TELEPHONE ANSWERING SYSTEM WITH REMOTE ACCESS

Touch-Tone Remote Access

- **Remote ON** — turn your Answerer ON from any tone dialing telephone
- **LED Message Counter** — tells you how many messages you received
- **Home Memo Recording** — use as an electronic memo pad at home
- **Easy, One-Touch Operation** — one touch automatically plays messages and resets the Answerer
- **Auto Intercept** — automatically stops play of outgoing announcement over phone line when any phone in the home is picked up
