The music was right for dancing; the pizza was piping hot; the checked tablecloths and glowing Italian candlelight goblets created an atmosphere of warmth and informal festivity for an evening to be remembered.

Another highlight of the evening was the gratis jazz concert presented during the intermission by the Stardust Green Jazz Trio, George, Bob, and Dean, between their scheduled appearances at a local club.

A word about the Montclair's. These high school students who intend to stay in the music world, are directed by John Higgins, who doubles on trombone and piano. Other members are Bill Fiedler, Elk Grove, trumpet and piano; George Risler, Mt. Prospect, alto and tenor sax, clarinet and flute; Warren Rogers, Mt. Prospect, bass and guitar; and Bernie Helms, Des Plaines, drums.

Family Fair Dance Set For Sept. 5

An evening of dancing for everyone in the Wheeling area is the goal of the Family Fair Dance being planned by the Wheeling Lions Club for Saturday night, Sept. 5.

The dance beginning at 8:30 in Jack London School will bring to a close the first day of the three day Family Fair festivities. Music will be provided by the new Wheeling High School dance band and special entertainment by a well known trio is planned for the intermission.

A mixture of music appealing to both teenage and adult dancers will be provided and listeners as well as dancers are invited to attend the free event. Casual clothing is recommended by the dance committee.

REHEARSAL call is posted by Director De Poy.

Rockked!!!

Hootenanny Slated 'Rockenanny,' Too

There will be another hootenanny at this year's Wheeling Family Fair — and there will also be a "rockenanny."

Final arrangements for both were made Monday, and both are scheduled for the final day of the three-day festival, at London Junior High in the gymnasium.

The rockenanny will be at 2 p.m. Monday and will feature three recording groups. They are The Centuries, The Chavelles, and Jimmy Friis and the Valiants.

The hootenanny will be 5 p.m.

Monday, and will feature six groups. Three are Tom Kelly, Gary and Laura, and Bruce Michaels.

COMMENTATOR and master of ceremonies will be Bruce Michaels, disc jockey for WEEF radio station in Highland Park.

Arrangements for the events were made by Ron Weiner of Wheeling through Gene McMurray of Capitol Recordings of Park Ridge.

Weiner said The Valiants are billed as "better than the Beatles." One of their soon to be released recordings is entitled "Serpents and Spiders."

Folk singing enthusiasts are invited to bring their guitars to the hootenanny, and there will be songs that everyone can join in on to close the fair, on a musical note.

A "ROCKENANNY" drew a gyrating crowd of children and an interested crowd of spectator adults at the Wheeling Family Fair last weekend. The crowd numbered about 400. Playing were the Centuries, the Chavelles, and Jimmy

Friis and the Valiants, all associated with Capitol Recordings of Park Ridge. They rocked for about three hours, and were followed by a hootenanny. (W

Amvets Plan Parade for Family Fair

At their regular meeting July 20, the Board of Trustees of Wheeling gave the go-ahead to the Amvets to hold a parade in conjunction with the Family Fair.

Frank Rannie, chairman, said that several organizations will participate with floats, dressed-up poodles, bands, drill team, color guards and pretty girls.

Wheeling Township Regular Republicans Club have prizes

for decorated bikes, and Mark Walgreen Drugs will give prizes for the best homemade costumes for a boy and girl.

Last year's girl winner of the homemade costume contest spent a total of four safety pins—to hold up mommy's old dress.

Rannie said that he would like to see more children participate since that is what parades are for.

For information call Mrs. Rannie at LE 7-1655 or Mrs. Crowley at LE 7-1012.

A special call is being made for costumed children and decorated bicycles in the parade. The children may enter the parade anywhere along its route, is announced.

THE PARADE will begin forming at Wheeling High School at 1 p.m., and start down Elmhurst Road at 2 p.m. At Dundee Road the parade will turn and go to London Junior High where the judging of the floats, costumes and bicycles will take place.

Sponsors of the parade, the Wheeling Amvets, are inviting village residents to join in and make the parade a Mardi Gras event.

Parade chairman is Frank Rannie, LE 7-1655.

THE NEW WHEELING High School band has a full halftime show planned for the first home football game of the Wildcats Saturday, Sept. 6. Theme will be "West Side Story." The

Meadowbrook Float Stays Dry

After 30,000 napkins had been arranged, and 13 sore fingers later, the Meadowbrook Women's Club float was considered assembled. Anxiety and doubt were hanging heavy in the air Sunday morning as husbands and wives congregated on the driveway and the task of mounting begun.

As easy as pie the top was mounted and sighs of relief came floating through the air. The women were as proud as peacocks that they had really done it!

As they were standing back admiring their handiwork sprinkles of rain came down and along with it watery eyes. Neighbors and members went helter-skelter and two seconds later came back with large sheets of plastic, and pool covers. They covered the 10 foot top and 3 foot sides in hopes that the past weeks' work wouldn't turn out to be a soggy blob of napkins.

Heads dripping, the women went home and appeared 30 minutes later with costumes on but no smiles. The minutes seemed like hours as they waited for the rain to stop. Finally it did! They all jumped for joy and jumped onto the float. Away they went with visions of a trophy.

The Meadowbrook Women's Club would like to thank McDonald's, Union Hotel, and the Jewel Tea Co. for the napkins they donated to help create the giant calendar.

Float of the Meadowbrook Women's Club garnered the second place in the Wheeling Family Fair parade Labor Day weekend. It

depicted the annual community calendar of events put out by the club. (W)

Display booths have been promised by Dirigo, the Wheeling Park District, the Historical Society, and the Wheeling-Buffalo Grove United Fund.

The Catholic Women's Club will again sponsor a Fashion Show under the direction of Mrs. Albert Magoon. Wheeling Nursery School will sponsor its Indian Make-up Booth, one of last year's busiest spots, only one day this year, Monday, Sept. 6th.

Publicity is being handled jointly by the Amvets Auxiliary and Mrs. Donald Lark of the Catholic Women's Club.

Anyone interested in helping, participating, or sponsoring an event is urged to attend the Fair Committee meetings being held each Thursday at 8:30 p.m. in the Amvets Hall, or to call Mrs. Dan Crowley at 397-1012.

Plans Snowballing For 4th Family Fair

"If you and your family or your neighbors believe you have a good idea for a float for the Wheeling Family Fair parade, get going on it."

This is the admonition of the committee for Wheeling's fourth annual Family Fair over Labor Day weekend — there's a new parade category this year, one for floats created by families or neighborhood groups.

Although the planning of this year's Labor Day weekend fair was slow in starting, it is beginning to snowball. Sept. 4, 5 and 6 are the dates, and Wheeling High School is the place.

THE PARADE will begin at 2:30 p.m. Sunday, Sept. 5, from London Junior High School, then proceed down Dundee Road to Elmhurst Road, and south on Elmhurst to the high school for the rest of the festivities.

The Amvets of Phillip Carpenter Post 66 are again responsible for coordinating the parade; chairman is Frank Rannie, 537-1655. All interested persons, organizations, scout troops, or family and neighborhood groups are urged to contact him for more information.

Children up to age 16 are eligible to dress their canine pets in costumes for this year's parade. Joy's Doggie Parlor will award a trophy to the best costumed dog.

Children who might feel left out because they do not have a pet may dress up in homemade costumes and decorate their bicycles. Awards will be given in each category. The G.O.P. Action Committee will award trophies to the floats, while Mark Walgreen Drugs will present gifts to the best-costumed boy and girl.

THE BAND WHICH will spark patriotism and enthusi-

asm of the crowd will be the Great Lakes Naval Band, which may also present a band concert later in the day. Meadowbrook Women's Club has made arrangements for the Marine color guard from Glenview Naval Air Station to join the Amvet, Amvet Auxiliary and Junior Amvet color guards.

The Catholic Women's Club of St. Joseph the Worker will again sponsor the fashion show of hand-sewn and hand-knitted apparel. The show will be Sunday, Sept. 5, tentatively scheduled for immediately after the parade. For information on the fashion show and entries, call Mrs. John Bock, 537-1959.

Judging of the clothing will be held on Saturday, Sept. 4, with the winners named and ribbons presented after the fashion show on Sunday.

Mrs. Audrey Maynard of Prairie View has again promised an excellent horse show as in previous years. This will be scheduled for Monday, Sept. 6.

Six baseball games are scheduled, three to be presented by the Wheeling Athletic Association on Sunday, Sept. 5, and three by the park district on Monday, Sept. 6.

WHEELING ROTARY Club will present an industrial display to acquaint the people of the area with the products manufactured and distributed by local industry.

A donation of \$150 to cover the expense of all tents needed was also presented to the Family Fair by the Rotary.

Meadowbrook Women's Club, VFW 7178 and VFW Auxiliary, will participate with games for the children.

Civil Defense, Door, Inc.,

Wheeling Historical Society, Wheeling Park District, Junior Women's Club, Wheeling-Buffalo Grove United Fund, Nurses Club, Meadowbrook Women's Club, and Knights of Columbus are organizations which will have booths and displays.

WHEELING Nursery School will have its make-up booth on Monday, Sept. 6, to transform the children into Indian braves and fairy princesses.

Jaycee Jills will present a "cute kids" contest for children ages 2 through 5. For information on this contest call Mrs. S. Greenberg, 537-1505.

The Hollywood Ridge Homeowners Association will sponsor an egg throwing contest.

COMMUNITY Council, coordinating organization for the fair, will have an information booth as well as sponsor a Swap Shop where coins, rocks, stamps, baseball cards, "you name it," can be traded for some item from another collector's treasure chest.

A handicraft and hobby display is also to be sponsored by the Community Council. Leathercraft, fancy needlework, quilting, stamp collections, entries of all sorts are being sought to show residents of the community the many diversified hobbies enjoyed by their friends.

Tom Miller, proprietor of Curly's Hobby Shop, 42 W. Dundee Road, is hoping to arrange an aerial display on the maneuverability of "U Control Planes." The two-hour demonstration is to be presented by the Aerial Angels of Chicago, who have presented this exhibition of airplane maneuvering and combat stunt flying at Comiskey Park.

Just a sampling of some of the children's events including costumes, decorated bikes, and dressed-up dogs for the parade were previewed by (back row, l. to r.) Susan Bromley, Bess Crowley with Pepper parked in her bike basket, Kevin Conner, Debbie Lankard, Pamela Chobanian, Jean Crowley, Frank Jonas, Penny Wynn, Kathy Crowley, (front row, l. to r.) Nancy Hogan with Chico, Scott Lark, Tommy Kerr, Ruth Crowley, Jim Lyvers and Fritz, Dana Crowley, and young Jimmy Crowley complete with trimmed kiddie car.

Fair Schedule Filling Up

Scheduling of the multitude of events for the Wheeling Family Fair proceeds space.

Registration for the Jaycee Jills Cute Kids Contest will be held at the Fair Grounds (Wheeling High School) all day Sunday, September 5th, with the judging set for 4 p.m. Monday, Sept. 6th. As previously announced the contest will be open to all children from two through five inclusive. Both boy and girl winners and runners-up will be chosen by a panel of three out-of-town judges. Jaycee State Vice-President Ken Rosko of District 11, Rolling Meadows, has already accepted a position on the judges' panel.

Entries in the Fashion Show being sponsored by St. Joseph's Catholic Women's Club will be judged Saturday afternoon, Sept. 4th, at the church. Winners will be announced after the Fashion Show itself, which will be held in the Wheeling High Auditorium after the Grand Parade Sunday afternoon. More information on this event may be obtained from Chairman Mrs. John Bock, 537-1959.

Baton twirlers will perform in the auditorium just prior to the Fashion Show.

Added to the all-day, every day fun will be pony rides for the kiddies provided by the Young Republicans Club of Wheeling Township and the Wheeling Jaycees Dunk-the-Clown, always fun for everybody but the clown.

More events are anticipated...a complete schedule will appear in next week's issue. For further general information call Lorraine Lark, 537-1028 or Jerry Crowley, 537-1012.

New Activities Pack Fair Fun Schedule

New exhibitors sponsoring new events for the Wheeling Family Fair over the Labor Day Weekend keep cropping up.

Added to the previously noted activities will be an 8-to-80 Square Dance in the Wheeling high School cafeteria from 8:30 p.m. until 11:30 p.m., Saturday, Sept. 4th. Casual dress is recommended by the sponsoring Community Council.

Added to the many exhibits will be the special "Art in the Home" room. This will be in the room next to the high school auditorium and will feature objects of art from Hagerstroms, fine china from Dirigo, draperies and fabric selections from Wellin's Fabric Shop, and floral arrangements by the Dreiske Floral Shop. A lecture on the effective use of fine art in the home will be given at 5:30 p.m. Sunday, Sept. 5th, and at 3 p.m. Monday, Sept. 6th.

Hot Dogs and soft drinks will be available at the Hollywood Ridge Homeowners refreshment bar. They are also sponsoring the egg throwing contest, the horse shoe pitching event, and a float for the big parade that starts Sunday at 2:30 p.m. Watermelon, sweet rolls, buttered corn, hot beef sandwiches and coffee will be featured at the food booth.

Mrs. Audrey Maynard of Prairie View has once again arranged the Horse Show, which will begin at 9 a.m. Monday and continue all day.

A Boy Scout campsite complete with monkey bridges will be set up all day Monday. The boys will also have a Scout-erected First Aid station and information booth. Scouts from throughout the North Star District will man these and the Cub Scout Pinewood Derby Race Track and craft display at the Fair.

Newly scheduled booths include those of the Forest Preserve District, V.F.W. Post #7178, and the Wheeling Post Office.

The rumor is out that a group of fellows from one of Wheeling's neighborhoods is cooking up something big in the line of a parade entry. How about giving them some competition.

A special last-minute added attraction will be the appearance of the Gold Coast Singers at the Hootenanny set for 6:30 p.m. Sunday.

The Wheeling Township Regular Democratic Organization will sponsor electric train rides for the kiddies Monday from 11 a.m. until closing time. Pony rides will be provided by the Young Republicans. The prizes for the decorated bike contingent of the big parade are being supplied by the Republican Action Committee.

Don't forget all the games and be sure to bring your hobby display for the Council's Browse and swap Handicraft Display Booth.

The weekend's going to be full of baseball games and there's a very special model airplane stunt display co-sponsored by the Aero-Angels and Curly's Hobby Kit scheduled for Monday at 1 p.m.

Be sure to keep a copy of the fair Schedule handy for easy checking; don't miss any of the attractions that will make this a weekend to remember.

More Fun For Fair

Several new events have been added since last reports to the roster for the Wheeling Family Fair to be held over the Labor Day weekend under the sponsorship of the Wheeling Community Council and its member organizations.

An aerial display of model airplanes will be sponsored by Curly's Hobby Kit, Monday, Sept. 6th. The display will feature combat, stunt, and precision maneuvers.

The Jaycee Jills will feature a Cute Kid Contest for children ages 2 to 5 inclusive. No details are available yet beyond the fact that a 50¢ entry fee will be charged to cover cost of the awards. (The entire fair is completely non-profit; no organization is allowed to charge anything above and beyond actual expenses. Any accidental profit must be turned into the Community Council's Family Fair Fund which is completely separate from their operating treasury.)

Joy's Doggie Parlor will present an award to the best dressed dog participating in Sunday's Parade. The only entrance requirements are that the costume must be homemade and the dog must be handled by a child under 16. Curbstone Setters, Disa-Pointers and other non-pedigree dogs are especially welcome.

The Rotary Club has made a contribution of \$150 to cover tent rental.

The Community Council as a group will sponsor a Browse and Swap Hobby Booth.

New parade entries include the U. S. Navy from Great Lakes, Connie Gillespie's Baton Twirlers, and a float from the Nature Center on Milwaukee Av.

The Community Council is still hoping for an Art Show sponsor. Persons or organizations interested in sponsoring this or any other appropriate event are urged to attend the planning sessions being held each Thursday at 8:30 p.m. in the Amvets Hall on Milwaukee Av. Anyone planning parade entries should make arrangements with Parade Chairman Frank Rannie, 537-1655, who is managing the event for the sponsoring AMVETS. Other information may be obtained from Mrs. Dan Crowley at 537-1012.

FAMILY FAIR COMMITTEE ASKS

PARENTS TO PLEASE NOTE:

A new location has been found for the Wheeling Family Fair and it is hoped that the building and its facilities will not be abused to insure the future Fairs. Parents are urged to instruct their children, and to remember themselves also, that although the High School (Family Fair is to be held at Wheeling High School over the Labor Day Week-end) is "everyone's property", it is still essentially an institution of education and as such it should not be neglected.

"Abuses" to Jack London Jr. High School are the prime factors in its not being "available" for the Family Fair Labor Day Weekend, Sept. 4, 5, and 6. Everyone who attends, and thousands are expected, are reminded to help keep the washroom facilities and all the school property in tip top condition. It reflects on the upbringing and home life of those attending to leave any public grounds in questionable conditions.

Adequate waste containers will be found on the grounds. Please use them. They are being provided by Wheeling Disposal Company and will be serviced the week-end by them. NO FOOD WILL BE AT THE BUILDING. Everyone is urged to attend Family Fair...BUT...you're reminded also to determine whether there will be Family Fair ture.

'Angels' to Give Aerial Exhibit

An exhibition of aerial dog-fights and acrobatics by the Aero-Angels is slated for the Wheeling Family Fair this weekend.

Sponsored by Curly's Hobby Shop, the model airplane stunt flying will be on the last day of the fair, Monday (Labor Day), from 1 to 3 p.m.

Operated on U-Control lines, the airplanes will zoom into balloons as well as at each other.

Post Office Exhibits At Fair

Among the exhibits in the Industrial Exhibit sponsored by the Wheeling Rotary Club at the Family Fair this weekend will be an attractive 8 x 8 ft. three-panel display from the Wheeling Post Office according to an announcement made by Postmaster Edward F. Swan.

Interchangeable center panel displays will provide information on:

1. "How to Wrap and Pack Parcels for Mailing."
2. New regulations covering "Envelope Sizes" which were put into effect January 1, 1963.
3. "Nation Wide Improved Mail Service" program of the Post Office Department.
4. The "Challenge to Industry" by the Post Office Department to help it do a better job of collecting, sorting and delivering more than 67 billion pieces of mail each year.
5. Job opportunities in the Postal Service.

The bottom panel of the Post Office Department Exhibit gives a graphic description of the Department's ZIP (Zoning Improvement Program) Code Program. The panel graphically describes the significance of each of the five digits and its implication for more efficient and less costly distribution of mail.

Egg Tossing: Mass Sport

Egg throwing will again be one of the mass participation sports of the Wheeling Family Fair.

In the activity, run by the Hollywood Ridge Homeowners Association, two lines are formed of all participants. They then throw eggs back and forth, taking a step farther apart with each throw.

CONTESTANTS keep tossing the egg back and forth until it breaks. The last pair remaining with an unbroken egg wins.

A horseshoe pitching contest will also be run by the home-owners association this year.

Family Fair Food Booths Well-manned

Food and fairs go together, and there should be plenty of food available at the Wheeling Family Fair over Labor Day weekend at Wheeling High School.

A food booth manned by Raymon Roach and Edwin Smith and families will dispense hot beef sandwiches, buttered corn-on-the-cob, coffee, sweet rolls and watermelon.

The Hollywood Ridge Homeowners Association will also operate a hot dog and soft drink dispensary throughout the fair.

AS THE FAMILY Fair is a completely non-profit, non-commercial event, the food will be sold at cost.

All profits from the fair are to be turned in to the fair committee to underwrite the following year's fair. (W)

"The more the better" is the slogan for the Wheeling Family Fair parade Sunday at 2:30 p.m.

The parade is sponsored by the Wheeling Amvets, and everybody is invited to enter.

Neighborhood areas as well as organizations are urged to enter floats.

DECORATED bicycles and costumed children and dogs are also to be an integral part of the parade.

Awards for the best floats, bicycles and costumes will be given by the GOP Action Committee, the Regular Township Republican Organization, Joy's Doggie Parlour and Mark's Walgreen Drugs.

Parade Highlights

"The drums go bang, and the cymbals clang" and the band from the U.S. Naval Training Station at Great Lakes stepped smartly in dress whites in the Wheeling Family Fair parade Sunday afternoon.

THREE BELLES in bloomers was one of the attractions of the Wheeling Family Fair parade Sunday. The parade ended at Wheeling High School, where the fair continued

through Labor Day Sept. 6. One of the features was a horse show.

And WHEELING

Youngsters from the Merle Lane neighborhood couldn't wait any longer this week. With Mrs. Lorraine Lark and Mrs. Jerry Crowley up to their ears in Family Fair for several weeks already, the children got together and had a little preview all their own. With just a foretaste of the fun to come, the kids had a ball and trust this will hold them over until the real thing comes along.

Choosing not to waste the dress-up effort, Kathy Crowley, all painted up like the Indians who will be one of the characters created at the Wheeling Nursery School's Make-up Booth, came skulking around the shrubbery to confront cowgirl Pamela Chobanian and cowboy Frank Jonas.

TRICYCLES AND WAGONS were part of the Wheeling Family Fair parade down Elmhurst Road Sunday. It was the fourth annual two-day festival sponsored by the Community Council over

Labor Day weekend. Highlights of the fair were a fashion show, hootenanny, horse show, softball games between the village and park boards, and exhibits. Walking across a rope bridge construct-

ed by the Boy Scouts in a camping exhibit was reported to be one of the main children's attractions.

Rose Leads Voting for Village Flower

The rose received the most nominations for the official village flower at a poll taken at the Wheeling Family Fair over the weekend.

It was named on 31 of 103 ballots, according to the Junior Woman's Club, which conducted the poll.

Second was the day lily, and third, the tulip.

Wheeling Juniors Mark 'Busiest Summer Ever'

Following their annual banquet last May, the new president of Wheeling Junior Woman's Club, Mrs. John Koeppen, advised members to rest over the summer in preparation for a busy fall and winter. But instead, the members promptly launched the busiest summer in the club's history.

It began with a day of pumping gas at a local gas station for the benefit of the Wheeling High Band and Drill team, and the club was rewarded for its efforts when the band returned from the Minneapolis Aquatennial with a first place prize.

The next event was a steak fry, for husbands as well as members. Supposed to be strictly for pleasure, the group also held a white elephant auction sale also and added to club funds. Early in July, a steering committee from the club was formed and met to create a Wheeling Historical Society. Plans were immediately taken up by the interested citizenry of Wheeling and a fully organiz-

ed Society is now in action.

THE SUMMER of "rest" ended with the annual Wheeling Family Fair, which found the Juniors manning a special information booth, handing out material from the local Ministerial Association and taking a poll on the people's choice for a local flower for Wheeling.

With the summer activities now behind them, Wheeling Juniors are looking forward to a fall and winter of even more reward-

ing activity, according to Mrs. Koeppen.

First on their schedule is the opening fall meeting, set for Tuesday night, Sept. 21, at the Jack London Junior High School. The meeting will be open to all prospective members as well as guests, to introduce them to the "workings" of a junior woman's club. (S)

ROSES LEAD FLOWER POLL

31 of the 103 ballots cast in the Wheeling Jr. Woman's Club flower poll conducted at the Family Fair favored the rose for the Wheeling Village Flower. Day lilies or 'tiger' lilies ran second. Tulips were 3rd.

Jackie Gabala was awarded a white ribbon for her blue and white checked sailor shift.

Mrs. John Bock was the commentator for the Fashion Show. Announcement of the awards was made by Catholic Women's Club President Mrs. Albert Magoon. Last but not least, Mrs. Bock was introduced by Mr. Wayne Gilbert, one of the busiest people at the Family Fair. Not often in the limelight over the three days of the Fair, Mr. Gilbert set up and operated one end of a continuous walkie-talkie rig that helped keep the Fair operating smoothly over the wide area it covered.

Ball

Monday Afternoon

The Wheeling Park District senior girls softball team will play the Maine Township Girls softball team Monday at 2 p.m. as a feature of the annual Family Fair.

This game will be followed by one between the all-stars of the park district's men's softball league.

Concluding the baseball events will be a game between the Wheeling Village Board and Park Board. The park board is substituting for the Buffalo Grove Village Board, which withdrew from the contest last week after initially accepting an invitation to play.

ALL OF THE park district games will be played on the Wheeling High School grounds.

The Wheeling Athletic Association boys baseball teams will also play several games Saturday beginning at 1 p.m. at Sandburg School while the booths and exhibits of the Family Fair are being set up. They are slated to play again Sunday in Buffalo Grove.

— An invitation to play a softball game against the Buffalo Grove Village Board at the Wheeling Family Fair on Labor Day weekend was accepted.

Softball Challenge Accepted

Members of the Wheeling and Buffalo Grove Village Boards are to comprise the backbone of a softball contest Monday, Sept. 6.

Both boards have accepted the invitation of Wheeling Park Supt. Eugene Sackett to "meet on the field of combat." The boards may select other of their village employees to round out the teams, but the primary members are to be from the respective boards.

BUFFALO GROVE Village Pres. William Farrington instructed Village Clerk Rosalie Kaszubowski to inform Sackett that the board is girding itself for battle, and will also forward its own game rules later.

Wheeling Trustee John Koepen, displaying gusto, has asked for and been given the managership of the opposing force.

The game is to be part of the activities of the Wheeling Family Fair, which will be held at Wheeling High School over Labor Day weekend.

Don't Be Litter Bug

Please don't abuse the school property, is the plea of the Wheeling Family Fair Committee.

The fair is to be held this Labor Day weekend at Wheeling High School. The committee is trying to avoid a repeat of last year's fair, when the London Junior High School grounds were excessively littered.

"EVERYONE who attends, and thousands are expected, is reminded to help keep the washroom facilities and all the school property in tip-top condition," the committee states.

Parents are asked to instruct their children on using waste containers and in general respect for the property. No food is to be allowed in the building.

Whether future fairs will be held at the high school depends much upon the success of this fair.
